DEDICATION

Miss Juanita Sutherland, a native of Anderson County has been one of the most highly esteemed mathematics instructors at Paris High School. She came to Paris in August of 1963 and since then she has been educating students in all areas of mathematical skills.

Yet her dedication to her students extends far beyond her hours in the classroom. Miss Sutherland has always been willing to give of her time to any student who may not understand or who may need further help.

In addition to her teaching, she has served as the Cheerleading Sponsor, the Newspaper Sponsor, and as a Senior Homeroom Sponsor. She is an avid sports fan and is an active supporter of all athletic events at the school. Whether transporting cheerleaders to a game or tabulating ratings at a speech tournament, she is always willing to "smile and lend a helping hand."

It is with sincere appreciation of her many services to the school and to the students, that we, the Annual Staff, dedicate our 1976 yearbook to Miss Juanita Sutherland, a woman with loyal dedication and high educational principles.

The home of Mr. & Mrs. Quentin Walker is an appropriate setting for our senior officers. This home is formerly where Reverend John Tyle taught his seminary for young ladies, and is named as one of the earliest schools in the West. Our officers this year are; President, Mark Cubine; Treasurer, Johnny Duvall; Vice President, Joe Zuniga; Student Council Representative, Debbie Hutchison; and Secretary, Susan Zuniga.

Tutoring is a rewarding experience for any Junior or Senior girl or guy. It enables you to become acquainted with children and learn how Elementary classes are conducted. If you are planning to major in Elementary Education and you want to find out if this career is for you, join the tutoring group. Participating in this years program were: Debbie Linville, Connie Long, Kim Parker, Kim Bailey, and Kay Smart.

The senior class had a different project in progress this year as they combined their "bicentennial spirit" with the Christmas spirit and entered a float in the Paris annual Christmas parade.

Rosey-red faced senior girls and boys with frozen hands stapled a wagon with chicken wire and then stuffed it with thousands of pieces of tissue paper. Their effort was worthwhile. The red, white and green, six-foot '76 figurine was accompanied by George Washington, a few wounded soldiers from Valley Forge, and a Christmas Tree.

Take talent, friendliness, determination, a lot of caring and you've got Dana Williams. Dana has led a great deal of the Senior Spirit this year, not only in having ideas for helping the senior class, but by also putting these ideas into action. Many a time Dana has pulled the seniors through when it has come to making signs for boosting our teams to victory or designing and making decorations for this year's homecoming and last year's junior-senior prom. Dana has certainly made a great contribution to the Class of '76. Thanks Dana!

Miss Kathy Jackson, daughter of Mr. & Mrs. Philip Jackson, was chosen as this year's recipient of the D. A. R. Award. Out of the nominees selected by the guidance committee, Kathy was considered the most qualified. She has a very high academic standing and has always been very involved in school activities. Kathy has shown qualities of leadership during all four years of high school. Outside of school, she participates in her church's youth group and in Girl Scouting. Congratulations for an honor well deserved.

Mark Cubine served as President of the 1976 Senior Class--and a very capable leader he proved to be. Mark's enthusiasm for a fine year was contagious and the class of '76 rallied behind him for a most prosperous year.

Probably one of Mark's best endeavors was that of getting the Student Council to function as a compact and beneficial group for the betterment of the school.

Mark--may you use your leadership abilities to the best advantage for your future.

Miss Debbie Linville, a Senior at our school this year represented the Women's Club at their District Sewing Contest.

Debbie's lovely green, two piece suit and fine sewing mastery won them a second place honor.

The art of sewing well is a talent that one can be very proud of--and we at P. H. S. are proud to have this talented person in our ranks. Congratulations Debbie.

What are the advantages of having a twin? How would you like having one? Here is how the Milam twins, class of '76 summed up the situation.

Jim, "Having been born a twin, I have no choice, but to make the best of a packaged deal."

Johnny, "Being a twin is like having a split image at your disposal. When you do something right you're Johnny and when you do something wrong you're Jimmy."

OLD MEMORIES

I treasure sweet old memories
As time goes swiftly by.
A few bring smiles of happiness
And some tears to the eye.

They all are precious in their way,
Reopening doors of old
That have been shut these many years
What pictures they unfold!

These dear old, sweet old memories
All play their special part
In bringing joy and opening up
The latch strings of the heart.

TEACHER'S PRAYER

I want to teach my students how
To face its struggles and its strife
-Not just the lesson in a book
But how to choose the proper path
To understand eternal truth
-And gather all the beauty of
For if I help the world to grow
Then I shall feel that I have won
And so I ask your guidance, God
For character and confidence

To live this life on earth-
And to improve their worth
Or how the rivers flow-
Wherever they may go-
And know the right from wrong
A flower and a song-
In wisdom and in grace-
And I have filled my place-
That I may do my part-
And happiness of heart-

COUNCIL ON THE MOVE

The twelve member Student Council was more active this year than any time in its previous history. Thanks to strong faculty and student body support, the organization was able to sponsor a sock-hop after the annual Orange and White game. This was the first dance, other than Homecoming and the Prom, that the school has had in several years, and it was a tremendous success.

The Student Council also sent suggestions for improvements in the school to be read at faculty meetings. With this year's activities serving as groundwork, the Student Council can look forward to continued success in the years to come.

Those on the Council this year were: Debbie Hutchison, Eltina Scott, Sheri Jones, Mrs. William Stamler, sponsor, Gregg Coons, Janice Day, Patty Zuniga, Chet Coons, Kent Duvall, Mark Cubine, Joe Zuniga, Leon Roberts and Fred Rose, sponsor.

Officers of the P. H. S. Student Council were: Gregg Coons, vice-president; Janice Day, secretary-treasurer; Mark Cubine, president.

PARISIONNAIRES

"Say It With Music"

Whether performing for a community club in the Baldwin Hotel or in front of the student body assembled in the Fine Arts Center, the Parisionnaires never fail to please their audience. Yet such fine performances do not occur by chance.

The students that produce the "mellow music" spend many hours both after school and on weekends in order to prepare for their appearances. They also assist the band in fund-raising projects. But all the tedious hours of warming up, repeating music measures, and soliciting are forgotten when the music makers stand before an appreciative audience after a "give-it-all-you've-got" performance.

After all, "giving-it-all-you've-got" is what becoming a Parisionnaire is all about.

This fine group is under the direction of Mr. Thomas A. Siwicki.

BETA'S GET "IN THE ACT"

How would you like to spend a weekend at one of the finest hotels in Louisville...Or try to captivate an audience of hundreds with an updated version of "Cinderella"? Wouldn't you be proud if your club earned over two hundred dollars for the Kidney Foundation? Perhaps you could say that the Paris Beta Club believes that "idleness is the Devil's work" they are constantly involved in school, community, and state activities. Whether they are campaigning and performing at the State Beta Convention, entering a float in the Christmas parade, or working in basketball concessions, Beta members are truly "in the act".

BUSINESS CLUB-

"Prepares For a More Accurate Future"

Sooner or later one must enter the world of "early-to-rise, ten-minute coffee breaks, and never-ending paper work." The Business Club wants you to start out on the right foot.

During the course of the year several speakers addressed the club, skits were presented by club members and they visited a business in operation. The club had a party at the close of the year.

Since the future depends on the youth of today, the Business Club makes an extra effort to understand it more fully. Kim Bryant-President, Lynda Kelley-Secretary, Susan Purcell-Vice-president, Jeff Tobin-Treasurer, Mrs. Paul Polly-Sponsor

Man expresses himself in many ways, and whether it be cut stone or on canvas, the members of the Art Club want to approach the artist's work with an open mind.

Two trips are taken each year in which the Art Club is exposed to various forms of art--modern, realistic, and abstract. They also explore the various methods in which the creations have come about.

Whether in a world of fantasy or in a world of perfection, the Art Club understands art by being aware of its surroundings.

Our school was made a more attractive learning institution by the art department through their sponsorship of door decoration contest, Christmas murals, mobiles, wire figurines, paintings in the gym and classrooms and bicentennial fire plugs.

The F. H. A. knows that there is more to running a house than mopping and cleaning--and there's more to the F. H. A. than cooking and sewing.

During the year, the club members are busy at money-making projects or listening to guest speakers. And as the year comes to an end, they enjoy the pleasures and amusements of King's Island.

But the F. H. A. members do commit a large part of their time to the art of maintaining a house. Especially today, a smooth and well-balanced dwelling is a work of art--and knowledge.

THE FRENCH CLUB

"Preserving A Language"

Le Cercle Français se reunit sept ou huit fois pendant l'année scolaire. Les membres jouent les jeux avec le papier et le crayon, ils écoutent les disques, ils regardent les films fixes, et quelquefois ils entendent une personne qui parle. Il n'y a pas de sommes, de devoir; seulement l'amusement.

The French Club meets some seven or eight times during the year. The members play paper and pencil games, listen to records, watch film strips, and occasionally enjoy a speaker. There are no dues, no duties, just amusement.

LATIN CLUB "LIMERICKS"

The Latin Club members put excitement and enthusiasm into everything they do. To show some of their enterprising talent the Latin students have composed a poetic summary of their year in a "Latin Limerick."

There was a young lady in satin
Who made up her mind to take Latin.
Her Latin was weak,
But her toga was chic,
Which made her as famous as Patton.

She went to the state convention
Where her toga caught all the attention.
She made quite a show
With her partner Pluto
Where they were both too "pluchra" to mention.

At the dawn of the season of Yule
Our young friend grew weary of school.
The club threw a bash
Which was really a smash
And made other school club members drool.

To the banquet she went in the spring
Where everyone had food to bring.
The entertainment was great
And lasted quite late.
To this day "Elvira" we sing.

The moral of what we have said
Is that Latin isn't yet dead.
The students have fun
When all's said and done,
And they also learn much in the head.

PARIS HI-LITES

"We Print Everything"

From September to May, from football season to the Junior-Senior Prom, the HI-LITES staff was there to get first-hand information on the event.

A week hardly ever went by that something exciting didn't occur within the walls of Paris High School.

Meetings, picture taking, headline cuts and deadlines were all familiar echos to a hard working staff.

Yes, that's what being a reporter is all about--articles and deadlines. Who doesn't like to see his name in print? From the Greyhound basketball schedule to "who likes who", the HI-LITES printed everything.

Typist Tina Davis smiles as she works on a bit of newspaper gossip.

NATIONAL FORENSIC LEAGUE

"Our Outstanding Speakers"

In life as well as in work, there will always be those who are willing to "go that extra mile."

The N. F. L. consists of speech students who have worked harder than most students on selections and anyone who has received an honor from this organization deserves a round of applause.

SPEECH CLUB FINDS: "Practice Makes Perfect"

As long as there are Saturdays, there will be speech meets. And as long as there is a Speech Club at Paris High School, there will be students in the building long after the three o'clock bell has rung.

In order to compete with high school students from all over the state of Kentucky, many hours must be spent

finding the "perfect" selection and then learning the proper presentation of it. This is called practicing-and that is what makes a superior speaker.

After all, as long as there is a need for communication, there will be a need for speech. And the Speech Club sees nothing wrong with perfecting it.

WHOOPEERS

BACK THE HOUNDS

Whether its fall, winter, or spring, the athletic department at Paris has always received much support from our Whoopers Club. When brightly colored signs are plastered to P. H. S.'s hallways, when doors and lockers are decorated with orange and black, and when the students are excited about the upcoming game or match, one can tell that the student body really "backs the Hounds." The members of the Whoopers Club assist in making signs, planning skits, helping out with pep rallies, and most important, attend all games, meets and matches to give support to participants. As in the past, the Whoopers Club continues to boost the school spirit at Paris High.

Enthusiastic Whoopers are: D. Crutcher, S. Pope, A. Black, P. Parker, J. Gaines, A. Young, J. Dodge, D. Poynter, B. Snapp, P. Myneer, V. Richardson, A.

VOCATIONAL BOYS AT WORK

Can you imagine making a car run, building a piece of furniture, designing a building to scale, with your own hands?

This is all possible at the Clark Co. Vocational School in programs like Auto Mechanics, Building Trades, Drafting, Machine Shop and Welding.

Paris High participates in this two year program, and any young man wishing to further his education after graduation may do so at the Central Kentucky Vocational School in Lexington.

NIGHTS ON BROADWAY

THE SENIOR CLASS OF PARIS HIGH SCHOOL Presents "1776 AND ALL THAT"

There were many doubts among the graduating class of 1976 as to whether there would be a senior play or not. But luckily for them, Mrs. Roseberry's replacement was a young lady trained in the field of dramatics and very excited about the script.

Miss Roseanna Royce, assuming the role of teacher and director, worked constantly at making actresses and actors out of the senior amateurs. There were rehearsals after rehearsals with flat building in between.

As the characters, props, and scenery began to emerge, the seniors realized that all their efforts and diligent work was going to materialize into a memorable production....and that it most certainly was.

"1776 AND ALL THAT" was received warmly by both the school and the community. Not only was this play a success but it was accredited as being "one of the best." Three cheers for Miss Royce, and "hats off" to the senior play cast.

ENTHUSIASTIC CHEERLEADERS

A winning spirit, a victorious "Hound" team, an excellent band and a group of vivacious cheerleaders are all a part of the ambitious sports program conducted throughout the school year at Paris High.

The Cheerleaders for '75-'76 were selected during the spring of 1975 and following their election began formulating the cheers that would be used during the football and basketball seasons.

Kim Parker says, "Being chosen a cheerleader is an honor and my last years at Paris High have been rewarding. It was a real privilege to serve the school in this capacity." Her thoughts sum up the feelings of all the P. H. S. Cheerleaders.
