Teens with the Paris-Bourbon County Library helped our Historic Preservation Conference attendees "heart bomb" the train depot & Alexander house, now Pleasanton Goods, to show some love to a few of our community's treasured buildings!

### **Terra Cotta Restoration Campaign**

The historic terra cotta exterior including the cornices, front entry and balustrades is failing and water is seeping into the brick walls! We need *your* help!

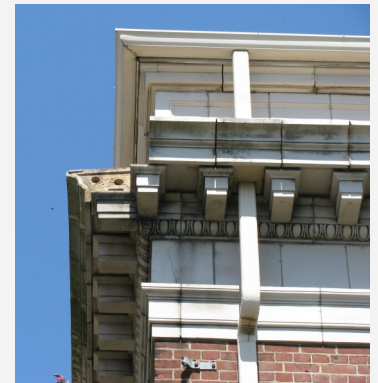

Goal: \$150,000

**We have raised \$80,389! Thank You!! We need \$69,611 to reach our goal!**

Please give by calling 859-987-7274 or mailing a check to 800 Pleasant St. Paris, KY 40361 with "Terra Cotta" in the memo.

Work began on the  
terra cotta in April!

Old caulk was the only thing keeping this corner from falling! Luckily our expert conservators caught it before it fell and smashed to pieces!
