September 1969

Prompt inoculation against
rabies and other public
school diseases.

. . . and Majors Habeck and Pennington start the process of an ordered, disciplined life.

Mr. Day tries so hard to explain the intricacies of algebra to us.

We know the ladies work hard, but the line still seems interminable.

Mr. Barber takes
inspection at the
Junior School,

and Captain Steele tells us what we are up on the hill.

Mr. Fernandez gives us
a great choir in his own
inimitable style,

and Doc took some of us to some of the historical places in Frankfort.

"Uncle" Crawford won't give up until he has the best out of us.

Homecoming

A company wins best decorated barracks.

Sponsors are presented to Colonel Johnson.

B. C. No. 1 reviews the troops.

J. J. scores the winning touchdown.

The victory dance was on records because the band forgot to come.

David's girl was deservedly queen.

Maucher is about to empty the tank.

Coach Ghent displays his technique.

Minnesota Fats giving somebody else a chance.

And some of us always manage to sneak off to the forbidden creek.

Spring Leave

The annual hegira to the land of the lotus.

Bishop Bradshaw about to descend to the reef.

Cap wouldn't dare wear those things up here.

Federal Inspection

It's impossible to get those d -- rifles clean.

Without even a safety belt!

And we're an honor school again.

Behind their backs . . .

and to their faces.

Military Ball

The grand marches -- formal
and informal.

There's something in there, Mrs. Weaver!

Never on Sunday.

Frog legs for supper tonight?

Junior-Senior Prom

"Colonel Johnson, Miss uh, uh, . . ."

All right, which one's going to take her?

Squeak.

Ain't she sweet!

And the band played on.

Commencement

Field Day, Bishop Bradshaw's platoon on the field and ready to go.

Senior Class Play, which is obvious because Pennington would never be on the bottom off-stage.

The brigade formed for the final parade.

Michael Miller graduates to the ninth grade.

and Scott Johnson to the world of baseball.

But, Mr. Crawford, we feel fine now.

Now boys, I figure it will take you ten minutes to demolish these things.

We have cafeterias . . .

. . . on both campuses now.

Major Hamm's work detail has done a fine job.

No ma'am we're only allowed in here for pictures.

Talking it over can at times be helpful.

Colonel about to dictate.

24 May 1970

Greetings:

I am grateful for this opportunity to express my appreciation for your efforts in making the 77th year a successful one.

I hope each of you will benefit greatly from the training you receive from such a school as MMI, as some of the greatest men the world has ever known attended a military school.

It is my desire for each graduate to have the best in the years to come, and, to all undergraduates, my wishes are for a happy holiday, returning with vim and vigor to help make next year a great one.

Sincerely,

A handwritten signature in cursive script that reads "Joseph R. Johnson". The signature is fluid and stylized, with a long horizontal flourish extending to the right.

Joseph R. Johnson

A black and white photograph showing two young men sitting on small motorbikes on a grassy lawn. In the background is a large, two-story brick building with a prominent portico supported by white columns. To the right of the building is a large, dark rectangular sign with white lettering. The sign reads "MILLERSBURG MILITARY INSTITUTE JUNIOR DIVISION". The boy on the left is looking towards the right, and the boy on the right is looking towards the left. Both are wearing light-colored shirts and dark trousers with a light-colored stripe down the side. The motorbikes are small, with a single headlight on the front and a small engine compartment. The overall scene suggests a military or cadet training environment.
