Presented by: SENIOR CLASS of 1975 Paris High School Paris, Kentucky

> "Pleasures of Life" John Wilson

Dedication

As years, decades, and centuries pass, many types of people walk upon our earth. Every human being aspires to have the qualities of love, sincerity, and happiness, but few of us ever achieve this height. There is one person, however, who with her never-ending enthusiasm has left an enduring impression in the minds and hearts of every student who has known her.

Mrs. Stanely Richard, Jr., who has been teaching at Paris High School for fifteen years, has taught business math, accounting, shorthand, office practice, typing, and general business. For many years she has been the yearbook sponsor, each year striving for new ideas and always being successfully creative. She also serves as Junior Prom sponsor and through her guidance each one has been a memorable event. Mrs. Richard also is a Junior homeroom teacher. Her many philosophies and ideas toward the teaching profession are now touching the lives of other students because of her involvement in the student teaching program.

Her effectiveness as a faculty member of Paris High School is a result of her desire to see each student become a productive citizen of his community. She has shown her full dedication to our school and so, with sincere appreciation, we, the Annual Staff of 1975 dedicate this yearbook to Mrs. Richard.

The Regional Champions

Despite two heart-breaking regular season losses, the 'Hounds hustled through what was supposed to be a rebuilding year and went all the way to the State semi-finals. Seniors--left to right: Carl Williams, Ricky Hudnall, Richard Crumbie, Mike Kendall, Jerry Mann, Terry Parsons, Larry Clay, Raymond Smith, Bill Bussell, Robert Martin.

The regional champs of 1974 at PHS were headed by ten seniors who provided the leadership and guidance required of a championship team. Also required was the 110% play displayed by the all-staters.

Highlights of the Gridiron

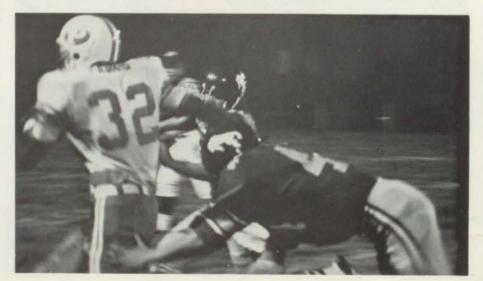

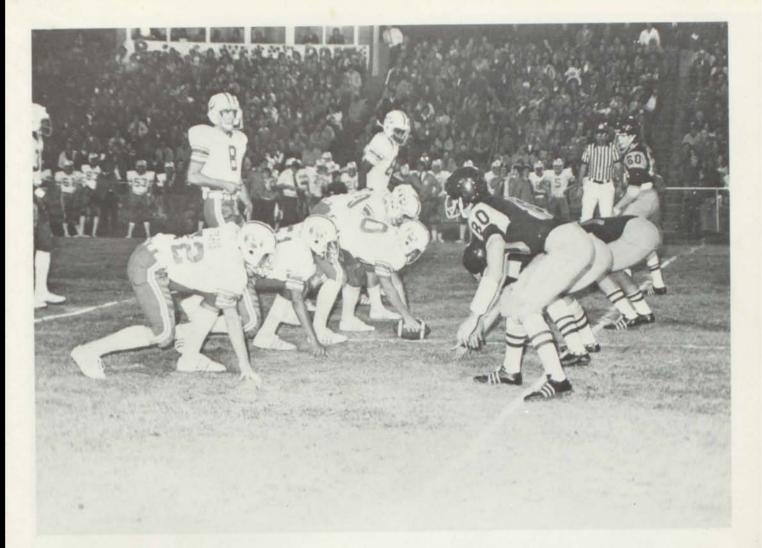

Football at Paris! It's a boost for the school. It creates that tingling, exciting impatience for a Friday night and its activities. The band is playing our kind of music, the crowd is roaring, and the game becomes more urgent than any matter at that moment. The upper, left hand corner picture shows an adversary completely snowed under by four or more Greyhounds. That's enthusiasm-that's football at Paris.

This great country of ours stands at a crucial turning point in its history. Two hundred years ago our founding fathers stood at similar crossroads. Basketball Hounds Register Good Year

Standing: Assistant Coach Gordon Goode, Head Coach Dave Randolph, Eugene Young, William Davis, Raymond Smith, David Downey, Bobby Leer, Jeff Crutcher, Leo Roberts and Assistant Coach Terry Blunk.

The 1974-75 Greyhounds, an inexperienced but talented team, compiled a very respectable 16-12 record, better than many expected. All season, they played that patented run-and-gun, never-say-die style of basketball that the P.H.S. cagers are famous for. As always, Coach Dave Randolph and his assistants put in a great deal of their time and effort to make this team one all could be proud of. Keep up the good work in future seasons!

Pride of '75

Raymond Smith--guard, forward David Downey--center Jeff Crutcher--forward

Paris lost these three seniors to graduation and what a loss it was: Smith, an all-starter in three sports was a super athlete; Downey, just in his rookie year, thrilled the crowds with his rejections and board clearing; and Crutcher, a Greyhound who has played for five years, was one of the most reliable men on the court. These three seniors will be greatly missed!

Pride and Pleasures

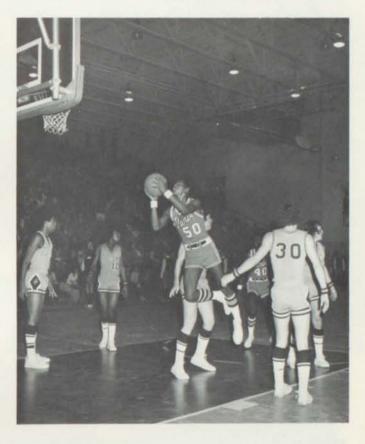

WITH REVENGE IN THEIR HEARTS, THE GREYHOUNDS UPSET REGIONAL FAVORITE, BOURBON COUNTY...

AND WENT ON TO TAKE THE 37th DISTRICT RUNNER-UP TROPHY

Led by the devastating play of David Downey, the inexperienced Greyhounds mentally and physically whipped the highly talented and regional favorite, Bourbon County Colonels, in the district semi-finals. This game was a shocker to district and regional participants alike, because the Hounds had been beaten soundly twice during the year by their neighbors.

Paris then went on to lose two heart breakers, one to a good Harrison County team in the district finals, and the other, a double overtime loss to Mason County in the regional tournament. Nevertheless, it was a fine year for the "Big Orange".

The Senior Class of 1975 Bids a Fond Farewell

It is never easy to describe things that have been so familiar for so long, especially when the time comes to leave them. Of course, the familiar sighs of relief can be heard, but then the thoughts of leaving friends, teachers, and those old familiar walls come sharply into focus. The time of departure comes and brings tears and memories of shared feelings--whether outwardly shown or inwardly hidden. After graduation, some will seek further education or far away places; others will find jobs and family life, but no matter what road each will choose or doors each opens, the memory of years and friends at Paris High School will endure.
