Mini Mozart At Paris

The talent of Kathy Smart is exceeded by no one when it comes to playing the piano. The very dedi-

cated senior has been taking piano lessons since the second grade and since then has played for eighth grade graduations, Baccalaureates, and numerous plays, programs, and weddings. She also is the accompanist for the Parisonnaires. All of this doesn't keep her too busy, however, as Kathy also plays clarinet in the band and teaches piano herself as well as playing the organ for the First Methodist Church.

President's Message

There is something special about PHS that allows it to hold a special place in the hearts of its graduates, students, and faculty. The atmosphere that exists, the closeness of everybody connected with the school, enables PHS to maintain a perfect combination of a quality education and a fine extra-curricular program.

The educational standards at PHS have always been noted for their excellence. The main factor in maintaining our educational excellence lies in the fact that we have a top-notch faculty that fully understands every aspect of the students' needs.

Like the educational program, the extra-curricular activities are first-rate. Our athletic programs produce contending teams year in and year out. Few schools in the state can claim this.

Paris is a school so rich in quality and tradition that it will live forever — no matter what some people may think. Paris has what every school needs to be a successful institution — a fine student body, an excellent and understanding faculty, and the pride to see that anything done in the name of this school is done well.

Counselor's Office Is A Popular Place At PHS

To many students, Mrs. Scott's office is just like another classroom and they go there just like any other class. Why? Because Mrs. Scott is a friend, always there when you need her and always willing to help any student with any problem he may have.

At right, Mrs. Scott talks with Karen Myers while Jayne Robin uses the Career Ed. View Deck to help find a job or career that she might like to have in the future.

At left, Beth Bonnette and Karen Dray, sophomores at PHS, serve refreshments during Career-College Night.

Stable Mates

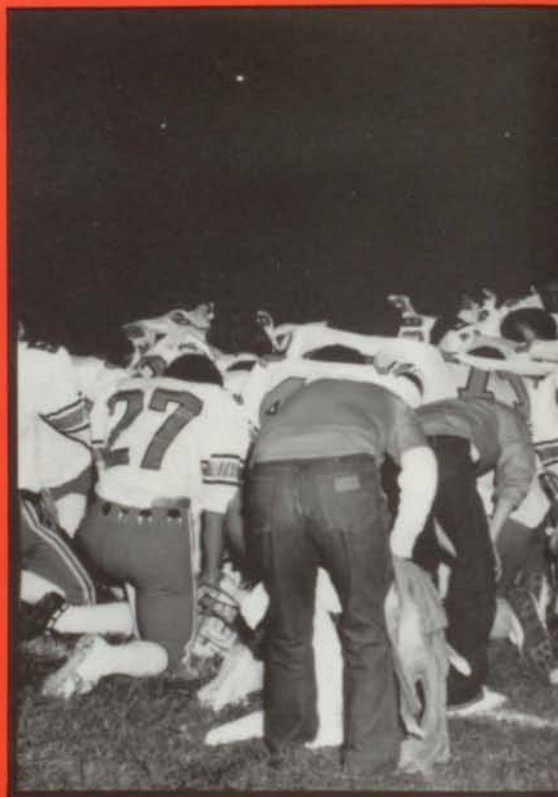

Spirit was great this year at Paris High. Here, Angie Hutsell leads students in their support of the Hounds.

Band members carry the Greyhound Spirit "All the Way" to Owensboro.

Trumpeters Bobby Wilkerson and Billy Turner work hard to become the "Chuck Mangiones" of tomorrow.

Doing Their Thing

We knew accounting was rough, but we never expected anything like this.

Painting faces, wearing crazy costumes, and making all sorts of noise were just some of the ways students showed support for their athletic teams.

Dedication

After 38 years of teaching, the last 15 at Paris, Mrs. Anna Johnson has become an institution within an institution. Aside from helping a countless number of students down the paths of learning, Mrs. Johnson has many educational achievements herself. She has received her B.S. degree from Stephens College, her M.S. degree from Ohio State University, as well as her M.D. degree from the University of Kentucky. Here at Paris, she has taught science, biology, and home economics. She has also sponsored the Future Homemakers of America club.

Her interests are numerous and varied with photography and traveling being two of her favorites.

It is with sincere appreciation of her faithfulness and interest shown to the students of Paris High School that we, the annual staff, dedicate our 1981 yearbook to Mrs. Anna Johnson.

Paris Board Of Education

Mrs. Ted Wiseman is the fourth woman to serve on the Paris Board of Education.

Dr. David Gover, Superintendent; Mr. Wayne Stocker; Mr. Thomas Skeen, Chairman; Mr. Elwood Parker, Vice Chairman; Mr. James Coons; Mr. Robert Wilkerson and below the newest member Mrs. Ted Wiseman.

The closing of the 1981 school year leads one to dwell on fond memories at the Paris High School. The teachers and staff can look upon the fruits of their labor and be proud of their untold efforts.

On behalf of the Paris Board of Education I thank the community for their total support, the teachers and staff for their dedication and pride and to the students for their achievements.

The class of '81 has continued the outstanding tradition and are fine examples of the quality school you all have worked so hard to develop.

Congratulations to the Seniors of 1981 and good luck to you in growing, learning and contributing to society in the future.

An individual's application of himself to the attainment of knowledge is an investment which, with certainty, provides numerous and enduring dividends. Learning must continue throughout our lives if success is to be achieved. The time you have spent at Paris High School hopefully has given purpose, direction and inspiration to each of you in order that you may realize to the fullest your every dream. If Paris High has adequately provided you with experiences on which to found a rich life, dedicated to service to other, then it successfully achieved its goal for you.

1981 Homecoming Queen Miss Melanie King

The 1980-81 Homecoming festivities came to a climax as Miss Melanie King was crowned Homecoming Queen. Melanie is the daughter of Mr. & Mrs. John S. King. Paris Mayor Doug Castle did the crowning as last year's queen, Miss Cydney Parker looked on.

Before the crowning, all of the Homecoming Princesses walked onto the field accompanied by their escorts as the band, led by Mr. Siwicki, played. The senior court consisted of Miss Johnetta Black, Miss Deana Hutchison, and Miss Debbie Jackson.

Melanie was not the only one who had a successful evening. The football team romped over Frankfort by a score of 20-6, the dance, held after the game, was also lots of fun for those students who attended.

Once again this year, the FBLA Club was quite active with its activities for the school, club, and community.

A sample of some of the club's projects included setting up a "mini blood pressure clinic" in the library, having a bake sale for the FBLA scholarship fund, giving a Christmas basket (full of canned goods, toys, and clothes) to a needy family, and helping with the Heart Fund drive.

Several of the FBLA members made an impressive showing at the annual Region IV Leadership Conference. The scrapbook placed third in the scrapbook competition and Jeff Layson placed second in the Accounting I competition. Jeff and four members of the scrapbook committee Sharon True, Beverly True, Janet Kenney, and Cheryl Prince went to the State Conference, which was held from April 26-28.

The PHS Band under the direction of Mr. Tom Siwicki had a very busy and enjoyable year. The band season started early with Tracy Kookendoffer and Margaret Forsythe attending drum-major camp and the flag girls and majorettes attending Camp Crescendo. Vicki Cavanaugh was crowned Miss Camp Crescendo. In August the full band attended a camp.

Since then the band has been very busy with over forty performances including football games, a contest at Owensboro, basketball games, Christmas parades and programs, Spring Concert and Graduation. Although it has been busy the band has enjoyed the year and we thank them for jobs well done.

The Parisonnaires have kept their vocal cords busy this year. Two memorable events were the Christmas program and the Spring Festival which are held each year, always with something new and exciting.

Members of this talented group are Margaret Brooks, Reba Dodge, Trish Holman, Michelle Marks, Monica Williams, Taren Estes, Gina Jones, Lisa Warfield, Melanie King, Pat Fitzwater, Timmy Cain and Rene Zuniga.

Miss Kathy Smart, the accompanist for the Parisonnaires, will be missed. Kathy, we congratulate you for the fine performances and wish you luck in your future musical career.

Here we find some dedicated editors pounding out their latest stories.

Melanie King, editor of the Paris High Pride, did an excellent job this year. When asked if there were any trying times she replied, "Sure, there were disagreements and getting on each other's nerves, but also there was joy we all shared when the newspapers came out."

Hard Working Staff Puts Paper In Winners Circle

The newspaper staff really had its work cut out for it this year. For the first time, the Journalism class was responsible for getting the newspaper ready. The first accomplishment was to completely renovate the newspaper. A new name was chosen, The Paris High Pride, which replaced the former Paris Hi-Lites. Then the students set out to execute their newly-acquired journalistic techniques. Vast improvements were made in layout and design with the scope of

the paper including school, local, and international issues.

The work was hard, but under the leadership of Mrs. Mary Dickerson, the "new" school newspaper was a great success. The Paris High Pride Staff can consider their paper in the "winners circle."

Johnetta Black selects pictures for layout.

Bonnie Jolly types final copy.

Junior Editors, Mary Beth Turner and Tracey Kookendoffer, spent an hour each day putting the book together.

Staff Crosses Finish Line

A mad dash for the deadline date was finally met by the Annual Staff. A hard sales and advertising campaign opened the school year. Lots of picture taking and decisions over which one to use, along with copy writing, was an experience within itself. As June 1 fast approached, there was some apprehension as to whether we would cross the finish line at all, but with everyone's help a successful year was once again achieved.

French Is Fun

Once again, the French Club had lots of activity and fun under the leadership of Miss Betsy Woodford. This year, the club watched movies, saw cartoons, worked French puzzles and sang French songs.

The 1980-81 school year was a good one for the Speech and Drama Club under the direction of Mrs. Kenney Roseberry. Through many hours of coaching, she and her club managed to bring back to Paris High honors of the highest sort. Besides gaining several new National Forensic League members, the club was represented at the state meet by three fine young ladies: Lynn Williams, Melissa King, and Taren Estes. In past years the Speech Club has dwindled in membership and activeness, but this year, by constantly competing, the club has once again been brought back to life!

The newest club at Paris High School is also one of the most enthusiastic. Teens Who Care is not even a year old but has already involved itself in many worth while projects. Some of the projects include helping the Women's Club with "Visit Santa Day" and Christmas caroling at Hopewell Home. Under the leadership of Mr. Bill Barrese, the Teens Who Care have also sponsored a dance, helped run the St. Judes Bike-a-thon, and donated money to CARE for World Hunger.

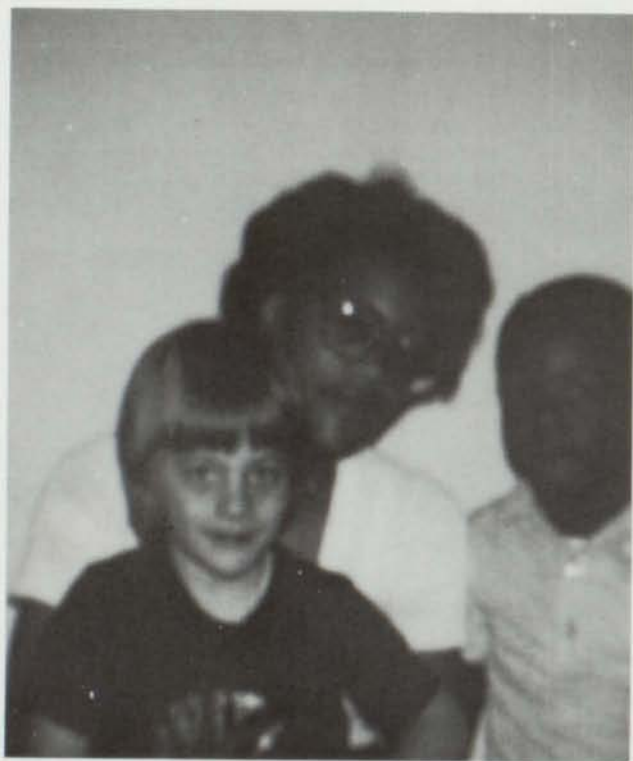

The purpose of the organization is to serve the

community through group projects. Another important purpose of the club is that it exposes students to social work and they can therefore decide if they would like to go into that type of work. Mr. Barrese puts it this way: "Working in the club gives students a chance to give something of themselves. Also by being in the club they can gain a sense of worthiness."

Mr. Barrese, whose main job is to give advice, and his club are always looking for new projects.

Thanks, Coaches

Any athletic team is only as good as its coaches. It is the coaches, who are the leaders, who provide the instruction and inspiration for excellence on the playing field. They live with the glory of victory and the humiliation of defeat. It is with appreciation for their never-ending dedication to excellence, fair play, and good sportsmanship that we salute our coaches.

District Title Back Where It Belongs

The Paris Greyhounds football team had a successful season this year. During the 1980 season, the Hounds won 6 games and lost 6, had a four game winning streak, won their first District Title since 1974, and went undefeated in CKC play at 4-0. The Hounds had a tough schedule this year playing four teams that were at one point ranked No. 1 in Class A and two teams ranked as high as No. 2 in the state. The Hounds also played two 3-A schools.

Paris did manage some glory moments during the year. The team's great comeback against Harrodsburg to win 22-20 and their almost upset of Paintsville (ranked then No. 1) are just two of the high points. Paris managed a big win over No. 2 Berea and a beautiful victory over always powerful Richmond Madison. The individual highlights of this 1980 season were Timmy Dale's 204 yards rushing against Nicholas County and Dwayne Duncan's fumble recovery against Bourbon County.

PILE UP! It looks like we're trying to run the ball. It also looks like the opposing team is doing a good job of keeping us from it. Oh well, we'll blow their defense out of there next time.

CLEAR THE WAY, FELLOWS! James Clark is hoping his blockers can give him room to run for the first down or even more. What's a runner without blockers?

Winning Season Sparks Enthusiasm For Next Year

The 1981 Gymnastics Team, led by Coach Art Sciubba, had their first winning season, 15-7, and had a particularly outstanding competitor in Mary Beth Turner, their #1 girl, who placed 15th in the vaulting competition at the state gymnastics meet. Mary Beth averaged 22 points per meet.

Other members of the team were as follows: Jackie Kennon, a 5th grader, was the #2 girl and averaged 19.9 points per meet; Shannon Roundtree, a 6th grader, was the #3 girl and averaged 16 points per meet; Kim Sanders, specialized in Beam and Bars; Becky Fields, a freshman, was the #4 girl on the team and averaged 18 points per meet; Rene Zuniga and Mark Humphrey competed in the boys competition. Although very inexperienced, they were able to learn many of the basic skills needed to be a good competitor for next year.

Coach Sciubba remarked that, "A lot of hard work, long practice hours, and determination made this season successful. With everyone returning, next season should be better. The team goal is to qualify for the state meet."

Coach Sciubba giving instruction to one of the younger gymnasts.

Mary Beth Turner qualified in the State Meet in the Vaulting at 7.45 performance. Mary Beth was also a very dedicated gymnast who practiced constantly, especially on the Beam. She was the recipient of the Rhonda Wilkerson Award.

1980-81 Basketball Season Toughest One In Years

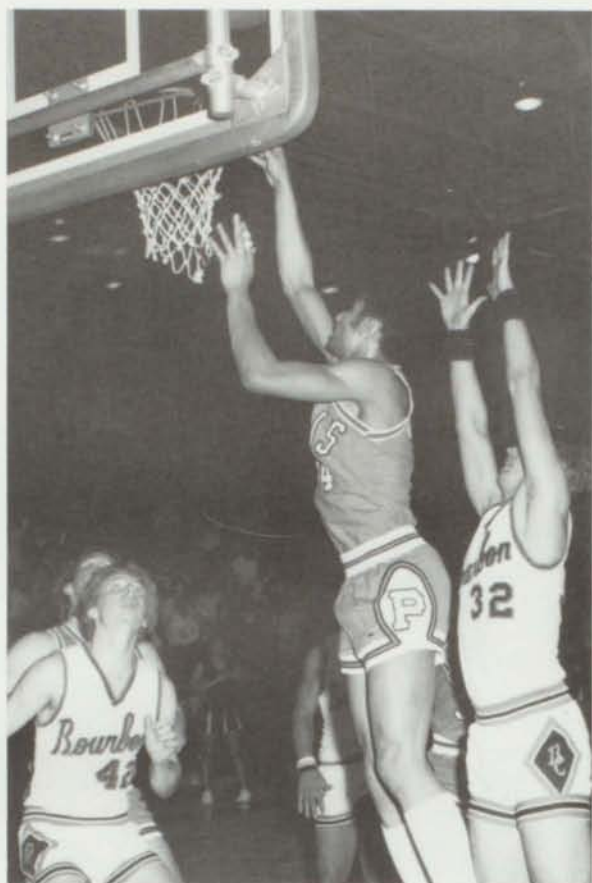

"I believe our schedule was the toughest Paris High School has played in the last 10 years," commented Coach Mark Crain. The Greyhounds did play against several tough competitors, and Coach Crain considered the month of February as the hardest on the team.

The highlight of the season came when Paris won an 18-point victory over the "people on the hill." (We all know who that is!)

What about the players' attitude? Coach Crain remarked, "Our players had a great attitude and the willingness to win." That's what helps make a fine basketball team.

TOO MUCH "D"! Eric Maschke and Myron Fryer put hard nose defense on a Bourbon County player.

Relay Team Undeclared

The men's 800 meter relay team (Richardson, Buckner, Blackwell, and Rice) was undefeated, breaking records at Bellvue, Paris, and the Regional Meet.

The men's (Buckner, Roe, Rice and Blackwell) and the women's (Arnold Rice, Jones and Smith) 1600 meter relay teams were successful, establishing school records at 3:31 and 4:19 respectively.

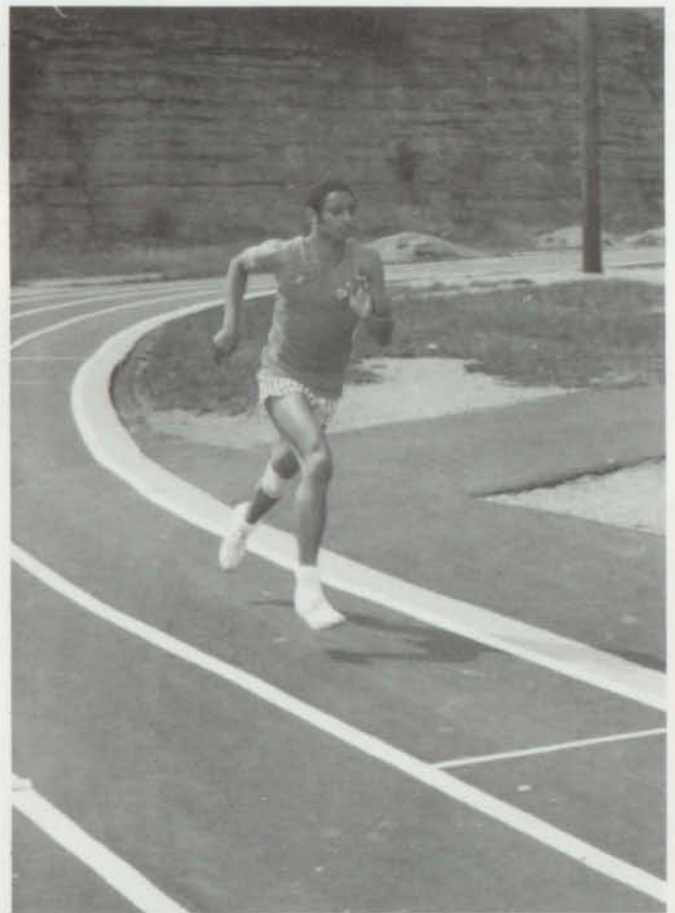

Discus thrower, Mark Bell, placed third in the Region (121 feet) and fourth in the Section Meet (123 feet.)

Scherl Brown throws the shot put and Discus for the women's team. She always qualified for the finals in all meets. A bright future is in store for her. She placed fourth in the Regional meet.

Blackwell Wins 1st in State 300 Meter Hurdle

Lindrell Blackwell, recipient of the Jessie Owens Award, broke the 300 Meter Hurdle record in the Regional meet (38.8), Sectional record, 38.8, and established a school record of 38.64. He won 1st place in the State Meet.

Lindrell was also undefeated in the 200 Meter Dash and established a school record of 22.6. If you think that is fast-his split time in the anchor lap of the 1600 Meter Relay got as low as 49 seconds on two occasions. He placed 2nd in the State Meet.

School Record Broken

Ivan Rice established a new school record in the 100 meter dash at 11.40 seconds in the CKC meet. Lindrell Blackwell set the school record in the 200 meter dash, 22.6 seconds, but the most astonishing feat came from the girls track team. Francine Smith, an 8th grader, established a school record in the 200 meter dash (26.3), ran a 200 meter split time of 25.8 in the 800 meter medley relay, and ran a 400 meter split time of 62 seconds in the 1600 meter relay. She placed 2nd in the Region; 1st in the Section and received an Honorable Mention in the State.

Outstanding Sprinters Francine Smith, Ivan Rice, Yvette Rice, and Lindrell Blackwell.

Track and Field

The Hounds caused a few people to take a second glance at their stop watch or tape measure this year. It was a year in which superb performances overcame the lack in depth. The boys and girls track team, under the direction of Coach Sciubba, molded their performances in the footsteps of Lindrell Blackwell. His habit of enduring hard work spread throughout each participant, enabling their performances to be in the limelight as they crossed the finish line in record breaking times.

The concentration at practice was much in demand, weight training, relay drills, 3-5 miles of conditioning circuits, and interval workouts, pushed everybody to their maximum capacity. In the end, the rewards were great.

Hardee's

Hardee's of High & Main Streets, invites you to get acquainted with our restaurant and delicious food. Feast on big, all-beef, charbroiled burgers. Roast Beef so tender and juicy, savory Ham and Cheese... and fries so crisp and tasty, they just might not make it to the table. Hardee's is now serving homemade Biscuit Breakfasts, too. Baked fresh every morning and served piping hot with your choice of chopped beefsteak, ham or sausage filling. So, for breakfast, lunch, snacktime or anytime, stop in to Hardee's at High & Main Streets, for the "best eatin' all around".

The "Pride-in-Performance" People

The Race Is Over

The race is over! Several runners were left standing at the gate while others tired in the middle. Once again, the long distance runners proved to be the winners.

Winning this race was, however, just the beginning for the young ponies. With experience from this race, they are already being prepared for the big one. The training will be hard and never ending, but the stakes are worth it. There is none bigger than THE FUTURE SWEEP-STAKES!
