

## Still Life Through Time & Culture

*A Hopewell Museum  
Education Workshop*

### Objectives

Students Will:

- Compare examples of still life from several different art periods from the 16th century to the present and different cultures
- Learn about famous artists known for still life
- Observe what is typically used in a still life (natural and man-made objects)
- Observe how the elements of art & design are used by still-life artists
- Create their own still-life masterpiece using objects as a model and with their choice of media (pencils, colored pencil, crayons, watercolor, construction paper)

Grades K-8
