

THE SNIPER

THE 1957

SNIPER

*Compiled Annually by the
Members of the Sniper
Staff*

MILLERSBURG MILITARY INSTITUTE
Millersburg, Kentucky

The annual staff of '56-'57 proudly dedicate this Sniper to Major Robert L. Turner. His efforts have been untiring, his spirit and humor never failing, and to him, our favorite, we pay tribute.

APPRECIATION

THE SNIPER wishes to offer this expression of appreciation for the faithful service and fine instruction of Captain F. H. Hall.

He has been a devoted teacher and friend to those at M.M.I. His loyalty to the school, his sincerity, and his dependability have been evidenced in the fine and deeply appreciated services he has rendered beyond the classroom. For all of these the student body is deeply grateful and sincerely appreciative . . .

Captain Hall, we thank you!

Millersburg Military Institute
Millersburg, Kentucky

Gentlemen:

We have just completed a most successful year together. Your work has been outstanding in many respects. To those of you who brought your work to a successful conclusion, I want you to know I share your pride in knowing you have done your job well. As for those others who have known failure in some areas, I want you to know I share your disappointment. I hope you have gained strength and courage to go on to great success.

Every man controls his own destiny. You, therefore, can be just what you want to be. You can make of your life what you want to make of it, but there is a price to pay - in time, sacrifice and work. Now, while you are preparing you must learn to think without confusion, be honest with all men, first of all yourself, develop a sincere trust and love for your fellow man, and place your unyielding faith in God and Heaven. If you accomplish these things, your success is assured.

I wish for all of you success and all the good things in life that I am sure you want.

Sincerely,

Leslie C. Blankinship

Minutes of the First Meeting

The first student council meeting was held on the first day of the school year. The meeting was held in the gymnasium at 8:00 A.M. The secretary then called the meeting to order.

After this, Mr. Smith spoke to the students about the council. He said that the council was a representative group of the students and that it was responsible for the school. He also said that the council was a good example of a democratic organization.

Our new speaker, Mr. Smith, spoke to the students about the council. He suggested that we elect a parliamentarian to preside over the council. He suggested that we also elect a secretary to keep the minutes of the council. He suggested that we also elect a treasurer to keep the funds of the council. He suggested that we also elect a committee to plan the school year.

Carol Smith moved that we elect a parliamentarian, a secretary, a treasurer, and a committee to plan the school year. The motion was carried. The Keydets, though lacking in experience and material, did not lack in courage. This team won few but gained the high respect of its opponents. All facts considered, a fine job was done by both the coaches and the players.

Wayne Hill and Butch Ritchie did the scoring for the Bulldogs, each scoring two touchdowns.
Hill returned a M.M.I. kick 50 yards for the first marker and went over from the five for the second one.
Ritchie accounted for his markers in the third and fourth periods with short plunges.
The cadets looked good at times but they did not have the drive to carry them over for the marker. For the first game onlookers thought the cadets did very well considering they have only one starter returned from last year. Ten of the men on the team have never attempted to play football before.

Due to the fact that the track season will not be over until The Sniper has already been completed, it is impossible for us to give an accurate account of the year's final results. We have already encountered such state powers as Henry Clay, Lafayette, and Danville, and managed to give a good account of ourselves. The Keydets, led by junior Ed Vaughn and sophomore Paul Le Roux, have a strong chance of winning the C.K.C., which will be held on Rees Field. MMI also figures prominently in the State Meet.

The baseball squad, which in 1956 lost seven starters through graduation, is slowly being rebuilt by Coach Bolin. The team is largely composed of freshmen, sophomores, and juniors, who after a year's experience should be ready to accomplish the task of winning games.

Distinguished Willie Award

LT. COL. WILLIE BANKS; Whitesburg, Kentucky

Cadet Banks is given the school's first DISTINGUISHED WILLIE AWARD. This award can only be given to a cadet who has attended MMI for the period of four years. Bill (or Willie), an Eastern Kentuckian, has won this high honor because of his intense desire to accomplish absolutely nothing while attending this institution.

WE, OF THE SNIPER, SALUTE YOU 1/Willie BANKS

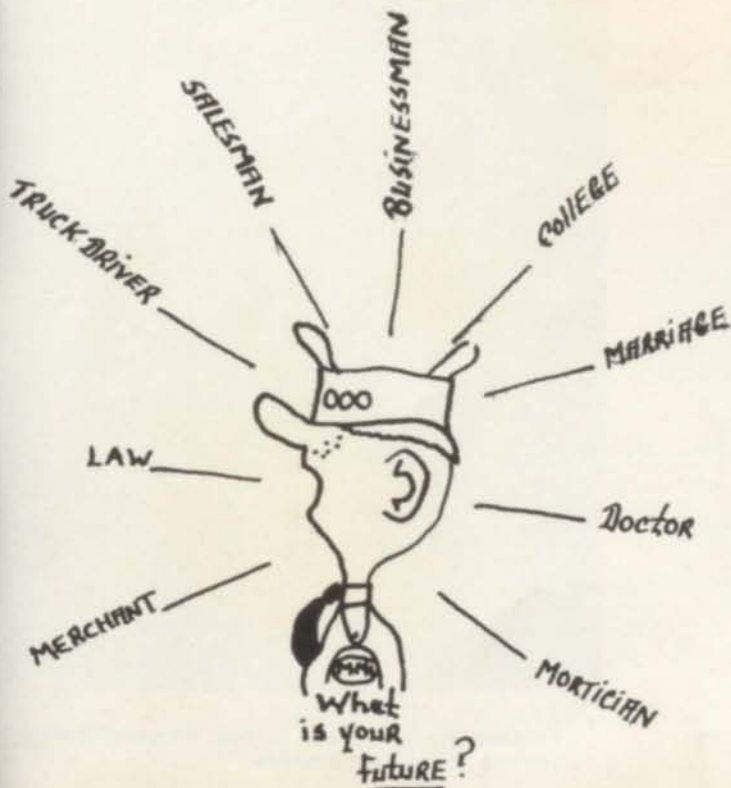

"See you around"

Who me.?!

Report Sheet

"Shut up, Vollertsen!"

WHO'S WHO AND THE TRUTH ABOUT THE MATTER

Question: Does Banks really have a wife and six kids?

Answer: NO! He's really a bigamist.

Question: Does Sayer really have a vocabulary or is he speaking English?

Answer: No one knows!!

Question: Did Lt. Bigham really buy his car on the installment plan or is he a millionaire in disguise?

Answer: Ask John Carter.

Question: Did Vollertsen and Sayer really buy the school station wagon from Witham last year?

Answer: Just because Mrs. Oldham is always asking them for the car keys.

Question: Was Capt. Hall really a member of the paratroopers, or is he just bluffing?

Answer: We refuse to give incriminating evidence against this man.

GUESS WHO???

Could it be Bob Russell and Ronnie George walking the floors of New Barracks?

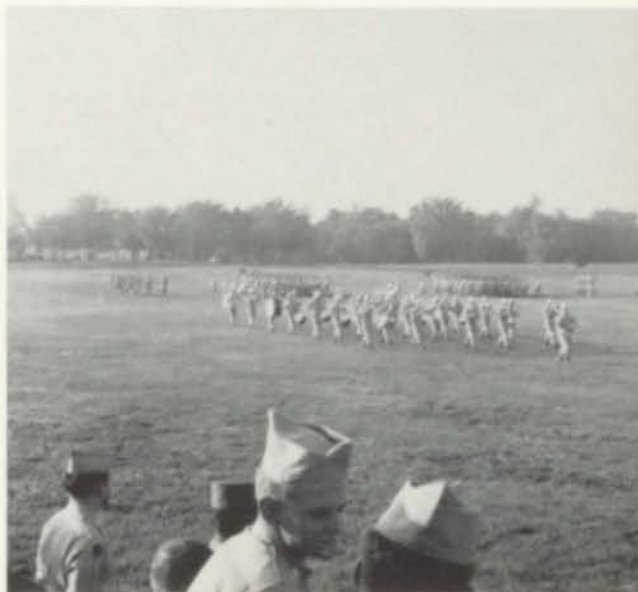

Of course we all recognize Bob (Pygmie) Philips as he stands at a rigid attention.
