THE SNIPER - 1953

PUBLISHED BY
THE ANNUAL STAFF OF 1953

MILLERSBURG MILITARY INSTITUTE

MILLERSBURG, KENTUCKY

Dedication

To indicate our appreciation for one who has been our friend and guide during the past few years and to show our thankfulness for the personal sacrifices and painstaking labors of one who is vitally interested in our scholastic, musical and other work. So, as to express in some small way our profound admiration for his qualities as a teacher, a friend and a man, we respectfully dedicate this edition of THE SNIPER to its sponsor

IN APPRECIATION

COL. W. R. NELSON

Once in a while you come in contact with a person who is a little different from the average person. Such a man is Col W. R. Nelson who for the past 33 years has given his life as superintendent of Millersburg Military Institute. He is one of such character that he inspires any one whom he may come in contact to do his very best. His emphasis on good character has influenced many a young man to over come the many temptations of the world.

The great work he has done for education can never be forgotten as long as the school which he helped to build still exists and continues to turn out good honest citizens. As a fitting climax to his successful teaching years at M. M. I. We can best sum up his career in the favorite Bible passage "A good name is rather to be chosen than great riches."

CLASSES

GRADUATES

JOHN J. BLACKBURN

Dry Ridge, Ky. March 29, 1933.
Second Lieutenant of Color Guard, Officer's Club-53, Annual Staff-53, Track Team-53.

MILITARY DEPARTMENT

The organization and curriculum of our military program provided the principal theme of last years article. It is our purpose to give the reader a little more of our views concerning the value of this program in the future life of the individual who undergoes our courses of instruction.

The boy of high school age must think of military service in the future unless there is something physically or mentally wrong with him. At the age of eighteen and one-half years, he becomes eligible for the draft. His term of ineligibility may be lengthened to some extent by attendance at some high school or college. He must be enrolled in the ROTC program of a college if he is to remain out of the army for a very long period of time. Even then, he must reach certain standards of proficiency in both his scholastic and military work to retain this status.

We feel that our boys have a big advantage over other boys when they enter college and enroll in such courses. At M.M.I., we give four years of Army supervised military training. Our boys have already had most of the first two years' work when they enroll in college ROTC classes. For those who are inclined to loaf, this is a handicap because it makes the first two years of ROTC too easy and the boy is not accustomed to doing the work required the last two years. For the ambitious boy, we offer a chance for that knowledge of the subject at the start which often puts the boy at the head of his class. Our aim is to encourage the ambitious boy to attain this position in his class and strive to maintain this position throughout his college career.

For the boy who ends his studies when he receives his high school diploma, our program is the only military training that he will receive before his induction into the service of his country. It includes most of the subjects of basic training and gives him a better chance to earn promotions in his first phase of armed service training. Most boys who enter the armed services determine a lot of their military training and future by the way they conduct themselves in basic training and the ease with which they are able to respond to training. A boy who has availed himself of the training offered at M.M.I. will thus have an advantage over others entering the same service when he answers the call to defend his country against our common enemies.

Organizations

RIFLE TEAM

FRONT ROW, LEFT TO RIGHT: Collier, Harden, Berry, Magnette, Day "B". SECOND ROW, LEFT TO RIGHT: Capt. Pumphrey, Ledford, Gaines, Childers, Boyd, Baker "A".

These boys did not get ready in time for national competition, but after they were ready, fired a creditable 887 score. Ledford was high with a score of 184. Childers was next with 183. Gaines fired 179. Collier had 173 and Boyd 168. Our team that won the award held in the photograph fired a score of 905. This was the team of 1951-52. It was composed of Daniel Dale, Don Potter, Paul Clark, Ronald Boyd, and Gerald Merritt. This year's team is composed mostly of new boys in school and did not do much work until after Christmas. We had twenty-eight boys try out for the rifle team and most of them got the experience that will be necessary to make them a good team next year. At present, two matches are planned for the team in shoulder to shoulder competition. It will be impossible to get the results of these matches into this book.

LIBRARY STAFF

To date there are 2373 catalogued books in the library, 45 of which are new this year and more are on order. Some of have been donated by cadets. We have 31 magazine subscriptions.

Library hours are from 10:00 to 3:00 daily with Mrs. Ingels in charge. In the evenings and on week-ends, student librarians are in charge.

The library also contains the school television, which is there for the pleasure of the cadets. It may be watched by them any time there is a Captain present to operate it.

PICTURED FROM L to R-- B. Everett, H. Prewitt, S. Craft, D. Bradfield, Head Librarian Mrs. Ingels, L. Baker, G. Wilhelm, J. Mendoza.

HONOR COUNCIL

The purpose of the Honor Council is the promotion within the student a sense of honor in all relationships. The Council is a group of friendly, high-minded, students dedicated to the task of inspiring the student body and the faculty to work together to develop a real desire for honorable conduct at M.M.I.

PICTURED FROM LEFT TO RIGHT ARE: Juan Mendoza, Jimmy Baker, (Vice-Pres.) Eugene Correll, (Pres.) Ikey Hall, (Sec't.) Scotty Patrick, Billy Buntin, and Capt. G. L. Oldham, faculty advisor.

STUDENT SENATE

The Student Senate is one of the oldest organizations in the school. Ever since the Student Senate was first organized, the first purpose in mind was to promote within the student body, a sense of duty and responsibility and to help keep up the spirit and the moral of every student. The Student Senate represents the students at meetings and other organizations. The Student Senate will help any student who may be faced with a problem.

The Student Senate sponsors certain social functions such as dances, parties and games for the benefit of the Cadets. The Student Senate will bring before it any Cadet who is delinquent in conduct, spirit, or for breaking any rule of the school.

The whole purpose of the Student Senate is to get each boy interested in the school programs and make his stay at M.M.I. as enjoyable as possible.

PICTURED FROM LEFT TO RIGHT ARE: Cadets Buntin, Tolliver, Baker, (Sgt. at Arms)-Hall, (V. Pres.) Correll, (Pres.) Patrick, (Sect.) Denny, Potts, Coleman, Lippert.

HONOR SOCIETY

The Honor Society is the newest organization in the school. It has been organized for only three years. This organization is composed of eight boys who are selected from the student body. These boys are considered to be the highest in leadership, character, honor, loyalty as well as their school work.

The purpose of the Honor Society is to set an example for every Cadet to follow. They help any student who is behind in his school work and with any problem that he may have. The Honor Society discusses problems that come up so they may help the student better himself in character and statue.

The Honor Society sponsors such programs as plays, parties, and chapel programs for the benefit of the Cadets of M.M.I. and to help the student in any way possible.

PICTURED FROM LEFT TO RIGHT ARE: Faculty Advisor-Capt. May, Cadets Denny, Correll, (V. Pres.) Hall, (Pres.) Patrick, (Sect.) McDaniel, Mendoza, Coleman, Lippert.

ACTIVITIES

MUSIC TIME AT M. M. I.

Music activity at M. M. I. has enjoyed one of the most profitable years as far as the choral organizations are concerned. There have been many times when there was little time for practice and interruptions were too numerous to mention, but the hard work of the group has payed off in bringing some good music to a lot of people and having the satisfaction of a job well done.

Around Christmas time the CADET CAROLERS spread the Christmas spirit to the surrounding towns with the Christmas carols, both old and new. They ended their seasons tour with a program in Memorial Gymnasium.

The CADET ENSEMBLE was the outstanding group of last year, being chosen as the best male ensemble in the state and having the privilege to sing in the Memorial Hall at the University of Kentucky. They won a superior rating in the state contest, but it was only after much hard work. Much of the credit goes to Capt. T. A. Siwicki whose direction and inspiration made all the honors possible. But the ensemble is already hard at work on "The Creation" which they are going to sing in the contest. New honors are sure to be bestowed upon this group.

The Choir has been very active in the contest in the past years and is sure to come away from the contest with the highest rating. "Charoletown" is one of the numbers they are going to sing, it is a fast moving piece with much spirit.

In the past 6 years the quartette has won a total of 8 superior and 4 excellent ratings in the regional and state contests. The Choir has won a total of 3 superior and 3 excellent ratings.

Many former Choir members are now taking up music as their life work and many are singing in some of the big college choirs. It makes us feel that what little we accomplish here is not entirely lost-but is put to better use in later life.

THE CADET CAROLERS

THE M. M. I. BAND

M.M.I. Band, this year, has been an outstanding morale builder. Functioning at all athletic events, it inspired the participants to better deeds and aroused the spectators to a keener enthusiasm. Performances on parade for the community as well as neighboring towns have only been surpassed by the showing made while on "Dress-Parade" on campus. In all my experience with instrumental groups of young people I have never met a more co-operative, enthusiastic and congenial band. Their achievement has surpassed our expectations and surprised not only the students themselves but the administration and the instructor.

Captain R. A. Chubb, Instrumental Instructor.

Personnel of the Band: Drum Major - Earl Waugh; Saxophones - Gerald Denny, Robert Netherton, Farrell Collier; Trumpets - Oncu, Connie Gaines, Larry Coleman, Donald Hughes, John ell, John Wheeler; Clarinets - Scotty B. Patrick, David Brad; Baritone - Jack Shepherd; Bass - Edward Dodd; Percussion - Childers, Wm. G. Ledford, Theodore Wilmes, Gary Magnol Dr., Harvey Prewitt - Cymbals.

"FLU" IN COMMAND

We can all breathe more easy now (if that not be a pun) as the mild "flu" epidemic seems to have taken wings about as quickly as it descended upon the M.M.I. campus last Tuesday. Dr. V. C. Moseley, school physician, and Mrs. A. Mason, nurse-in-charge, took care of the

Membership In

If the subscriber to the Communicadet has enjoyed reading the paper as much as we have enjoyed publishing it, we feel sure that the Communicadet has been a success and will be a success for many years to come.

Since the very first paper was published at M.M.I. the boys have taken a great interest in it and have tried to make it the best possible. At the present time the Communicadet has about 500 subscribers and is published monthly by the students of M.M.I. This year for the first time a new alumni section has been added to the paper and the alumni are giving their finest co-operation in helping us keep up this section of the paper.

The Communicadet does much more than furnish the reader with school news. It gives the student working on the paper a sense of responsibility and develops their writing ability. Working on the Communicadet impresses upon our minds the need for co-operation and gives us some idea of what is required of a newspaper staff.

We would like to thank Capt. Siwicki who is our faculty advisor for devoting his time and patience in helping us publish the Communicadet. The staff Co-Editors are: Cadets Denny and Berry; Assistant Editors-Mendoza and Patrick; Feature Writers-Raisbeck and Layson "A"; News Staff-Gaines, Hall, Suter; Sports Editor-Smith; Columnists-Childers, Boyd, Baker; Business Manager-Harden; Proof Reader-Harding.

SPORTS ACTIVITIES

THE "M" CLUB

The "M" club is one of the many athletic organizations of M. M. I. which helps better the athletic programs at M. M. I. The club sponsors such things as intermural games and parties in which they try to get more boys interested in sports.

The "M" club consist of boys who have lettered in some sport at M. M. I. This club has existed for many years and each year it is re-organized to help the students of M. M. I. Pictured from left base of M. are Cadets Boyd, Hardin, Potts, Pallin, Burchett "A", Hall, Denny, Gabbard, Waugh, Bowie Correll, Coleman, Lippert, Smith "A".

GOLDEN GLOVERS

Two Cadets participating in the Golden Gloves Tournament which was held at Lexington's Woodland Auditorium, were Cadets Smith and Neisius. The first night Cadet Neisius won over Roger Crouch by default. The next night Cadet Neisius and Smith both fought. Cadet Neisius was KO'D in the second round but only after a hard fought battle. Cadet Smith won his fight by counter-punches and a knock down. In the championship fight, Smith put up a good fight but lost to Bobby Jones of Greendale. Because of Cadet Smith's fine sportsman-ship and courage, he was awarded the trophy for being the most Courageous Fighter of the Year.

VOLLEY-BALL REGULARS

One of the most popular year round sports is Volleyball. Most boys like to play this sport because their is so much competition and everyone has a chance to show himself.

Often, in the afternoon, there are 12 or 13 games played. A lot of credit for the instruction given the boys on the Volley ball court goes to Capt. Strader, who you can always depend on to help you any way he can. When you play with Capt. Strader you always win because he plays hard and to win not to lose. Some of the regular players are Cadets Patrick, Day "A", Day "B", Boneta, Hall, Baker "A", Magnottee, Hoagland, Pitman, Tolliver, Boyd, Malley, Everret and Capt. Strader and Capt. Taggart are faculty advisors.

CAMPUS VIEWS

Scenes taken about the M.M.I. campus include the panorama shot above as seen from the old school house across the street. LEDFORD and GAINES are hard at work with their steam engine and OTHER diabolic ideas. Even the "cookies" take time out to pose for a picture or two at the bottom of this page.

THE LADIES TAKE OVER FOR THE DAY!

Mrs. W.R. Nelson Bible
instructor, Senior School

Mrs. G. Oldham
Secretary

Miss Add-Lee Porter
Dietician

Mrs. W.T. Clarke
Primary Dept. Instructor

Mrs. Reese Ingles
Librarian-in-charge

Mrs. Alice Case House-
mother, Junior School

We Salute the ladies! Especial thanks goes to Mrs. G. Betts, who has assisted in the Junior School division. Faculty members wives that have assisted at parties and dances have given graciously of their time and effort. They include- Mrs. B. Pumphrey, Mrs. J.W. Rees, Mrs. G. Oldham, Mrs. T.A. Siwicki, and Mrs. W.R. Nelson

A DAY AT THE JUNIOR DIVISION

A short pictorial story of study hall, drill,
television hour, and assorted routine.

"NEW LOOK" COMES TO MILLERSBURG

With the coming of late fall, the rock was finally laid and blacktopping completed just ahead of freeze-time. The above scene was taken in the approximate middle of town looking toward the Senior School campus.

With the close of school in May of 1952, bulldozers, tractors, dynamite and what-have-you of modern construction crews set to work widening the main street of Millersburg. As the project wore on-so did the tempers of the ordinary cool inhabitants. By August first, the above scene shows how much of the street had to be torn up to make way for the improvement.

This scene is taken from the Junior school corner looking toward town. Notice the complete absence of the stately Maple trees that once adorned the streets. Some folks say-"What price beauty?" Never-the-less it ranks as the biggest construction project since the first street was laid.

BUILDING
TORN DOWN FOR
NEW SCHOOL PROJECT

Pictured above is the stately Grade school building of the Millersburg public system that is now being torn down. A new one-story plant will be built. M. M. I. was located here from 1898 to 1920.
