Good-By

Soon we will be saying good-by
To all our senior friends.
We will part with a sigh,
As the year draws to an end.

During our senior year,
We've had loads of fun and joy.
We have something nice to remember
About each teacher, girl and boy.

We have had many good times
With this you will have to agree.
With all our parties, trips, and dances,
We have really had a spree.

We have all wanted to leave Paris High
With all its books and lessons,
But to leave our friends too,
About this we are not so anxious.

Class Night, Alumni Banquet, and finally Graduation,
At all these we were honored guests, you and I.
Many wishes, gifts, and congratulations,
After that it was good-by.

Yes, we have things to remember
Both you and I
About our friends and what we have done
And now, we say--Good-by.

Last Will and Testament of the Senior Class of 1956

We, the graduation class of 1956, County of Bourbon, City of Paris, and State of Kentucky, being of full age and of sound mind and memory, do make, publish and declare this to be our last will and testament, hereby revoking all wills by us heretofore made.

We hereby bequeath to the school cafeteria Jane Toohey's collection of sterling silver.

Anne Thompson leaves her water bombs to Frank Whalen.

Patty Leeds bequeaths her ability to come to school at 10:00 and leave at 2:00 to Bill Whitelaw.

Bobby Joe Slack's bequest is to leave his position as Senior Class Romeo to Ronald Harris.

Billy Pitts leaves 20 pounds to Kent Gaitskill.

A truck load of diamonds to anyone, is Jane Florence's legacy.

Rena Hinkson leaves her temper to Juanita Garrison.

Betty Fields bequeaths her Swedish accent to Larry Ransdell.

Kay George consigns her direct line to Norfolk, Va. to Beverly Hinkson.

Ann Morris and Larry Shriver leave together.

Utevia Minyard, the grandmother of the Senior Class, gives her rocking chair to Alice Gaunce.

Jackie Riggert bequeaths his job as treasurer of the Senior Class to anyone who wants it.

Belle Brent Ward devises Russell Kenney to Lee Renfrew.

John Stuart leaves Beth Davis but he is coming back to get her.

Marium Thomas bequeaths her ability to skip a year of high school and start college, to Joella Logan.

Anne Barnett will give a book of tickets to Danville to some lucky girl.

Betsy Talbott's legacy from Sue Ewalt is P. H. S. Good Will Ambassador to the Navy.

Betsy Doyle leaves her good excuses to get out of trouble to Sharon Jackson.

Paul Kendall gives his position as water gun confiscator on the Senior trip to Bill Ferguson.

Joe Manning bequeaths his ability to get along with Miss Hale, to Billy Jefferson.

Susan Day consigns her typing speed to Joe Lyons.

Carolyn Moore gives her freckles to George Wigglesworth.

Bobby Ricci leaves his job of ferrying the girls to Arderys to Dickie Brunner in his new Buick.

Lillard Shelley bequeaths his strange attraction to strange girls to Tommy Watson.

Sara Hyden and Emma Jean Shelburne leave their job of playing the piano at the rallies to Barbara Eads and Shirley Doyle.

Betty Hewitt Lair gives her ability to sell candy and hot dogs to the male members of the audience, to Eleanor James.

Lon McCord bequeaths his position as assistant all-sports coach to David Crump.

Larry Myers leaves his job of making up hours at 7:00 in the morning to Larry Ransdell.

Tommy Turpin leaves; Mr. Combs receives relief.

Harry Archbold is not leaving anything material to the Junior Class but rather leaving with this thought for his Senior year. It wasn't school he disliked, it was the principle of the thing.

Signed by the Graduation Class of 1956 and by them acknowledged to be their last will and testament in the presence and sight of all, and who at their request of the Junior Class have hereunto subscribed names as witnesses in the presence of each other, at Paris, Bourbon County, Kentucky, this 6th day of June, 1956.

WITNESSES: Mary Jane Lowry
Ronald Jerome Ogden

We make, nominate and appoint the Junior Class to be the executor of this will and testament, with full power and authority, in order that all the bequests may be given, and in order to carry into effect all provisions and purposes of this will.

Problems of the Future Democracy

Harry Archbold has just been elected the President of the United States. His platform contained: no Senior trip to Washington and women suffering.

Anne Barnett is now teaching dramatics at Centre College to be near the college boys.

Susan Day is now the new heavy weight boxing champion. She got her start in the halls of Paris High.

Betsy Doyle has just opened a new restaurant "Betsy's Kitchen" just across the street from the school for all students who don't like the food in the cafeteria.

Mr. and Mrs. Eddie Roe, the former Miss Kay George, have just purchased the Brennan farm on the Lexington road. They hope to have Brennan's Lane lighted before their ten children become teenagers.

Rena Hinkson is now teaching Grammar at Paris due to her excellent training under Miss Noland.

Cissy Hyden is now a veterinarian. She has quite a good deal of business taking care of Jane Toohey's and Joe Mac's cows.

Dr. Kendall has just moved from the Tardinal Building to a modern fully-equipped office over the Smokehouse.

Miss Patty Leeds has just opened a summer opera camp at her home in Nicholasville.

Betty Lair, the new Truant Officer at Paris High, is using her arguing ability to convince the principal and parents of all students who want to go visit their soldier friends in camp to do so.

Joe Manning is now the new manager of the Schines Theater but he isn't making such a success of it, because every 15 minutes he runs up and down the aisle screaming frantically for his cow.

Lon McCord is now coach at Paris High. He gained his invaluable experience coaching the great Hi-Y team of 1955-56.

Jane Florence received more from Duke than her Degree. She married one of its handsome young professors. They are now spending their Honeymoon on a bicycle trip of Europe.

Marium Thomas, now Mrs. Zed Layson, is teaching English at the school. Zed succeeded Col. Blankenship in his job. They have twelve boys.

Sue Ewalt has been continuing her role as Harry Edward's secretary. She likes it there in Washington because it's so near Bainbridge.

Mr. and Mrs. Russell Kenney have just journeyed to the World Fair where Mrs. Kenney, the former Belle Brent Ward, has been chosen the "cook of Ky."

Jane Toohey is rapidly becoming a millionaire. You know she patented a new style water gun. It shoots in six different directions.

Larry Myers is now considered Mrs. Roe's star boarder. He is very popular with the kids because he tells them an original bedtime story each night.

Utevia Minyard, who was married immediately after Graduation now has her hands full taking care of her family and driving the wrecker for Lucky's on the side.

Ann Morris, now Mrs. Larry Shriver, really has a job keeping up with her four boys, Lawrence, William, Francis, and Joseph and trying to run her Beauty Shop on the side. She always did like short hair!

Carolyn Moore is now professor of Accounting at U. K. She requires her pupils to have their work in months ahead of time.

Bobby Ricci has just become famous for his new book What I Know About Girls. Tommy Turpin purchased the first copy.

Jackie Riggert is now employed as Mr. Farris's assistant photographer and has recently been elected Treasurer of the Nurses Aide Association.

Lillard Shelley is now famous all over the world for "Lillard's Licorice" gum.

Larry Shriver is now the owner of Bond Cleaners. He specializes in "Cleaning While You Wait."

Mr. and Mrs. Bobby Slack, the former Miss Charlotte Boling, are the proud parents of twins, a girl and a boy. They have named them Patty D. and Gayle R. Under the Homestead Act the Slacks have recently staked a claim for their new home on T. B. Lane.

John Stuart is still a handsome Romeo after ten years of marriage. If Beth finds out she will break his neck.

Anne Thompson is research chemist in Covington, where she runs one large mill and four little mills. Her work is to make a new kind of Thornless rose.

Emma Jean Shelburne is settled down now in Florida taking care of her little Pattons. Yes, but she takes time out each year to send a telegram to the Seniors in Washington.

Betty Fields is now helping her Baker-man husband rebuild the Panama Canal. He has just received his engineering degree at Po Dunk, Illinois.

Ninth Grade

Here we come Senior High--but left behind are many happy memories of our Freshman Year.

We want to thank our teachers for their help and consideration, especially Miss Hunter and Mr. Davis, our homeroom teachers.

We are very proud of both our football and basketball players; but especially our basketball team. Through the help of our coach, Mr. Frank Bloss, we won seven out of twelve games. These boys in our class received football and basketball letters: Hunter Pipes, Hugh Crombie, Edwin Conyers, Jimmy Morris, Benny Fugate, Jackie Elvove, John Adams, Reggie Monson, Charles Martin, Jack Shout, and Carl Gaunce.

Our cheerleaders from the Freshman Class were Linda Boling, Tommy Buckner, and alternate Charlotte Boling.

Representing us at Richmond in speech contest were Fran Cordray and Eleanor Ardery. Eleanor was one of the few earning membership in the National Forensic League.

None of us will forget our Freshman Party. It was a real success because of the co-operation displayed by students and faculty.

We have enjoyed our Freshman Year and we are looking forward to our coming years in Senior High.

Seventh Grade

The Seventh Grade is really great
 As a stepping-stone to number Eight.
 Though we have had our problems too, -
 With the teachers' help, we've struggled thru.
 As for football and basketball too,
 We sometimes lost, but we're still true.
 Our lessons kept us away from the show,
 But that's how all the school days go.
 For the lessons we are ready,
 Knowing this job is always steady.
 On D's and E's we can't get by,
 So for learning, we all try.
 We try to make the honor roll,
 To reach the peak will be our goal.
 Mr. Downing is a top gym master,
 Teaches us how co-ordination avoids disaster.
 Teachers - Mitchell, Bloss, Purcell, Purnell,
 Will always rate with us as swell!!
