## Senior Class Spirit of '79

The Senior officers posing in the Senior Courtyard are:

Eltina Scott—President  
Vincent Tucker—Vice President  
Chester Mitchell—Secretary  
Marilyn Nutter—Treasurer  
Butch Maggard—Student Council

Eltina Scott certainly shows her happiness of being chosen homecoming queen with her big smile. The other pretty faces that make up her court are Janice Day, Johna Richardson, and Billie Jo Logan.

Mr. Sam Scott, Jr. stands proudly with his daughter Eltina, as she is about to be crowned queen of the homecoming events.

## *Dedication*

Mr. David Randolph came to the Paris Independent Schools directly from Eastern Kentucky University upon graduation in January of 1969. Not only has he held teaching positions at each building level in our system, he has also coached basketball, baseball, and golf for ten years. Upon his resignation in 1978, he had accumulated a record of 166 wins and 78 losses for the basketball team. Seven of his players have been awarded college scholarships.

Professionally, Mr. Randolph has completed his Rank I in education, and is presently in Administration as Pupil Personnel Director. He is a member of the Kentucky Association of Pupil Personnel Workers, Kentucky School Administrators Association, and Kentucky School Health Association.

It is with sincere appreciation of the many services to our school, students, and community, that we, the Annual staff, dedicate our 1979 yearbook to Mr. David Randolph.

## *Dedication*

After 36 years of teaching, coaching, and administrative work, Mr. William Reed, Assistant Principal of Paris High School, retired on June 30, 1979.

Mr. Reed graduated from Western High School in 1932, and continued his education at Kentucky State University to earn a B.A. degree majoring in History and minoring in Physical Education. He then earned his Master's degree in administration from the University of Kentucky.

The education William Reed earned was soon put to good use. He taught at Western High School from 1937 to 1943 and from 1949 to 1954. The job of Principal was offered to him in 1954, and Mr. Reed worked at that challenging position until 1964, when Western High School was integrated with Paris High School. Mr. Reed became Assistant Principal of Paris High School in 1964, and he spent many hours of his time working for the benefit of the students right up to his retirement.

Mr. Reed is perhaps best known for his successful coaching career. As Western's basketball coach, he brought his team to second place in the State basketball tournament. But the determined coach was not to stop there. His team won the National Title in Nashville, Tennessee the following year.

Our Assistant Principal has also been active in the community. He holds a position in the Paris City Commission, the Planning and Zoning Board, and a State Agricultural Advisory Committee. Mr. Reed is also a member and elder of the Seventh Street Christian Church. He and his wife, Wil-lanna, have three children—Jan, Kimberly, and William F. (Sonny).

It is with great pride and sadness that we let Mr. William "Chief" Reed go. His work has been and will continue to be an inspiration to those who will follow him.

It is with these thoughts and remembrances that the Annual Staff dedicates this book to Mr. William Reed.

## *In Memoriam*

We would like to take this opportunity to remember Mark McCracken, a very capable young man who was taken from our midst by cancer. To many he was a friend and to others only a face to be remembered. He should certainly be an inspiration to all of us with his will and determination to go on even in the face of unsurmountable odds. To those who knew him we can certainly strive and do and achieve our goals in light of his fantastic determination to live.

And myself have awaked, as it seems, to  
the better mind;  
It is better to fight for the good, than  
to rail at the ill;  
I have felt with my native land, I am  
one with my kind,  
I embrace the purpose of God, and the  
doom assign'd.

Alfred Lord Tennyson

What is that tantalizing aroma drifting from below? Barbecue, pies, cakes, biscuits—whatever it be, it makes mouths water and tummies growl. The homemakers of tomorrow are practicing on their culinary arts.

Not only do they cook, but they sew, make floral arrangements, learn child care, budget, and learn a host of other things about running an efficient home.

This year the Future Homemakers of America performed a great civic duty as they helped with roadblocks to raise money for the Heart Fund. These enterprising young ladies also sold cookbooks, which was a successful venture.

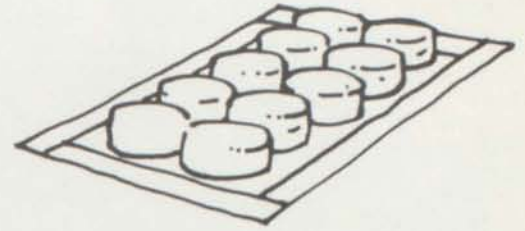

Our future homemakers are guided under the direction of Mrs. Anna Johnson and Mrs. Debbie Fritsch.

## *Winners of Today Speakers of Tomorrow*

The Speech Club's aim is to provide enjoyment as well as discipline to the speaker. Under the direction of Mrs. Kenney Roseberry, speech is always a pleasure. They attended several tournaments this year and were successful in all. They boast many NFL members. NFL is a prestigious organization designed to recognize speech club members with a large number of points.

William Johnson, a member of both the Speech Club and the NFL proved himself this year by winning many trophies in regular competition, winning in Regional meets, and winning a trophy and pendant in the State Speech Meet.

## *Latin Actors Show Talent*

Under the sponsorship of Mrs. Gail Williams the Latin Club always has fun. The Latin II sophomores performed, "Rinse the Blood off My Toga" for the Latin I freshmen. Some budding young actors were discovered that day. At their final get-together they had a picnic where the young Romans played softball and enjoyed plain American food.

Mrs. Williams was aided with club responsibilities by officers, Kelly Galloway, Jeff Layson and Mark Bell.

## *Artist Skills Revealed*

A stroke of the brush and a splash of paint brightens the canvas of a young aspirant artist. So often ones talent is not discovered until his master piece is exhibited at the annual Arts and Music Show or he does a decoration for a holiday season or a sports event. This year the Art Club was led by:

Chester Mitchell—Secretary and Treasurer

## *Paris Hi-Lites Keep Students Informed*

Dawn Dykes

The Paris Hi-Lites is sponsored by Mrs. Carol Sosby and the staff consists of juniors and seniors. All juniors and seniors are encouraged to participate as contributing members of the staff. Students receive experience in writing, editing, organizing, advertising, photography, and typing. In addition, leadership and dependability skills are developed.

The newspaper is produced during the students' study halls and spare time, as Paris does not have a journalism class.

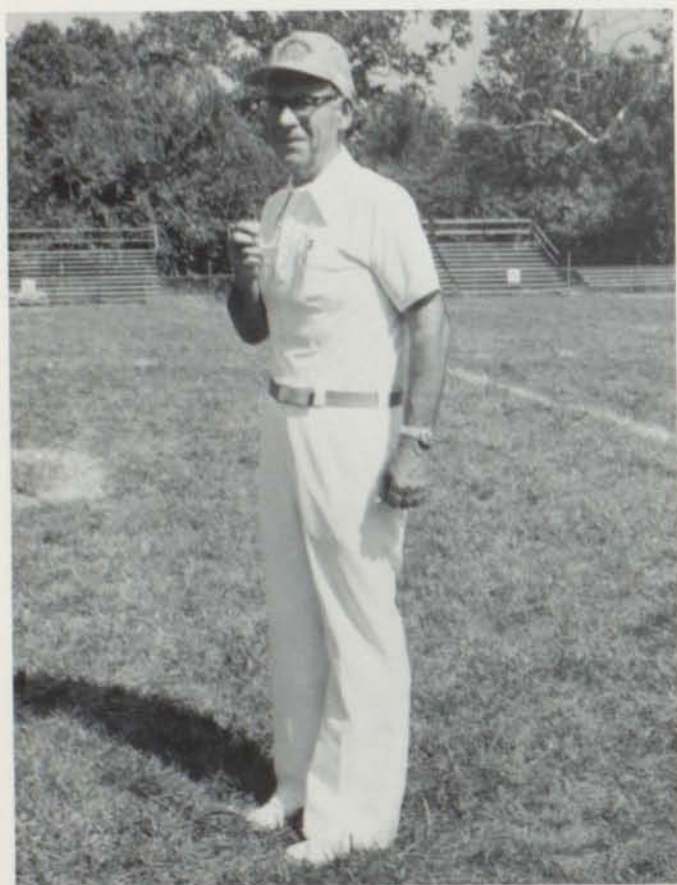

Students work very hard on the newspaper and this school year is the first one during which the newspaper was printed as a tabloid. To help finance the publication of the paper the staff sold T-shirts, patches, bumper stickers, posters and solicited ads from local merchants. The Editors always have a very demanding job, and Editors Beth Wilkerson, Dawn Dykes, Vita Dykes and Mary Lou Zuniga met that challenge this year.

## *Beautiful Music Can Be Heard from P.H.S. Band*

From a rousing march to a soft sweet love song, the P.H.S. Band entertains all ages. As always, the band works hard to provide pageantry for our athletic events. With pretty flag routines and great music, under the direction of Mr. Thomas A. Siwicki, the band carries on the tradition of providing beautiful music.

It takes money to operate a band and their sales efforts included calendars, magazines, fruit, turkey dinner tickets, and spring concert tickets. The money they made will be used to purchase new uniforms in the summer of 1979.

A new trophy case was dedicated at the Annual Music Departments spring concert to the memory of Mr. Billy Kookendoffer. Mr. Kookendoffer was one of the most loyal supporters the band has ever had.

## *Parisonnaires Continue Tradition*

Carrying on the tradition started last year, the Parisonnaires once again performed a musical story at Christmas. This production was called, "A Christmas Story," with Clay Forsythe playing the title role of Scrooge. Soloists were William Johnson as Marley's Ghost, Melanie King as the Ghost of Christmas Past, and nine-year old Phillip Humphrey as Tiny Tim.

After the Christmas season, the Parisonnaires were still hard at work. They performed two well received numbers at the Annual Music Departments Spring Concert, and sang in the Dixieland show. These talented seniors also set a reverent mood at baccalaureate services for the seniors.

The Parisonnaires were under the dedicated direction of Mr. Thomas A. Siwicki who was aided this year by his student teacher, Mr. James Wheeler.

### *Newly Formed Club at P.H.S.*

The newly formed FBLA (Future Business Leaders of America) has a very large active membership at Paris High School, and one of the largest in the region.

They recently acquired their charter and were initiated by Bourbon County FBLA in March. They sold Christmas wrap to raise money and they have many plans for next year, such as attending the regional competition in business subjects and Scrapbook displays. They are sponsored by Ms. Joy Armstrong and Miss Sharon Fields.

## *New Program at P.H.S.—Vocational Business*

The Paris High School Vocational Business program was developed to help the students receive a better education and develop an understanding of the business world. We hope in the future more and more students will become involved in the program. The main objective of the program is to provide the preparation necessary for one to enter the occupation of his choice. At present, the students may choose from eight courses.

Three curriculums, Secretarial, General Clerical and Accounting are being offered. A vocational certificate is awarded upon successfully completing any one of these.

Above Mrs. Wanda Richard, confers with two of her employees while the remainder of the office staff is hard at work. Below Tanya Scott files some documents while Marilyn Nutter clocks in.

Ms. Joy Armstrong is pictured with her Accounting II class. She also teaches Accounting I, Typing and Shorthand.

Miss Sharon Fields, who is a past graduate of Paris High, is shown with one of her typing classes. She also teaches Business Communications and General Business.

Model Office employees mix work with a little Christmas social function.

## *Enthusiastic Support at Athletic Events*

Whenever an important athletic event takes place, Paris High athletes can always depend on the cheerleaders. These hard-working girls are always on hand to lend their support. Our varsity squad this year consisted entirely of sophomores, and the junior varsity was filled by freshmen, so Paris High students can expect to have these girls for years to follow.

Junior varsity cheerleaders: Kneeling—Denise Hutchison, Mary King Logan. First row—Jennifer Jones, Margie Peters, Angie Hutsell, Alice Purcell. Top of pyramid—Margaret Brooks.

Varsity cheerleaders Debbie Jackson, Lisa Puckett, Kim Whitaker, Dee Kaufman, Melanie King, Taren Estes.

## *We Don't Mind Semi-Finals, But We'd Rather Be First*

These are the sentiments of the four senior co-captains, Tanya Crumby, Eltina Scott, Regina Woodford and Beth Wilkerson of the Lady Greyhounds. With an impressive 27-5 record in the 1978-79 season the Lady Hounds went all the way to State again only to be upset by rival Laurel County in the semi-finals.

Paris High School is still proud of a job well done. We are sure the underclass players will carry on the winning tradition.

## *Beth Wilkerson—First Female All-American from P.H.S.*

Beth Wilkerson has been an outstanding athlete during her four year career at Paris High School. She has made the 37th District and 10th Region basketball teams for the past four years. She has also been First Team All-State as well as being named a member of the All-State Basketball Tourney Team for the last three years.

Beth was honored by being recognized as a member of the Parade Magazine High School All-American Team as well as the Adidas High School All-American Team. Beth also participated in the Seamco Basketball Classic at the Kutsher's Country Club in Monticello, New York, which was held to benefit the American Cancer Society. As one of the most highly recruited athletes, male or female, Beth signed a letter of intent with Old Dominion, who holds the national title in girl's basketball. We feel that Beth will be a great asset to their team.

Congratulations Miss Kentucky Basketball.

## Fore

FORE! Look out! Here comes a stray golf ball! Who made the shot that went into the clubhouse ballroom? Not me—mine went into Stoner Creek, mine went in the sand trap, mine went over the warehouse and I made an hold-in-one on No. 9! Coach Goode looks at his troupe rather doubtful.

And so it goes, with "keep your eyes on the ball", improve your back swing", "watch your stance," for another great year of golf.

## Tennis Players Enjoy Sunny Days

When the sun shines and the warm winds blow we see the ol' tennis racket being wielded by many. This excellent sport and past time is enjoyed by all ages and particularly our P.H.S. gents. Even though they did not have a winning season they were exercising and learning sportsmanship along with the techniques of the game. Their new coach, Mr. Mark Crain, hopes for a better season next year.

## *Track Stars Look Good*

Girls track team members this year were young, but fast. The girls participated in four away meets and finished second or third in all of them. At their regional track meet, almost all of the girls advanced to the finals—not a small accomplishment.

Senior Tanya Crumbie was chosen at the regional meet to participate in the state meet. She made her team members and her school proud of her with her excellent running in the 440-yard dash.

Eleven seventh and eighth grade girls ran this year with the seven high school girls. Since they will lose only one senior, the Paris High School girl's track team has a bright future.

## *Gymnastics*

Paris High's gymnastic team was small this year, but talented Juniors Cydney Parker and Orville Nutter were chosen at the regional meet to participate in the state meet along with freshman Rene Zuniga. These gymnasts represented Paris High School admirably. The team has had a successful year, and best of all, they will only lose one team member to graduation. Students can expect even bigger and better things from their gymnastic team in the years to follow.

Seniors attending the 1979 Junior-Senior Prom were pleasantly surprised by the creative decorations of the juniors. Based on the theme, "We May Never Pass This Way Again," the decorations included a park bench, street lights and pretty streamers. For favors each senior was presented a glass with his or her name written on it.

A Prom king and queen were elected this year by the juniors. Miss Eltina Scott and Mr. Mark Horne were the happy recipients.

Prom '79 was a great success, and enjoyed by all in attendance.

A mother (Sheila O'Bryan) realizes that she does not have enough money to send her daughter (Angela Crump) to college for her sophomore year. Mother gets a scholarship to attend her daughter's college as a freshman. The Dean (Clay Forsythe) tries to dissuade mother, but the biology professor (Terry Cain) and the B.M.O.C. (Brian Henry) and all the students rally around to bring success to the project, after many crisis, and pleasure to the audience.
