A Company, M.P.'s, Band, and B Company will soon be filled to capacity for another year

It takes a little while for everyone to find out which direction he's supposed to be heading

But no one gets lost on the way to the mess hall.

The settling routine of claswork helps the new ones over the hump.

Before we know it, our first football game is pounding up and down the field.

"Hurry up, Miller. Somerset's already on the field. And don't forget those salt tablets."

# HOME- COMING

Chris Marco '60 signs in for the big day

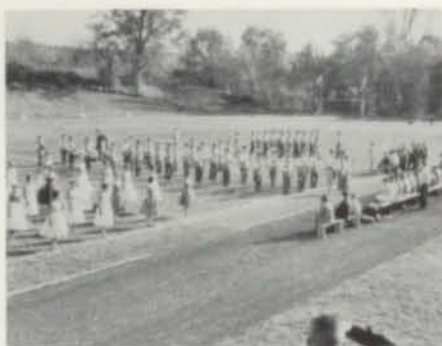

Ronnie '57 and Mrs. George got here too

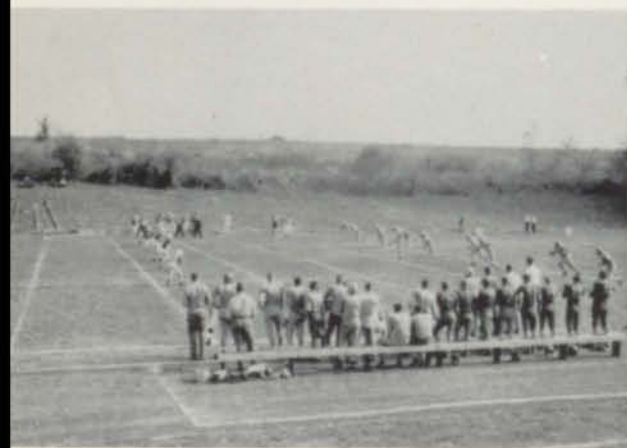

Thomas E. Maddox '46 and family

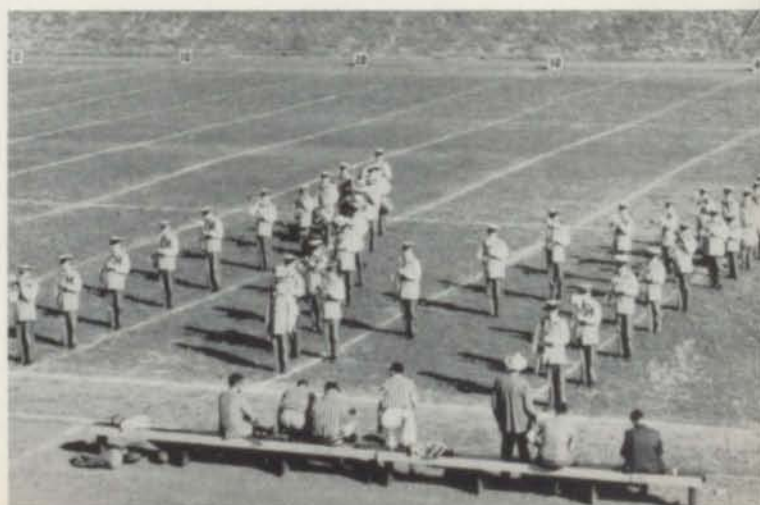

Piper, Pfansteel, Dodd, Carroll, Hopkins, and Lewman

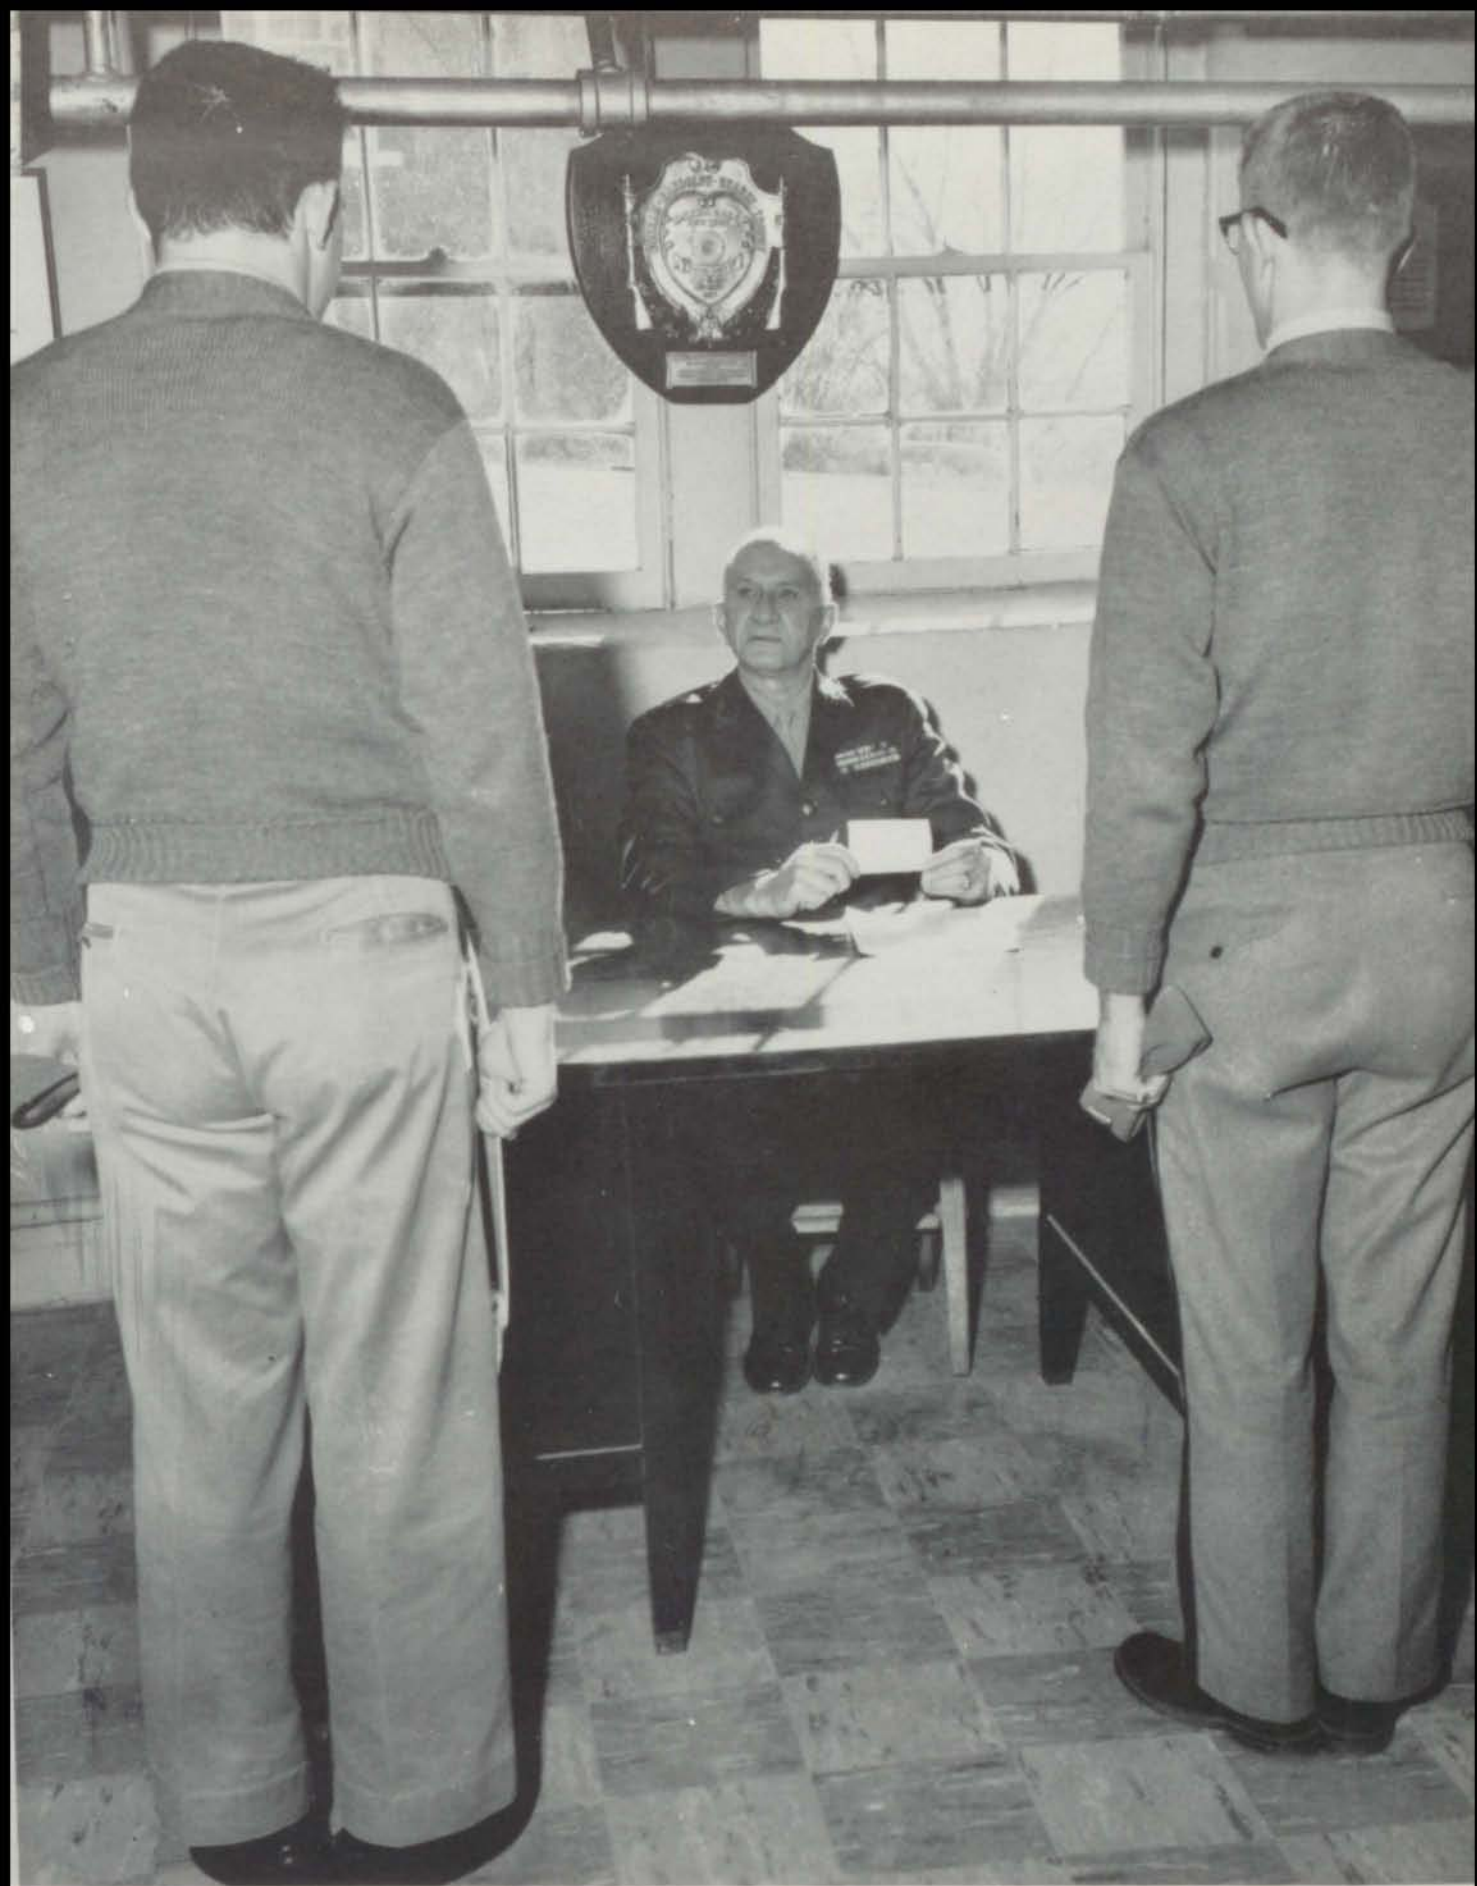

The band put on quite a show at half-time

No one will ever forget that tremendous second half  
THE BIG SANDY BOWL GAME

We were highly entertained by a professional hypnotist and his doll of a daughter. Mrs. Mellinger slipped into the role of Marilyn Monroe as naturally as if she had been born to it.

The hue and cry soon went up among the amateurs in the barracks, but we suspect that the boys "put" into trances had pretty much been that way for some time anyway.

Fall Leave, and the first time in almost three months that some of us were able to roam the home town streets again.

From Thanksgiving to Christmas, Memorial Gymnasium rang to the cheers for the basketball team

The rest of our winter sports, the rifle team, and the grunt-and-groaners, added more opportunity for participation and continued divertimento for the rest.

And almost before we knew it, we were getting ready to go home again for Christmas Leave.

Soon after Christmas we had to dig in for Semester finals.

Room study, above left, and extra help in the classroom, above right

Of course, there were some midnight oil burners too

Raymond Haynes and Branham thought they never would get that frog put back together again

# THE CAINE MUTINY COURT MARTIAL

A tough rehearsal schedule for three weeks and "George, when are you planning to learn your lines."

Branham did a fine job on the make-up

Maryk and Greenwald as portrayed admirably by Clyde and Chris

Keane did an excellent job as prosecuting attorney too.

Jon Craig as Willie Keith

Clyde as usual left nothing to be desired

But the ultimate in paranoid behavior was turned in by Schear

## HEADQUARTERS SECOND UNITED STATES ARMY OFFICE OF THE DEPUTY COMMANDING GENERAL FORT GEORGE G. MEADE, MARYLAND

19 MAY 1960

Colonel Leslie C. Blankenship  
President  
Millersburg Military Institute  
Millersburg, Kentucky

Dear Colonel Blankenship:

It is with the greatest pleasure that I inform you that the National Defense Cadet Corps unit at Millersburg Military Institute again has been awarded the Honor NDCC School designation for the 1959-60 School Year.

This award is given only to those units which have demonstrated the highest military training standards. This designation has been made possible through the joint efforts of you, your staff and your faculty, all of whom are to be commended for this achievement.

Please accept my heartiest congratulations on attainment of this Honor NDCC School designation.

Sincerely,

*Rinaldo Van Brunt*  
RINALDO VAN BRUNT  
Major General, USA  
Deputy Commanding General

Sock Hops were a fine thing. They served two needs: The need to see our girls a little oftener and legally and the need to fill the coffers of the Senior Class. We enjoyed them to the fullest, but we suspect that our chaperones, Mr. Rice, and several other teachers here plus those from Midway, didn't look forward to the occasions with the same anticipation.

It finally stopped raining long enough for us to get down on the track for a few meets. The looks on our faces show the pleasure that this exercise gave us.

*In the spring a young man's thoughts lightly turn to baseball and other forms of pitching*

Track and Field Day always comes as a great "surprise." No one likes to get his lessons ready for the next day if the weather man says the night before that it won't rain on the next day. It is a day looked forward to from the time the last snow melts away until we stagger into the mess hall for supper, tired, sunburned, but happy.

B Company swept the field this year with Myers in the lead.

We proudly dedicate the 1961 Sniper to Major James Ward Rees, otherwise known as "Cap" to the majority of M.M.I. cadets for nearly forty years.

He has been a devoted teacher and friend to those at M.M.I. His loyalty to the school, his sincerity, and his dependability have been shown in the fine and deeply appreciated services he has rendered beyond the classroom. For all of these, we the student body are grateful and sincerely appreciative.

Every night during the week, Cap can be found in his classroom ready to help anyone who comes for it.

For many years "Cap" taught chemistry here. It doesn't seem the same without him.

Every afternoon out on the field

Mrs. William Buckner painted "Cap's" portrait 5 years ago

Before many of the big games "Cap" arouses our spirits to the winning pitch

A wise counsellor and friend "Cap" is ready to listen any time

An indefatigable teacher, "Cap's" former students now have boys in school

The complete course of military instruction comprises four years, designated MI-1 through MI-4, with 160 hours of instruction per academic year to make graduates eligible to receive training credit in the Senior Division ROTC as prescribed by AR 350-250. In effect, colleges and universities that require basic senior ROTC instruction for two years will recognize a completed course of military instruction at M.M.I. as equivalent to first year basic in the Senior ROTC program. Thus, military training for our graduates begins at the second year level in such colleges and universities.

The objectives of this program are:

To inculcate habits of orderliness and precision, to instill discipline and thereby respect for constituted authority, to develop leadership, to foster patriotism, and to encourage a high sense of personal honor and deportment.

To give the student elementary military training which will be of benefit to him, and of value to the nation if and when he becomes a member of the Armed Forces.

To develop an appreciation of the Army, Navy, and Air Force, and their roles in the national defense and to inform all students of the opportunities for service therein.

## THE MARCHING BAND

The Cadet Band forms a **complete** military unit. One entire dormitory is assigned to house band members and the music department. Under the direction of Captain E. S. Thompson, this organization has developed into one of the recognized music organizations in the state. In the fall of 1960, the M.M.I. Band played concerts at Hendersonville, Asheville, Charlotte and Winston-Salem, N. C., and in Danville, Virginia and Johnson City, Tennessee. This tour was conducted during the Thanksgiving leave so that no time was missed from academic classes. Several records have been made, and spring tours took the band to Western Kentucky, Indiana, Ohio, and New York.

## THE DANCE BAND

This group, made up of boys from the Military Band, plays for all school dances. They are also much in demand for dances in other schools and country clubs throughout the state.

## THE STUDENT SENATE

Front row: Frank Ethrington, Jim Chasteen, Clyde Richardson, Billy Blackburn, Chris Larsen, Raymond Cameron, and Nick Ladenburger.  
Second row: Frank Longano, Bob Rashi, Ted Poe, Hugh Hayes, Harry Sipple, and Jerry Carroll.

Believing that the students and faculty should cooperate in the school discipline, and in the various pursuits, interests and organizations of the school, a Student Senate is formed each year for the purpose of meeting the above needs. Each class elects its Senators as follows: four from the senior class, three from the junior class, two from the sophomore class, and one from the freshman class. These picked men meet regularly each week, either by themselves or with the president, for the purpose of discussing all matters pertaining to school life. This organization's success depends upon the loyalty, truthfulness and honesty of each member. To be a member is the highest honor.

## THE HONOR COUNCIL

Left to right, front row: Jim Myers, Jim Chasteen, Clyde Richardson, Skipper Manning, Chris Larsen, Ted Poe, and Jack Conway.

Second row: John Phelps, Will Henry, Dick Mitchell, Jae Reed, Jim Johnston, Ronald Eudaly.

The school maintains an Honor Council consisting of fourteen students and a faculty advisor. The student members are nominated by the faculty and elected by the student body. The duties of the Council are to investigate acts of dishonesty, cheating in class, and other matters of honor among the students. Meetings are called only when necessary and infractions of the rules are reported to the faculty. The Council does a good job of fostering a more wholesome spirit among the students and has encouraged better ideas of right and wrong in the school.

The National Honor Society of Secondary Schools has established the Millersburg Cadet Chapter at the school. The society fosters character, scholarship, leadership, and service; and Cadets of the junior and senior classes are chosen by the faculty for membership.

EVER SINCE THE DAYS OF THE FIRST GREEK OLYMPIC GAMES, ATHLETIC ENDEAVOR HAS BEEN HELD IN HIGH ESTEEM BY ALL PEOPLES. THE EXCITEMENT OF A CONTEST OF STRENGTH, ENDURANCE, AND SKILL IS PERHAPS UNEQUALLED IN ANY OTHER FIELD. IT PROVIDES A UNIQUE STIMULATION TO BOTH FAN AND PLAYER WHICH ENABLES HIM TO APPRECIATE THE ACCOMPLISHMENTS OF THE HUMAN BODY. TO SOME PEOPLE, SPORTS ARE A PLEASURE; TO OTHERS THEY ARE A BUSINESS. BUT ONE THING IS EVIDENT. SPORTS KNOW NO BOUNDARIES, FOR THEIR APPEAL IS UNIVERSAL.

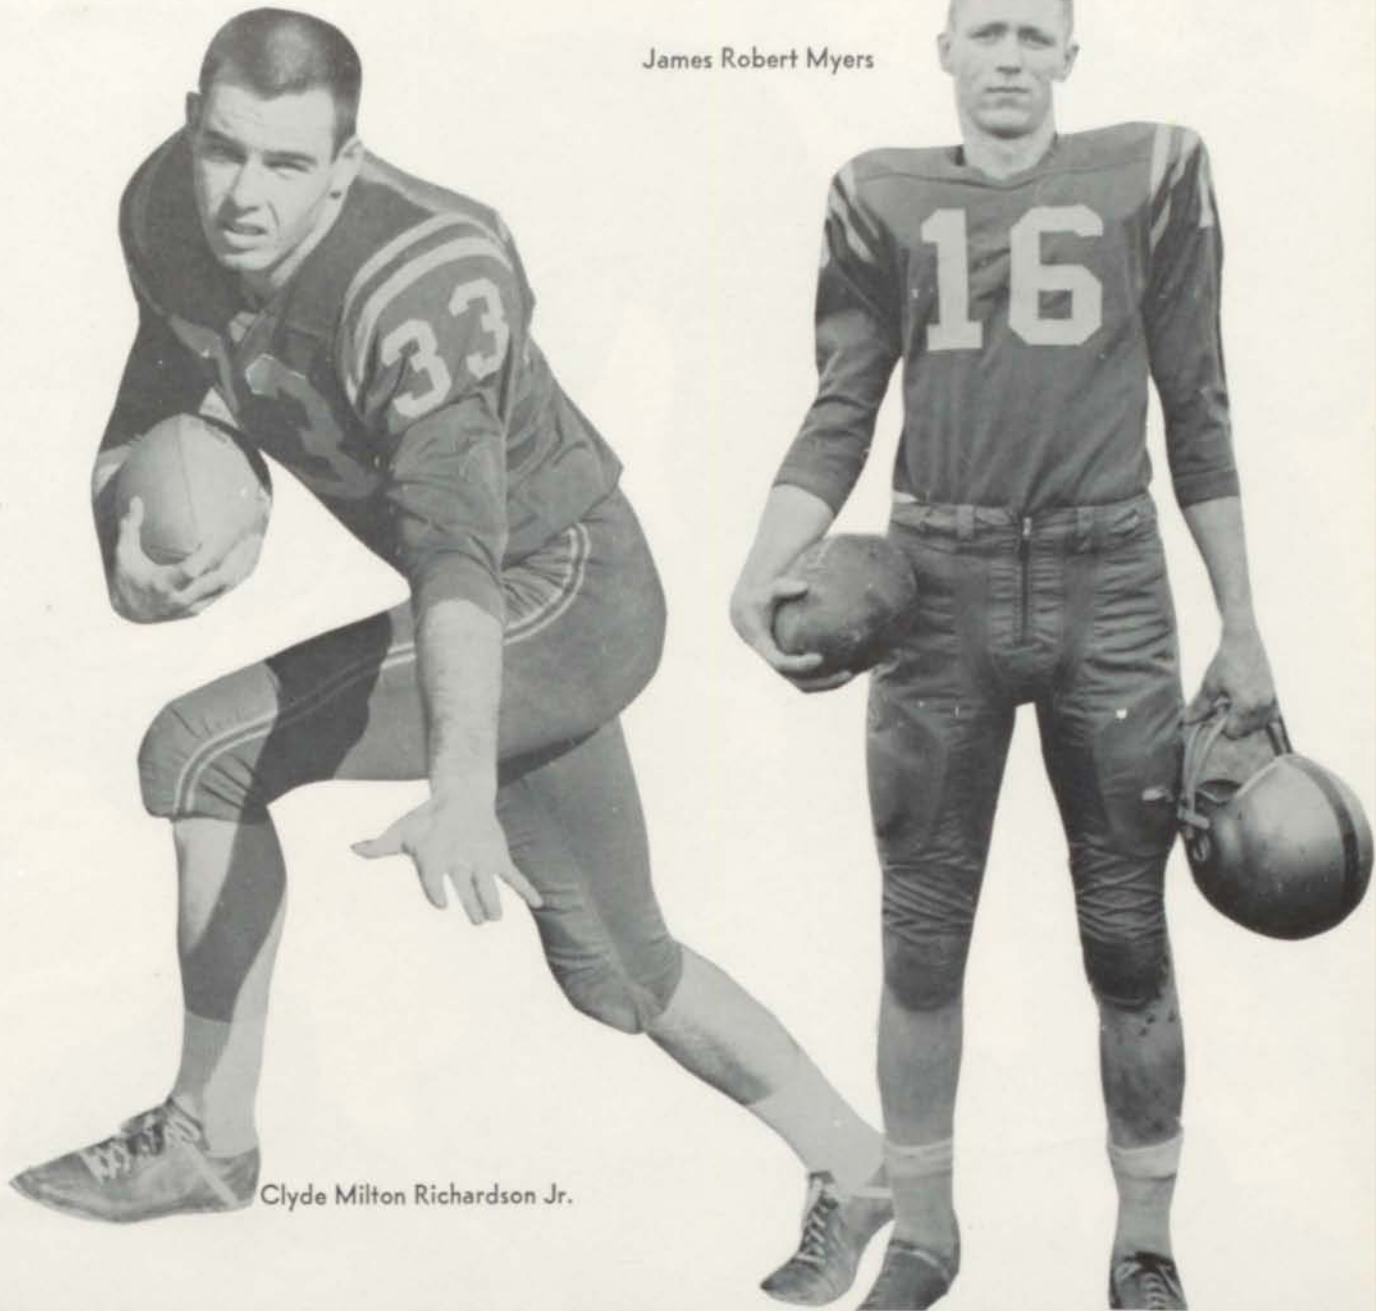

HERE AT M.M.I., ATHLETICS PLAY A BIG PART IN THE EVERYDAY LIFE OF A CADET. WHETHER IT BE THE BIG BOWL GAME OR AN INTER-COMPANY COMPETITION, THE CADET HAS A DIRECT INTEREST. HIS OPPORTUNITIES TO PARTICIPATE IN ATHLETIC ACTIVITIES ARE VAST, AND HE WILL BE SURE TO BENEFIT FROM ANY SUCH PARTICIPATION.

WHAT EXACTLY IS MOST BENEFICIAL ABOUT ATHLETICS IS HARD TO SAY. IS IT THE ELEMENT OF COMPETITION, THE DEVELOPMENT OF A FIERCE, AGGRESSIVE SPIRIT, THE DESIRE TO WIN? OR IS IT THE FOSTERING OF A TEAM SPIRIT, A WILLINGNESS TO WORK TOGETHER? MAYBE IT IS THE PHYSICAL CONDITIONING THAT COMES FROM COMPETITION RESULTING IN BODILY STRENGTH AND STAMINA. IT IS PROBABLY A COMBINATION OF ALL THESE, FOR ALL THESE HELP TO CREATE A BETTER PERSON. THIS CREATION IS THE GREATEST CONTRIBUTION THAT SPORTS HAVE TO OFFER.

WE PAUSE NOW TO SALUTE THE ATHLETES AND TEAMS WE HAVE SEEN AT M.M.I. WE SALUTE THEM BECAUSE OF THE DIVERSION THEY HAVE BROUGHT, BECAUSE OF THE ENJOYMENT THEY HAVE GIVEN. WE SALUTE THEM FOR THEIR VICTORIES, EVEN FOR THEIR DEFEATS. WE SALUTE THEM BECAUSE WE BELIEVE BETTER MEN ARE MADE BECAUSE OF THEM.
