The Sniper — 1955

Published by
THE ANNUAL STAFF
of 1955

Dedication

CAPTAIN RICHARD A. CHUBB, a man of calm and implacable dignity, who died suddenly in Louisville, Kentucky, on December 26, 1954. Personally, he possessed a rare serenity and a limitless patience. All who knew him were fiercely loyal; all who met him came away with admiring respect, and with devotion, we dedicate THE SNIPER of 1955.

Appreciation

Major Robert L. Turner, THE SNIPER wishes to express a deep felt appreciation to you as our Commandant for your loyal service and accomplishment concerning the Military Department. In acting far beyond your call of duty, we feel that you have performed the task extremely commendably.

COL. LESLIE C. BLANKINSHIP
SUPERINTENDENT

28 February 1955

The Cadet Corps
Millersburg Military Institute
Millersburg, Kentucky

Gentlemen:

Today, each man in our corps needs to realize his increased responsibility to God, to country, to family and to self. Because world events are sweeping us along at a deeper and a swifter pace than ever before, our need for the very best training we can get in all fields becomes evident. We now see the world divided into two ideologies. They may be called by any name, but we must know where we stand and why. Each of you may be called on to preserve the rights we hold dear. You have been trained for leadership and no effort has been spared to mold into each of you the highest standards of character and the strongest moral fibre. Be proud that you are a Millersburg man.

The foundations have been laid to prepare you for your destiny. You must have faith in the future for which you will now build. The cost to you may be high in time, money and sacrifice; but you can make of yourself whatever you may desire if you will but pay the price.

Very truly yours,

Leslie C. Blankinship
