Terra Cotta Restoration Campaign

The historic terra cotta exterior including the cornices, front entry and balustrades was failing and water was seeping into the brick walls! We are excited to report that the work is now complete! But, we still need *your* help to cover our costs!

Goal: \$150,000

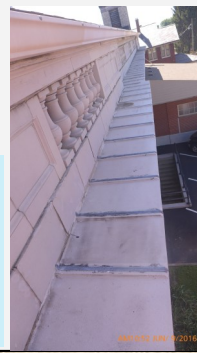

We have raised \$90,764! Thank You!! We need \$59,236 to reach our goal!

Please give by calling 859-987-7274 or mailing a check to 800 Pleasant St. Paris, KY 40361 with "Terra Cotta" in the memo.

Our corner cornice piece is back up!

Lead T-Caps (right) will keep water from damaging the Terra Cotta!
