The days of "Slicky-Slicky"
are gone and with them the era of a cadet-
A cadet who, though a soldier, was still a part of the "Long
Grey Line."
A cadet who, by his own admission, had walked the "Area"

ough to travel twice cross-continent.

Where has he gone? This pipe-smoking, yard-stick swinging,

ess player who ran a class like a boot camp with a resounding
"RE-port!"
He was all of this--and yet--
He was still a cadet who could, when he felt the need,
remember and pass on old tricks he had used to make the way
little smoother, the problem a little shorter, the day a
little brighter.

Where has he gone?
If there is a place of rest of ever-searching, ever-learning minds
--he has gone there.
If there isn't such a place then he has gone off to start
studying a new subject--
A study of infinity.

The facets of a cadet’s life at Millersburg Military Institute are many--The school’s machinery is, of course, found in its ADMINISTRATION and FACULTY. SENIORS work diligently during their last year of high school, while UNDERCLASSMEN acquire knowledge and new skills. The cadet becomes a leader through various ORGANIZATIONS while school spirit is evident with cadet participation in SPORTS. Each cadet should proudly look back at THE YEAR 1968 with a sense of achievement and fulfillment of the challenge which M.M.I. has presented . . .

. . . In 75 years many cadets have made history here through personal accomplishments . . . what was the “long gray line” like in 1893? . . .
1893—Colonel Carl Meade Best Establishes

The Millersburg Training School for boys was started in 1893 by Co. C. M. Best in the old Kentucky Wesleyan Building across the street from the present campus. Until 1898 the building was owned by the Methodist Church and the school was connected with the church.

In 1898 the building was purchased by Col. Best and the first boarding students were taken. The school then became Millersburg Military Institute.

Col. C. M. Best, the founder and principal was a native of Virginia, a distinguished graduate of V.M.I., and did graduate work at John Hopkins University. In 1900 he had accumulated 17 years of experience in the field of education and school administration.

A barbecue was held in the summer of 1899 and the proceeds were used to purchase eighty swords, Whitney breech-loading rifles and a full supply of accoutrements. This was termed as fine equipment as was possessed by any school in the South.

The enrollment on June 12, 1900, was eighteen students, four of which were graduated. The cost of an entire scholastic year was $400.
A graduate of Millersburg Training School was qualified to enter the Junior Class of any college in Kentucky. The school was designed to give thorough preparation for colleges and universities and for the "practical business of living."

The merit of the military feature of the school was described by explaining that "the value of such training must be apparent at a glance; it trims away the awkwardness of youth; teaches the restless to stand still and keep their hands in the right place; cultivates love of order and system and makes even stern discipline attractive. Fortunate is the boy who early learns such lessons, upon which depends so much happiness, usefulness and success in after life."
In the spring of 1920 Col. Best announced his resignation. The old school building was sold to Bourbon County for use as a public high school. Classes were held one more year in the old building. In the spring of 1921 interested persons from this area held a meeting of incorporation and formed a board of directors. The school then moved across the street to the old Allen house. Moffet Hall and the present athletic field were constructed. Two years later Rankin Hall, the academic building, and a gymnasium (which later became the old mess hall) were added.

The school prospered under the new administrative head, Col. W. R. Nelson. In 1926 improvements were made on the athletic field and the concrete grandstand was added.
From the beginning in 1893 M.M.I. maintained a school for boys in the age group of 13 to 20. The need had long been felt for a department for younger boys, yet separate from the older Cadets. Their opportunity came when Millersburg College closed in 1931. The first younger Cadets were enrolled in the fall of 1931 with a student body of 30. Thus the Junior School of M.M.I. became an integrated part, yet separate department of the school, accommodating grades one through eight inclusive.

Kamp Kaydet was established in 1934 as a solution to the problem of keeping boys occupied during the summer vacation. This camp was purely recreational and had all the equipment of the Institute at its disposal.

The camp was situated on 16 acres on the Kentucky River about seven miles west of Versailles, Woodford Co., Kentucky. It was disciplined so that habits of promptness, self-reliance and respect for authority were learned.
In 1943 MMI passed its Golden Anniversary without the pomp and ceremony deserving of such an occasion due to the all out effort given World War II.

During the war MMI started construction on a new gymnasium dedicated in 1946 to the memory of the Cadets of MMI who died during the war. Miller Hall was also built at this time.

Physical training was conducted regularly in the new gym.
DURING THE WAR YEARS THIS BUILDING WAS USED AS A RIFLE RANGE

MMI did its share in World War II; it not only bought Government Bonds on several occasions but also more than 200 MMI graduates fought during the war and most of them held ranking positions.

For many years there was an outpost on top of Rankin Hall for the purpose of identifying any airplanes passing overhead and telephoning the results into Headquarters. The operation was suspended on completion of the Defense Early Warning System.

Also at this time an old used chicken coup was brought to the campus from downtown Millersburg and was modified into a rifle range. It has since been changed and is now the home of Mr. and Mrs. Stephens.
During the 1950's MMI developed into the school we know today. No new buildings were added and no major changes made, just the smoothing out of the entire system.

FIELD DAY, MID 1950's

MILLERSBURG MILITARY INSTITUTE

CADET COL. CORRELL AND SPONSOR, NOW MRS. CORRELL

MMI was designated a National Defense Cadet Corps in 1948. Under the skillful leadership of the late Lt. Col. Pope Blackshear, MMI received an NDCC Honor Rating ten years in a row.

FLAG DRILLS WERE A SPECIAL FEATURE OF FIELD DAY IN THE 50's.
Millersburg Military Institute is now in its 75th year and still stresses the development of an individual's physical and mental character.

In 1953 Col. Nelson retired after 33 years at MMI and Col. Leslie Blankenship replaced him in this capacity. He proceeded along the same program as before with only a few minor changes. In 1956 the athletic field was again improved and then dedicated as Reese Field in honor of "Cap" Reese.

In June of 1962 Col. Blankenship resigned to start his own military school and Col. Haynes began his tenure of office.

The need for a swimming pool at MMI has long been felt. Late in 1963 a large fund raising campaign was started. Things were going quite well until Sept. 30, 1963 when the old mess hall burned down, a shocking event in our school's history. The funds raised for the pool and a generous gift from the Gamble Bros. (of Procter and Gamble) were used to construct Gamble Hall, our present dining facilities.
For many years, cadets have, by tradition, saluted the rose granite honor star located in the sidewalk to the gym. When a cadet salutes, he is honoring all those M.M.I. graduates who gave their lives in the Second World War.

In making the building symmetrical, another plaque of the same size was placed on the other front wall of the gym. This plaque, though rarely seen, contains these moving lines:

In memory of the former students and teachers of M.M.I. who gave their lives and fought for the preservation of the noble ideals and aspirations of mankind in W.W. II. "Greater Love Hath No Man Than This, That A Man Lay Down His Life For His Friends" "On fame's eternal campground Their silent tents are spread, and glory guards, with solemn round, the bivouac of the dead."

"Ulysses"
Colonel W. D. Haynes has served Millersburg Military Institute with great dedication for 6 years. He is a person of high reputation with an outstanding record, having been affiliated with the finest preparatory schools in the South for 40 years. He is listed in the "WHO'S WHO OF AMERICAN EDUCATION, and has served as administrator, instructor, coach, and principal during his career. Col. Haynes is to be commended for his fine service to youth over the years. The Colonel received his Bachelor's degree at Carson-Newman and his Masters degree at the University of Tennessee, doing his graduate work at the University of Virginia. The Faculty and cadets wish Colonel and Mrs. Haynes the best wishes for a happy retirement. Colonel and Mrs. Haynes plan to move back to their home in Sweetwater, Tennessee, where the Colonel hopes to engage in much reading, gardening, travel, and fishing.
New to the faculty last summer is our dean of academics, Bob Barlow. Mr. Barlow graduated from George-town College with an A.B. in Economics and Physical Education, and an M.A. in Administration. He has proved himself an excellent coach in leading the basketball team this season. Mr. Barlow is greatly interested in all types of sports and shows a genuine talent of them. He is well known as teacher of Math I and II, Business Law and Economics, and Advanced Government.

Colonel F. H. Hall is one of the most active and intellectually refreshing member of the MMI faculty. Sen­iors take a unique English course under "Kern" which is taught on a Freshman College Level. With his constant thirst for knowledge and a sincere dedication, Kern causes English literature to come alive, making each day in his class a new and exciting experience. Kern also instructs "die Studenten" in both German I and II. Colonel Hall disciplines cadets, when not busy in the classroom, as Battalion Commandant. He is re­pected and admired by all cadets. He secured his M.A. and B.A. degrees from Defiance College and Ohio University, and has educated students for 12 years, having taught one year at Ohio University and 11 years at MMI. Kern's hob­bies include woodworking, sailing, tennis, fishing, hunting, hiking, climbing, books, American Art, and music.

Troubled cadets bring their problems to Capt. William A. Stephens, Sr. school guidance counselor. Known to cadets as "Doc," Capt. Stephens also teaches Sopho­more English and Civics. In his extra time, "Doc" enjoys reading, fishing, trap shoot­ing, and antiques.
Mrs. Jerry Lee Krause is M.M.I.'s efficient chief secretary. She majored in business administration at Marshall College in Huntington, West Virginia. Her favorite hobbies include sewing and non-violent sports. She describes her stay here at M.M.I. as "most enjoyable".

Mr. Norman Duncan is our efficient business manager. When not involved with dollars and cents, he enjoys water-skiing and boating on the Kentucky River or at Cumberland Falls State Park. He has enjoyed very much his many years of work at M.M.I.

Miss Fanny Laura Cleaver records M.M.I.'s finances as bookkeeper. Miss Cleaver has a remarkable ability for remembering cadet's names and is familiar to all cadets, as she hands out that vital part of campus life, allowance.
Sewing on patches, buttons, and lengthening pants are the responsibilities of Mrs. Geneva Jennings, who also manages M.M.I.'s P.X. Mrs. Jennings has served cadets for many years, and is certainly a necessary part of the M.M.I. campus. She is to be commended for her tireless efforts over the years.

Mrs. Geneva Jennings, housemother

Mrs. Geneva Parrish, R.N., is M.M.I.'s dedicated nurse. We are very fortunate to have her. She is a great comfort to those who are under the weather. She received her training at Ky. Baptist Hospital in Louisville, Ky. Her activities are bridge, reading, and Church. Mrs. Parrish appreciates the respect which cadets have given her during her twelve years at M.M.I.

Mrs. Geneva Parrish, R.N.

The true spirit of M.M.I. is shown in one of the most outstanding members of our faculty, Major J. Ward Rees. Affectionately referred to as "Cap", Major Reesteaches Latin I,II,III,IV, and civics classes. "Cap" has nearly fifty years of service to M.M.I., taught history, geometry, latin, french, chemistry, physics, and trigonometry. "Caps" Rees has a golden sports record rarely attained by any coach. He has coached Basketball, Baseball, Track, and Football; in 1927, coached the state basketball championship team here at M.M.I. "Cap" received his training at Ky. Wesleyen College, which was once located on the original grounds of M.M.I. He also attended Notre Dame, Michigan, Wisconsin, and Northwestern Universities, receiving his M.D. in Physical Education and Science. Not only does "Cap" believe in building the mind and body, but he also emphasizes the spiritual part of man. "Cap" attends church every Sunday, and is an ideal for every cadet. Cadets will always look back on their classes with "Cap" with vivid memories—one can not easily forget that bat or "Cap's" unique impersonation of Knute Rockne or his stirring and moving pep talks before a sports event. "Cap" Rees describes his fifty years at M.M.I. in the following way: "Been a little tough . . . a little happy . . . and a little rough . . . "

Major J. Ward Rees
Lt. Col. Carnett L. Oldham

Cadets in the junior and sophomore English classes are instructed by Captain John R. Steele who attended Notre Dame and graduated from North Central College with an A.B. Capt. Steele is well known among the Cadets and faculty for his generosity of lectures to Cadets who have broken the laws of his classroom.

Captain John H. Morton is instructor of both the junior and senior schools' bands and choruses. He also teaches classes in general music and music theory. Capt. Morton received his BME (bachelor of music education) at Murray State University. He enjoys hunting, fishing, coin collecting, and golf. He is also intrigued by Indian artifacts which he has collected from many area farms.

Lt. Col. G. L. Oldham teaches cadets about all facets of life in his Biology I and Advanced Biology and History at Western Ky. University and has been a devoted instructor here at MMI for many years.

Col. Oldham is a member of the National Association of Biology Teachers, the American Institute of Biological Sciences, the Kentucky Civil War Round Table, and the National Science Teachers Association. Col. Oldham says, "It has been a satisfying experience during my years at MMI to teach many boys who have achieved success in medicine, law, ministry and Teaching."

Capt. John Steele

Capt. Charles W. Tanner

Capt. Charles W. Tanner instructs Spanish, World History, and World Geography. Capt. Tanner holds a Bachelor of Divinity degree. Cap's favorite avocations are wood working, sports, and farming.
Capt. Roland Haun

Mr. Jon Shuler instructs Geometry, Algebra and General Math. A graduated cadet Captain of the United States Military Academy, he received his B.S. degree in engineering there. Mr. Shuler has served M.M.I. well this year, and is leaving us to enter the Ministry.

Capt. Ronald Case

Captain Ronald Case received his B.A. degree in science and math from the University of Ky. He instructs the Chemistry and Physics classes and coaches the rifle team at M.M.I. Cadets will never forget his assistance in their "distillation" projects this year.

Mrs. Mary Tom Haun teaches cadets the art of proficient typing. Mrs. Haun attended the University of Southern Mississippi where she received a Bachelor of Music degree in violin. Her interests range from music to camping and traveling.
Coach Eugene Correll has served the MMI sports department well this year. Coaching football, basketball, and track, Mr. Correll was once an MMI athlete himself. He received his B.S. in physical Education and art at Eastern Ky. University.

Granville Joseph is the head of our esteemed mathematics department. He teaches Calculus, trigonometry, Algebra I and II. He holds a B.S. in physics and mathematics from Morehead State University. Mr. Joseph is interested in all of the major sports, especially baseball and Pro-football. He also enjoys reading non-fiction books and studying philosophy.

Mr. Joseph Clark received a B.A. in English and French at the University of Kentucky. His interests range from horse back riding to his fiance. Mr. Clark claims he has "thoroughly enjoyed knowing the seven boys that have been in my only class." "MMI and the boys here are fascinating."

Mrs. Margaret Osborne Taylor stands guard over the MMI library. She also instructs the hula I and II classes, underwater basketweaving, and elementary sabotage. Mrs. Taylor also taught a group of cadets the art of playing Bridge this year. Mrs. Taylor received an A.B. at Georgetown College in English, with a minor in Home Ec., and earned her library certification at Eastern Ky. University.

The second semester evening French class is taught by Joseph T. Clark. Mr. Clark received a B.A. in English and French at the University of Kentucky. His interests range from horse back riding to his fiance. Mr. Clark claims he has "thoroughly enjoyed knowing the seven boys that have been in my only class." "MMI and the boys here are fascinating."
Major James Patrie Locklear, Senior Army Instructor of the junior ROTC military science courses, has taught here for 2 years. He received his B.S. in industrial management at Georgia Institute of Technology. Major Locklear has several hobbies, including golf, swimming, and rifle marksmanship; and is extremely interested in military history and soldiery. Major Locklear says that relating his experiences at MMI requires "The wisdom of Solomon and the oratorical ability of William Jennings Bryan."

The cadets sincerely wish Major Locklear and Sgt. Spring the best of luck in their tours of duty in South Vietnam next year.
Mrs. Gordon Betts housemother at the Junior school has been faithful there for many years.

Colonel Gordon Betts, Principal

Colonel Betts received his B.A. degree from Ky. Wesleyan College. He teaches Freshman Algebra at the Jr. School. An M.M.I. graduate, he has served faithfully in his long affiliation at our school.

Mr. Gordon Crawford instructs junior school cadets in the ABC's of English. He also serves as the junior school nurse, and is renowned for his hypodermic needle. Mr. Crawford received his PH.B. degree at Kenyon College.

Mr. Ira Gayheart instructs junior division English, Geography and Reading classes. He received his B.A. from Morehead State University.

Mr. Richard T. Jacobs, teacher of general science and math at the junior school, has been a veteran teacher for 46 years. He received his B.S. in science from Eastern Kentucky University.

Working at the Junior School as librarian and secretary is Mrs. Linda R. Morton. In addition to serving in these capacities Mrs. Morton is kept active in making preparations for MMI's social functions as co-social director. She also sponsors the Sniper Staff.

Mr. Richard T. Jacobs, teacher of general science and math at the junior school, has been a veteran teacher for 46 years. He received his B.S. in science from Eastern Kentucky University.

Teaching, math, reading, and spelling, civics, and history at the Junior School is first-year teacher Dwaine Bruce. He received his B.A. in Business and Physical Education at Georgetown College.

Mr. George Barber molds "little minds" at the junior school by teaching Civics, Science, Reading, and Spelling. His A.B. degree is from Morehead State University, and his hobbies are fishing and golf.

Mr. Kirk supervises Junior School Physical Education.
Mr. Alvis R. Rochelle teaches eighth grade science and social studies, sixth grade social studies, and coaches the seventh and eighth grade basketball team. Mr. Rochelle holds a B.A. in Business Administration and Education from Vanderbilt University and a M.A. from Methodist Trinity University. His hobbies are fishing, bridge, camping, golf and hunting.

In Memoriam...

M.M.I. lost one of its kindest, most dedicated and most sincere individuals with the sudden death of Mrs. J. Ward Rees last January. Known for her kind, sweet smile, and a pleasant word for each cadet, Mrs. Rees left her Christian name both in the Church, which she served diligently, and in our school.

TO THE 1968 GRADUATING CLASS
MILLERSBURG MILITARY INSTITUTE

Let me extend to each of you the warm congratulations of a former teacher who, in spirit, shares your sense of achievement.

You have laid a foundation for useful and satisfying lives. Before you get on with the work, I would like to offer a few thoughts that you may find useful.

The passion to succeed, to achieve great things, is strongest in youth. Heed it. Do not squander your lives in petty pursuits. Commit yourselves now to a course that will strengthen you for the trials and opportunities of life.

Prize your individuality always. Whatever your place in society, whatever your work, do not surrender your self-reliance or compromise your independence. Liberty is and always will be your most precious possession. Guard it well.

Direct your energies, your talents, and your desires to what is best for your country. We look to you to redeem what is wrong in our national past and to build what will be great in our national future.

Let this be your wish: that you may look back upon this graduation -- from no matter how many years hence -- with the conviction that you have treated all men with honesty and goodwill, that you have put your heart into your work, that you have done your best.

"These letters are representative, showing that you have accomplished something on the football field and have stood the knocks and bruises on the gridiron... You should honor them and never be ashamed to wear them. This M stands for M.M.I. After you have entered life this M stands for man, followed by M to represent moral man... The I represents integrity. Therefore this monogram in life represents a "moral man of integrity". We hope you will meet the conflicts of life as you have your opponents. If you do, we can assure you a successful career."

MILITARY STAFF
JR. DIVISION BRIGADE
The M.M.I. Band, directed by Mr. John Morton, is made up of 30 Cadets who have been quite active this year. The high point of the year for the cadet band was an invitation to march in the Inaugural Parade in Frankfort for Gov. Louie B. Nunn in December.

Mark Hoffman, an outstanding instrumentalist, was selected by audition to play in the 150 piece Kentucky All-State Band at KEA convention in Louisville.
Chorus is Kept Busy

The M.M.I. Chorus, directed by Mr. John Morton, consists of 20 Cadets who have devoted much of their time throughout the year practicing for many concerts. These include a concert for the Rotary Club, several Church concerts, Christmas concerts with girls from Bourbon Co. High School at both Millen­burg Elementary School and M.M.I., several performances for convocation, and finally the high-point of the year--Commencement.

The M.M.I. combined chorus performed at Christmastime.

Cadets Joe Hodges, Tom Mayer, and Jeff Shonert were selected by audition to sing in the 250 voice All-State Chorus in Louis­ville this year. The group was accompa­nied by the Louisville Orchestra Strings.
The Cadet Chapter of the National Honor Society recognizes outstanding character, scholarship, leadership and service in the student body. A cadet must carry an eighty-nine average for two semesters, show school spirit, and be active in extracurricular activities.

Drill Team

M.M.I.'s Drill Team, led by cadet LT. Craig Redner, captured a second place trophy in the Ky. State Jr. ROTC competition held in Louisville this spring. The group has actively performed during dress parades, and during Federal Inspection.

Rangers

Rangers, a new ROTC activity at M.M.I., practiced diligently during the year and gave an excellent performance during Federal Inspection. Cadets learned combat techniques through this unique organization.

The Rangers executed a mock battle during the winter.
Dear Faculty and Cadets:

The 1968 Sniper Staff has worked diligently this past school year, attempting to give you a special glimpse into the history made at Millersburg Military Institute in '68.

We have prepared this annual with the hope that each of you will look at your school proudly, recognizing the fine institution which it is: A school where the individual should grasp the full meaning of duty, honor and country.

We congratulate each cadet for personal achievements, whether "on the fields of contest playing" or "in pleasant halls of learning" and wish the best of success to the M.M.I. graduating class of 1968.

Sincerely,

Jeff Shonert
Sniper '68 Editor

M.M.I. Goodwill is Trademark of the Year

In response to the April tornado disaster, the spirited seniors and juniors of M.M.I. traveled to Falmouth, Ky., and volunteered their services to the residents there, who badly needed the help.

Kern gives cadet Estill his first task of the day.

Over 35 truckloads of rubble were piled and hauled away by the cadets.

Twice during the year Seniors donated blood to the Ky. Red Cross Blood Bank.

Spring Athletic Outing

On Friday May 3, Blue Licks Battlefield State Park was the scene of the annual Athletics picnic. Members of the basketball, track, tennis, rifle, and cross country teams enjoyed this day of recreation.

Almost before the "Blue Goose" had been parked, some impatient cadets made a beeline for the ol' swimmin' hole. One of our efficient faculty, however, was soon to interfere with this activity.
