Dedication

Mr. William B. Reed

We, the Senior Class of 1968, dedicate our yearbook to a man who has been in the teaching profession for a long time. For twenty-five years, he has worked ceaselessly to help cultivate the minds and mold the spirits of countless students. We realize what an awesome yet rewarding task this has been, because a teacher as dedicated to his profession as Mr. Reed finds much satisfaction and little regret from his life time work.

HOMECOMING QUEEN

Mimi Sadler, a blond, blueeyed senior, was chosen as the 1967 Homecoming Queen. Being chosen on her personality and her outstanding popularity with the Paris High Senior Class, she personifies the grace and beauty that is characteristic of a queen.

As the winters come and go, they leave behind some scenes of beauty that show their effect upon our world. This winter has been no exception. We have tried to recapture some of this beauty through pictures in order that our readers may behold the beauty that we have been able to see.

Fine Arts Center

The latest addition to the building program at Paris High School is the new Fine Arts Center completed in the spring of 1968. This fine new building includes a cafeteria and an auditorium which seats 518 and can be used for programs by the entire community. The building was dedicated later in the spring when the Music Department, under the direction of Mr. T. A. Siwicki presented its annual Spring Concert. We hope that this new Fine Arts Center will be a cultural center for the school and the community in the future.

Beta Club

Club Members

Club Officers

The motto of the Beat Club is 'ducamus alliis serviendo,' 'let us lead by serving others'. The Paris High Beta Club has served in many ways, sending clothing to institutions, working with the Red Cross, and sponsoring College and Career night at Paris High School. The club also has sent books to Viet-Nam and has sent Care packages abroad.

Members of the Paris Beta Club have spoken on the radio, during election year, to encourage voting. They have sold tickets at ball games, and have ushered at both commencement and baccalaureate.

Most of the time and energy of the Betas has been put into the Red Cross program.

The Paris Beta now has established a Junior High Beta Club. We initiated twelve new members into the high school chapter.

The 1967-1968 officers of the club were: Kathy Goode, president, Jimmy Lovell, vice-president, Nancye Speakes, secretary, and Mary Alverson, treasurer.

Speech Club

Officers

Another successful year of work has been completed by the members of the Speech Club, under the direction of Mr. Rose. We were represented at eight speech meets--including the regional, state and NFL district tournaments. One play was presented at the Regional Drama Festival.

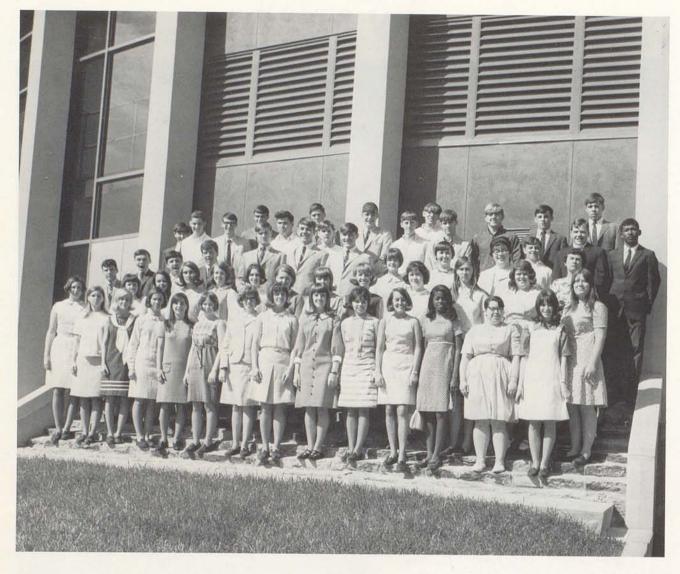

As a result of the competition, students earned a total of eight trophies, and five members were added to the National Forensic League. Four NFL members received degrees of honor, and one degree of excellence was awarded.

The club's activities were financed by the proceeds of several bake sales and the sale of Paris High pens.

The 1967-1968 officers of the Speech Club are: Nancye Speakes, president, Mary Margaret Kenney, vice-president, Kathy McClain, secretary, John Grubbs, treasurer.

French and Spanish Club

The French and Spanish Club has met once a month for the school year. These meetings were planned by the students under the direction of Miss Besty Brooks Woodford. Games were played at most of the meetings except at two when the club had speakers. In September Jimmy Lovell showed slides of his trip to Europe and in March Mr. Barfield showed slides of his trip to Mexico.

F.H.A.

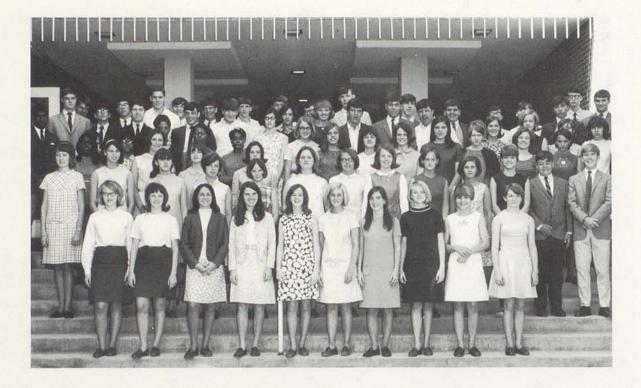

The Paris High chapter of F.H.A. has had a busy year. Charlotte Bills and Linda Harney took active parts in the fall and spring district meetings. The club made mum corsages for the Homecoming football game. They had a Hobo party for the initiation of new members. The Bourbon County Garden Club gave a program of 'Christmas Ideas' for the F.H.A. members. At this time the girls entertained the visiting club and their mothers with a tea.

A style show of garments made in Home Ec. was given on May 13th.

Up, Up, and Away

Our fearless leader!!?

We're off . . . almost!

Oops! . . . It won't fit!

Our Band in Florida

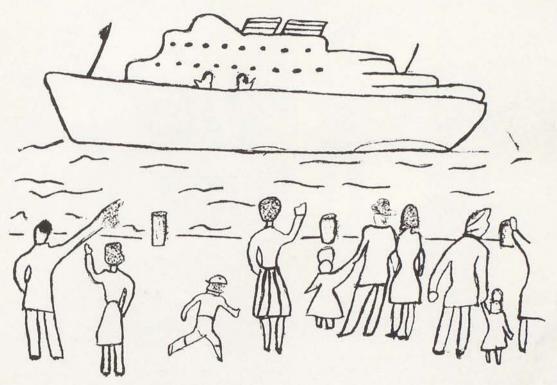

This past year, the Paris High School represented the state of Kentucky in the annual Parade of the States held at St. Petersburgh. This was the second time our band was picked for this honor. As usual we came up with a fine showing, the tradition of Paris High. Also this year was a year of constant superiors for our great musical department in all their endeavors. Who knows what will be the next achievement and honor to come in the next few years with Mr. T. A. Siwicki as the fearless Leader of the band and choral group?
