Reflections Of 1980

The reflections on a day well spent furnish us with joys more pleasing than ten thousand triumphs. — Thomas A. Kempis
The President's Message
By Bart Rogers

There are two things that stand out in my mind about our high school. They are things that are unique to us. The first is the atmosphere and the attitude of the students and faculty at Paris High School.

In 1976, Mr. Goins took the Principal’s position at PHS, and he has become a stabilizing force at our school. We have a great staff, and they are dedicated to the education and well-being of every student. The second great characteristic of our school is the quality of education available. Even with a small enrollment, we have an excellent subject selection, a college-prep program to challenge our top students; a new business department, and a wide choice of electives to round out the curriculum.

I’m proud to have been a student in the Paris City Schools, we have a fine system. I believe great things are going to happen in the future. We’re no where near dead, we’re just getting going good! The years ahead will prove me right.

Senior Class officers are Bart Rogers, President; Louis Scott, Vice-President; Lee Ann Beheler, Secretary; Cydney Parker, Treasurer; and Carol Shriver, Student Council.

Senior football players and homecoming court are: Victor McKee, Cheryl Bannister, Queen Cydney Parker, Anita Howard, Carol Shriver, Clayton Brooks, David Lanter, Bart Rogers, Brian Clark, Terry Kenney, and Buddy Whitaker.

Providing an educational program for the community is the only reason for the existence of the Board of Education. Without this program all of the efforts of the board, the administration, and the teachers would be wasted. The board is composed of five elected members as designated representatives of the community with the responsibility to provide local control in the policy-making and supervising authority for the community's schools. A successful and effective board requires specific, dedicated, and cooperative effort on the part of each individual board member with the total commitment that no one may be excluded from the opportunity for an education and that the better the education, the better the citizen. The future of our community and our nation is dependent upon our abilities to put children first in the development of fundamental needs and with God's help these goals will be attained.

Mr. Gene Wright
Director Of Pupil Personnel
Mr. Homer H. Goins  
Principal, Paris High School

I accept the exciting challenge to be the principal of Paris High School during the eighties! Paris High School, without a doubt, is the BEST high school in the state of Kentucky. We have much for which to be thankful for in our school system. We have, for the most part, good conscientious students, excellent faculty and dedicated secretaries and janitors who work together as a team. We pledge to continue upgrading academics, speech, band and various clubs as well as athletics during the next year. I would like to issue a challenge to our students and staff, to give their BEST for themselves and Paris High School during the coming year. As Rosey Grier said, "You can never fail if you never quit." We at Paris High School will not quit — we will succeed in offering a quality education for all those students who earnestly seek the better things in life.

Miss Betsy Brooks Woodford had been a noticable asset to Paris High School and an inspiration to all the students here. She has not only taught French, Spanish and English, but she has also sponsored the French club, the Spanish club, at the Junior class as well as the Junior Prom, and the Senior class.

She has been totally dedicated to our school and has had a tremendous impact on the school system. To show our appreciation for all her loyalty and hard work, we, the Annual staff of 1980, dedicate our yearbook to Miss Betsy Brooks Woodford.

The National Forensic League is a national speech organization in which outstanding speech students are honored. Students become members by earning N.F.L. points at their competitions. At the right are Paris High School's honored N.F.L. members, Taren Estes, Dorothy Kaufman, Cydney Parker, and Melanie King.
Practical Application Through Industrial Education

Success in Vocational Education depends upon the individual student; his/her mental and physical well-being; desire to learn; regular school attendance; the ability to work with others. In addition, safety rules must be strictly observed, and each student must consider his/her behavior and its affect on others in the shop.

Open Doors For Women

Clark County Vocational School not only offers today's woman careers in the Health fields, they have opened their doors to the changing times. Women who wish to "get into the grease" right beside the men are now able to do so. So you see girls, some of the old-fashioned traditions have left us.
A Technical Education At Our Disposal

The main objective of Vocational Education is to prepare persons to have entry level skills to enter the job market.

With more jobs requiring technical training, it is important that students learn the value of Vocational Education and take advantage of the many courses that enable them to obtain marketable skills and positive work attitudes.

Winners — And Only Two Years Old!

The Future Business Leaders of America Club of Paris High has done very well during its second year. They sponsored many worthwhile projects to serve their school and community. Such projects included the "Sitter-Service" provided during Parent-Teacher Conference Day and the "Faculty and Staff Appreciation Breakfast" before semester exams. They also went roller skating in February.

Some of the members were recognized at the Regional Leadership Conference at Morehead. Becky Tolle took second place in Stenographer I, and Rhoda Bryant, Missy Earlywine, and Denise Hutchinson took third place in Bulletin Board. These people along with advisors, Mrs. Armstrong and Miss Fields, went to the Kentucky State Leadership Conference in Louisville. There Miss Tolle placed 5th in the State Stenography competition.
Homemakers Get Involved In Projects

The members of the F.H.A. Club were involved in a wide variety of activities this year. Some of these included: F.H.A. Day, their annual Christmas party, and selling flowers. They served our community by working the Heart Fund Road Block.

The members and sponsors, Mrs. Johnson and Miss Cox, are working hard preparing for affiliation with the state next year. This summer the club plans to attend the regional and state meetings.

Talent

The Art Club members were involved in a number of events. One of the most important was the painting of the front doors of PHS at Christmas, under the direction of Ms. Keeton. They also were involved with papier mache and ceramic projects, which were put on display in the trophy cases. Thanks for providing our halls with such unique examples of creativity.

Their work was displayed and judged at the annual Spring Arts and Music Festival and the school was certainly proud of the tremendous exhibit.

The stenciling of tee-shirts was a favorite project of the art students and below we find Jean, Terri, Ruthie, Jamie and Cheryl working on their creative designs.

A Note From Editor
Vita Dykes

The Hi-Lites Staff has worked very hard this year under the new supervisor Ms. Keeton. The year got off to a smooth start and editors Mary Lou Zuniga and Vita Dykes had to keep on their toes. A lot of long after school meetings were held to type and layout the paper.

This year the paper went under a change. It is now being published by the Paris Enterprise. This has been an improvement in the looks of the front page which the Enterprise also typed for us.

Hard work and dedication from the staff members helped the Hi-Lites staff to have a great year.

Parisonnaires Continue
To Be Superb

Have you passed by the FAC and heard beautiful singing from the higher lofts? If so, we will let you in on a little secret. Those voices are from the great Parisonnaires.

They practiced long and hard and came up with a super Christmas program again this year. It has become an annual tradition to present "The Christmas Story" and each year it becomes better.

Timmy Cain, Melanie King and Sherry Allen each sang a solo and everyone thoroughly enjoyed the inspirational lift of spirits it provided. Congratulations, Mr. Siwicki, on a superb program.

The talented group presented their program to a number of community organizations and the DAR.

Baccalaureate would not be the same if they were not featured on the program.

Besides beautiful music this group also works hard to help sell tickets for the Spring Concert and to make the band auction a huge success.

Taren Estes, the narrator of "The Christmas Story" did a super job.

Above we find a part of the musical family participating at the Christmas program.
Sherry Allen singing “Noel” and Timmy Cain’s rendition of “O Holy Night” added beauty to the Christmas program.

From dazzling dresses and suits and ties to jeans and sneakers doesn’t have a thing to do with the way one sings. Here we find the musical family, “The Parisonnaires,” posing for their yearbook picture as happy and talented as before. This merry group is made up of: Reba Dodge, Kathy Smart, Sherry Allen, Kaila Emerson, Patrice Holman, Vita Dykes, Charlotte Arnold, Mr. Thomas A. Siwicki, director; Owen Gorey, Orville Nutter, Margaret Brooks, Janie Baker, Renee Zuniga, Taren Estes, Melanie King, Darren O’Bryan, Timmy Cain and Pat Fitzwater.

In every group there is the clown and here the camera caught Melanie’s head sprouting a beautiful red poinsettia. Who could those hands belong to? The musical maestro maybe?
Assistant Editor Debbie Duvall and Editor Lee Ann Beheler show a smile and sigh of relief knowing the last pages have been completed.

Advertising plays an important role in the book and here we find students selecting businesses for their solicitation.

"Hurry Orville, I have something to type for the yearbook." That's odd — when the material doesn't say anything about yearbook!
A dedicated senior rose to the occasion this year and worked extra hard drawing layouts and writing copy. Hats off and many thanks to Linda Purcell.

The Hardest Decision — Cover

The Yearbook Staff worked extra hard to design a cover that would pay tribute to our school and still stay within the financial budget. The hours and disagreements paid off!

Even lunch time serves a useful purpose. Here we find sponsor, Wanda Richard conferring with editors Lee Ann and Debbie.

This was truly a fun and rewarding year for everyone in the Latin Club.
The French Club, sponsored by Miss Betsy Brooks Woodford, has different activities throughout the year. French students perform plays in French, they watch filmstrips about France and the French, they have guest speakers, they play French word games and they sing French songs.

TERRY KENNEY — Playing football my senior year at Paris taught me how to accept losing as well as winning. It was a challenge to me and I really enjoyed the sport, and I especially liked the coaching staff.

CLAYTON BROOKS — The '79 season brought the players closer together as friends and teammates. The new coach brought in a new system of Christian fellowship which will be with us always.
A Challenging Season For All

This season opened new avenues for all involved. It allowed the players to see the game from a new position, to approach its fundamentals and application from a new direction. Our knowledge of the game was certainly broadened. We were often slow in catching on; new techniques and habits were hard to grasp. The season began slow, with three straight losses, but we recognized more and more each week the growing potential our team had. We finally got that first win and it was one of the sweetest ever. From that point we were 5-2, with only a terrible let down and loss against a talented team blemishing the rest of the season. But over all it was an excellent year, one we will always remember.

Bart Rogers — The ’79 season was an excellent one. Though our record was only 5-5 we had a lot of fun in between all the hard work. Coach Reese is a walking example of a class person. I want to thank him and the underclassmen for making it such a good season.
DAVID LANTER — My senior year of football taught me how to accept changes, as I had always played for Coach Goins when Coach Reese came to Paris. I am glad I played, it gave me a lot of good memories.
Here we see Mr. Roger Williamson presenting the WBGR Paris Player of the year award to Brian Clark.

BUDDY WHITAKER — Playing football for Paris has given me a great deal of Pride. Football has taught me that to be a success, you have to work and when you're down you have to work harder to get back up. Thank you underclassmen, for making it a great season. Coach Reese you are a real "class A" person.

BRIAN CLARK — The 1979-80 football season was a good one. We had a slow start but because of confidence in Coach Reese and the coaching staff we had a 5-5 season. With a new coach and new plays, self-discipline made the difference.
The Basketball team got off to a good start but had a roller coaster season.

The Hounds brought home a couple of trophies from tournaments. They won third place in the Pikeville Invitational Tournament where James Tucker and Dana Brack made the All-Tournament Team. They also were runners-up in the 37th District Tournament and were allowed to travel on to Mason County to participate in the 10th Regional Tournament. The Hounds were defeated by Clark County in the semi-final game which ended the Hounds season with a 13-16 record.

The Hounds had three players who received special honors:

- Dana Brack, second team All Central Kentucky Conference and All Regional Team; James Tucker and Elgin Downey, All Central Kentucky Conference honorable mention.

The Hounds didn't have a lot of size, but there were certain factors which led them to play with other teams bigger than they were and that was their determination to win, their amount of hustle, and the amount of discipline shown.

The Hounds will be losing 5 seniors who we would like to thank for their contribution to the team game. They are Dana Brack, James Tucker, Elgin Downey, Buddy Whitaker, and Clayton Brooks.

The smallest man on the team is not always the smallest contributor. Gary Brooks is tiny, but he has given so much of himself to sports at P.H.S., that one tends to overlook his size. Thanks, Gary, for adding so much style to P.H.S. sports.

Award winners at the basketball banquet were: Ken Edwards, Most Improved; Myron Coleman, Sixth Man Award; Bobby Wilkerson, Most Improved; Charles Cummins, Most Improved; Gary Brooks, Assists.
One of the most outstanding Seniors was Dana Brack. Dana devoted himself totally to the game and pulled the Hounds through many rough places. Thanks, Dana, for being there when we needed you.

Among the many award winners at the basketball banquet were: James Clark, 110% award; Terry Rice, Sixth Man Award; Robert Maggard, Assists; Delmon Johnson, Best Defensive Player; Darwin Hawkins, Sixth Man Award; Deric Pierce, 110% Award.

Additional awards went to:

Seniors Mary Lou Zuniga and Cathy Stiles hold high the 10th Region championship trophy.

The perfect follow through calls for a perfect shot.
The Year In Basketball

The girls basketball team of 1980 was to be the weakest of all teams that Coach Judy Cox had ever produced. After the loss of four seniors, two of which started, the Lady Hounds felt that they were at the end of their rope. But because they were determined not to let the Lady Hound dynasty fade, they spent long hours of dedicated practice to become one of the top ranked girls basketball teams in Kentucky.

They not only won the Lady Kat Invitational, Central Kentucky Conference and the Shelby County Christmas tournaments, but also the 37th District tournament for the sixth year in a row and the 10th Regional tournament for the fourth year in a row. They were also able to give Miss Cox their best career record as coach, losing only four games.

The year of 1980 will always be remembered by the team and fans as "the year in basketball."
Lady Hounds Receive Much Deserved Awards

The Lady Hounds received their honors at the annual Basketball Banquet. Dee Dee Stiles proved herself this season as the Most Improved. Sharon Crumbie took that important 6th Lady Hound trophy and co-captain Mary Lou Zuniga who helped keep the team together received the outstanding leadership award.

Jennie Redwine rightfully deserved the Hustlin Hound award and her hours of practice at the free throw line won her the Best Free Throw Percentage trophy. Tina Vance was another 6th Lady Hound award and Kelly Galloway with her many moves won the best defense award.
A Super Senior

In April Cathy Stiles signed a national letter of intent for a full athletic scholarship to the University of New Orleans.

The University of New Orleans is located on Lake Ponchartrain and has an enrollment of approximately 14,000 students. It is the second largest college in the state of Louisiana.

Cathy holds a Paris High record for her varsity career in basketball. She is the school’s leading scorer with 2,214 points and leading rebounder with 1,003 rebounds.

At the Awards Banquet, Cathy received honors as having the best field goal percentage, the most rebounds, the leading scorer, the most assists and the co-captain award.

Good luck to a super athlete.
Keeping Up The Pep

During the summer while others played, the cheerleaders put in long hours of practice each day. During the school year they could be found almost every afternoon after school practicing in the gym. They also spent a very educational week at camp where they learned new techniques and cheers.

They did a tremendous job in leading the cheers for football and basketball. Hats off to the Cheerleaders!

Junior Varsity Cheerleaders are: Angela Hutsell, Kathi Johnson, Denise Hutchison, Lucy Bell and Margie Peters
Varsity cheerleaders are: Mary King Logan, Jennifer Jones, Taren Estes, Melanie King, Lisa Puckett and Kim Whitaker.

Mrs. Helen Swinford, cheerleader sponsor and office secretary goes over some rules and regulations with two of the cheerleaders.

Parker Receives Gymnast Award

A "Rhonda Wilkerson Gymnast Award is presented each year to the most outstanding gymnast of the year. This year the award went to Sydney Parker, who along with teammate Orville Nutter, was named an "all-American High School Athlete."

Also on the team this year was Becky Fields, an eighth grader, who has much potential, and Mary Beth Turner who has the ability to do well in the next two years.

Mr. Art Sciubba, team coach, knew very little about gymnastics at the beginning of the year, but he is now a seasoned coach and expects great things from the team next year. You have nothing to be ashamed of this year with a fifth place in the region and bringing your deficit point standing from 40 to 8. Good luck next year.
Rene Zuniga, a junior returning to the squad, practices his routine on the parallel bars.

Cydney Parker, winner of the “Rhonda Wilkerson Gymnast Award” and an All-American High School Athlete poses on the balancing beam.

Mary Beth Turner, a promising star for next year, practices her back walk over.
P.H.S. Track Team Does Well

The track team was led by the efforts of Lindrell Blackwell, Timothy Crumbie, Debra Washington, and Regina Jones. The boys track team was successful throughout the season showing much improvement and winning in the big meets. They only placed 6th at Bellvue, but rebounded through hard work and placed 4th at Boone County. The Boys finished 4th in the Region and 5th in the Section. Lindrell placed second in the State meet to break a state record and Tim Crumbie placed 4th in the Triple Jump with a 41'9". The girls on the other hand were very young and inexperienced. Much emphasis was placed on conditioning and learning how to run in order to develop themselves into future competitors. The girls team was led in scoring by Regina Jones and Fracine Smith — both Middle School participants. Debra Washington led the way for all performers to watch and copy as she trained very hard to achieve outstanding results.

The highlights of the season was the 1st annual Paris Relays, qualifying 90% of our team in the Regional Meet and getting to know a new coach with different ideas about training and conditioning for a bright future.

Bellvue Invitation Track Meet Winners

A perfect day weather wise for a track meet made a perfect day for PHS tracksters. They brought home a 4th place team effort with Kirt Strawder jumping 6'0" in the high jump, for first place. Ivan Rice ran the 100 yard dash in 10.5 seconds to place second. Another second place winner was Lindrell Blackwell in the 300 Meter Low Hurdles at 40.11 seconds. Absent from our picture was Timothy Crumbie who jumped 42'11" to bring home a first place in the Triple Jump.
Team warms-up before a track meet.

Senior Kirt Strawder will be remembered as a 5'7" high jumper that cleared 6'1" and consistently placed 1st in all track meets. He won the region.

Kirt also helped the team in the 300 meter low hurdles and in the 880 and mile relays.

Ready to throw the discus, Mark Bell concentrates on the length he must obtain for a winning throw.
Girls 440 Relay Team, Debra Washington, Yvette Rice, Cydney Parker, Becky Fields. Their best time was 53 seconds which qualified them for the sectionals.

Seniors Debra Washington and Shannon Richardson practice the batton exchange in preparation for relay competition.

Making it over successfully, Lindrell Blackwell is teaching 7th grader Francine Smith how to step run the hurdles. Lindrell
broke the school record for the 300 meter hurdles three times and set the Regional record at 39.3.

Without the support of the Middle School girls, the varsity girls track team would probably be nonexistent. All the Middle School performers were exceptional; especially Regina Jones, recipient of the outstanding Middle School performance award.

Regina is currently .7 of a second away from the school 220 yard dash record. Come on, Regina, everyone is cheering for you.

Outstanding sprinters in the 100 meter dash were Debra Washington, Ivan Rice and Becky Fields.

Debra and Ivan set school records of 13 seconds and 11 seconds respectively in the 100 meter dash.
Boys Tennis Team was composed of Andy Nutter, Bobby Wilkerson, Mark Mack, Dennis Workman, Louis Scott and absent from picture, Rodney Roe.

All In The Swing

Even though the tennis team did not have a winning season, they are looking forward to a better year in 1981. Bobby Wilkerson says, "We did well, considering we played some of the best teams in the state." The gentlemen will lose only one senior, Louis Scott, while the ladies will lose Cathy Stiles and Lisa McFarland.

Ladies Tennis Team was composed of Sharon True, Gay Nutter, Lisa McFarland, Kelly Galloway, Cathy Stiles and Dee Dee Stiles.
The Champ

Gay is the defending High School Girl's Champion. She is ranked number one in the state in Girl's 16's and Women's Open Divisions. She is ranked second in the Southern Section of the U.S.T.A. and thirty-third nationally in her age division.

During the past year she has competed in the U.S.T.A. National Girl's 16's Tournament, the Clay Court National Championships, the National Indoors, the Sugar Bowl and Orange Bowl Tennis Tournaments, the Seventeen Magazine Tournament of Champions, The Southern Closed, The Kentucky State Closed and Kentucky State Indoor Tournaments.

This school year she has been undefeated in regular match play and won the Central Kentucky Conference Title for the sixth straight year. In May and June she will defend her State High School Title.

Kelly and Cathy await Gay's return of the ball as Dee Dee cheers her on and Lisa and Sharon watch the action from side court.

## We Are A Family

The Paris High golf team made it a family affair this season. Of the eleven young men on the team, all but two, Judy and Layson are brothers. We have the Wells brothers, David, Darryl and Donald; the Wall brothers, Kent and Brian; the Beheler brothers, Scott and Hart; and the Galloway brothers, Jeff and Dwight. This family had a real good season this year and they will all be back next year to tee it up.
Breakfast Program Implemented At PHS

When it comes to growling tummies and sleepy students there should have been none this year. This year the cafeteria implemented a new program. Besides serving lunch they served a good hot breakfast for all interested students in the morning. Helping out in the morning was Orville Nutter who was on the job everyday at 7:15. When asked about the early hour Orville's reply was, "Getting up early in the morning is kind of awkward, but working with all of the students and the Food Service personnel seems to add light to every morning".

At lunch time Becky Tolle was on the cash register in the hamburger line. She enjoyed her work and plans to be back next year at her station.

We thank the Food Service personnel for a fine job this year.

Miss Ivela Avery, Mrs. Anna Farley, Mrs. Johnetta Reed, Mrs. Lula Bradley, Mrs. Pearl Dunn, Mrs. Amo Sanders, Mrs. Ada Johnson, Mrs. Willie Mae Fields, Mrs. Brenda Marshall, Mrs. Evelyn Marshall, Mrs. Mary Pochodzay and absent Mrs. Betty Smith.
Happy Queen Beheler receives her bouquet from Junior Class President Jeff Layson as King Tim Jackson looks on.

Evening In Paradise

It was a cool night, but inside the PHS gymnasium the world of reality was transformed into an “Evening in Paradise” complete with rescued ship filled with special memento bottles predicting their future.

The guest danced under a canopy of blue and white streamers to the music of the Tri-Ad band.

The highlight of the evening was the crowning of Queen Lee Ann Beheler and King Tim Jackson.

Prom Queen Lee Ann dances with date Kent Duvall.
No matter what anyone thinks, a prom is never thrown together at the last minute and these four teachers, Mrs. Ginger Wallace, Mrs. Carolyn Brannock, Miss Janice Cox and Mr. Larry Klinefelter, can testify to the many hours of work that were spent in preparing the "Evening in Paradise".

The "Pride-in-Performance" People
Reflections of laughter, good times and bad-
Memories of experiences we've all had.
Don't forget us old Paris High School
'Cause wherever we are, we'll be thinking of you.

You filled our young lives with wisdom and knowledge —
To you PHS, we give our homage.
The teachers gave us more than our share
Their time and effort showed how much they cared.

And when pages of yearbooks lose their color —
And corsages and pictures just get duller —
Our memories can't fade, they'll stay bright and new —
And when our minds wander, we'll remember you.

As friends part their separate ways —
Only the miles will separate their days.
But our minds will unite when they wander back here —
To remember and wish of yester year.

With misty tears of joy and sorrow —
We bid you farewell ... till tomorrow.
