# DEDICATION

TO THE CLASS OF 1981

Mark Twain, that wise old sage of yesteryear, told the following story which I believe is very appropriate here:

"When I was a boy of 14, my father was so ignorant I could hardly stand to have the old man around. But when I got to be 21, I was astonished at how much the old man had learned in seven years."

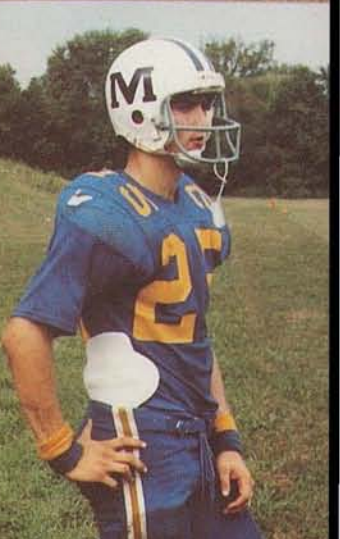

In your quest for learning listen to the great poets, study the great statesmen, work with the great thinkers, the great writers, the great historians, and "Stand Firm" with the moral teachings of the great saints.

And, like the boy in the story, you too may become wise.

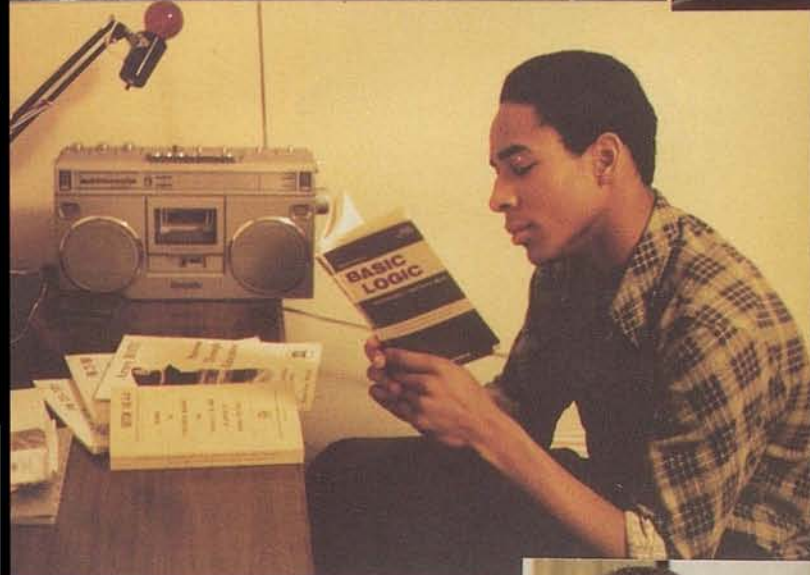

Adieu, my great friends, adieu!

*John H. Colbaugh*  
JOHN H. COLBAUGH  
President

# Millersburg Military Institute

MILLERSBURG, KENTUCKY 40348

(606) 484-3352

To our Graduates, Students, and Patrons:

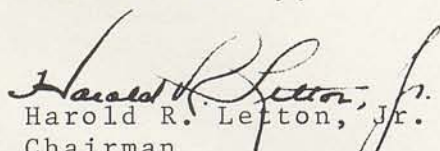

It gives me great pleasure, on behalf of the faculty, administration and Board of Trustees, to offer most sincere congratulations and best wishes to the Graduating Class of 1981. This class distinguished itself by providing the leadership necessary for a reinvigorated MMI. I know the students will continue to demonstrate their many abilities in all their future endeavors. I wish them well.

The school year 1980-81 was a turning point with the employment of a new president. We were more selective in enrolling only those students who we felt would benefit most from what MMI has to offer. Academics were geared to offering the basics and fundamentals with each faculty member challenging each student to perform to his highest abilities. The military department and military discipline were strengthened. Our athletic program and the quality of school life were excellent. The Class of '81 was instrumental in making it all work.

In these days of mediocrity in most things, MMI will continue to provide the best educational programs for those students who desire to participate in the unique programs we offer.

Class of '81, we will miss you. Students and patrons, we thank you for your continuing support. Rest assured that your school will continue to produce citizens who can and will contribute much to our Country and our way of life.

Most sincerely,

  
Harold R. Lepton, Jr.  
Chairman  
Board of Trustees

# *The Proud Story of Millersburg Military Institute*

*by Mrs. Sue Ingels*

A natural pride of many Kentuckians, a loyal Alma Mater to hundreds of men in all walks of life - not only in the United States but in several foreign countries - such is the gist of the story of Millersburg Military Institute.

For over eighty-eight years, MMI has been an integral part of Millersburg.

In 1893, after Kentucky Wesleyan College had been moved to Winchester, Mr. and Mrs. Carl Meade Best, natives of Virginia, came through Millersburg. They were interested in what they saw, obtained the building and grounds from the Methodist Church Conference and opened Millersburg Training School directly across the street from the present school.

The buildings were in such bad state of repair that boarding students were not accepted until 1898 when they bought the property and changed the name to Millersburg Military Institute.

During that summer, interested citizenry of Millersburg and Bourbon County held a public barbecue to raise funds to help buy uniforms, swords and guns for the 17 enrolled cadets for the fall term.

According to a 1913 MMI Commencement article, several thousand people attended the barbecue.

From then until the spring of 1920, Col. Best and "Miss Maggie" endeavored in every honorable way to maintain a school of high scholarship and "to educate the youth in good letters and in good manners". The motto for the school was (and is today) - Right Training Is Better than Riches.

In the spring of 1920, Col. Best sold his building and grounds to the Bourbon County Board of Education for a high school. The citizens of Millersburg and Bourbon County then began to make plans whereby the school could be continued as one of the nation's finest military schools. During the year 1920-21, it was conducted by Col. Nelson in the old public school building.

Seven Millersburg citizens formed a stock company, issued shares and in 1921 purchased "Forest Hill" built in 1851 by John Batterton for Mrs. William Nunn and then owned as a home by Sanfor Allen. With "Forest Hill" as a nucleus, it was proposed to develop MMI into one of the finest preparatory schools in the South. Buildings were erected in the summer and school was opened in the fall of 1921 with a good enrollment.

Col. W. R. Nelson, who had served as commandant under Col. Best, was superintendent for thirty-three years, retiring in June 1953.

In 1931, the MMI Board of Trustees bought the Millersburg Female College Campus three blocks from the Senior School Campus and established the MMI Junior School.

In the spring of 1944, the school was organized as a non-profit institution, with a perpetual charter and the governing in the hands of a Board of Trustees.

In July 1948, the United States 55c Reserve Officers Training Corps program was installed.

In January 1977, MMI went co-ed for day students. Girls had attended MMI before but not as cadets.

In June 1953, Col. Leslie C. Blankenship became the third Superintendent of MMI and served in that position until June 1962. He was followed by Col. W. D. Haynes who was Superintendent from 1962 to 1968. Col. Joseph R. Johnson was Superintendent from June 1968 to 1975. Col. Alvan C. Hadley was the next Superintendent from June 1975 to 1980. Mr. John H. Colbaugh is the present Superintendent.

During these years, MMI has worked not only toward scholarship and military proficiency but has participated in all sports and has attained championship status in practically every one.

In addition to the fields previously mentioned, the music and speech departments have won their share of honors.

1981 sees Millersburg Military Institute continuing to adhere to a tradition of excellence in academic and leadership training established in 1893. It is still her aim to develop the boys and girls of today into successful, self-disciplined, confident and responsible citizens of tomorrow.

After a 20 and 10 record in 1979-80 the Cadet basketball team completed their second straight winning season in 1980-81 with an impressive 19 win and 11 lost season. The highlight of the season came when MMI won two invitational tournaments and brought home the winner's trophies from the Bluegrass Conference Tournament and the Williamstown Invitational Tournament. The biggest win of the season came when MMI defeated county rival, Bourbon County (60-58) on the Colonel's home floor. For the first time ever, MMI had a first team all-state player in Alonzo Linner. Alonzo received a basketball scholarship to Morehead State University.

## Bluegrass Conference Tournament

MMI captured its first Bluegrass Conference Tournament title this year, in their third year of conference play. We defeated Richmond Model - coming from 15 points behind to win by a score of 65 to 61. The cadets downed Sayre 65-50 in the semi-finals, and defeated Mt. Olivet Deming 43-41 to bring home the first place trophy. It had been over 20 years since the Cadets had won a tournament.

dets who never trailed after  
ing control midway through  
second period. MMI led 29-24  
the intermission and 49-38  
er three quarters.

They're well-coached and  
Linner's super," Bourbon  
County head coach Russ Day  
said after the contest. "We had a  
lot of mistakes."

 Season Record 0-4

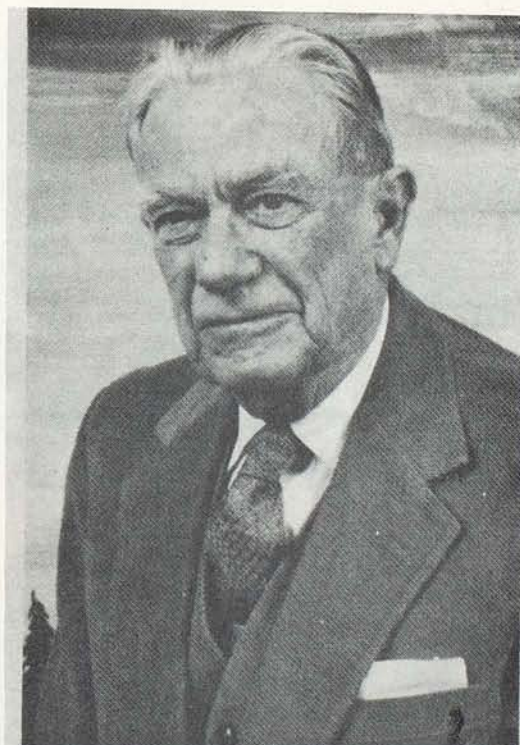

MMI  
GRADUATES HONORED  
1931 Class

Col. Leer  
As A Cadet

**EDITOR'S NOTE**—When Millersburg Military Institute holds its baccalaureate and commencement exercises this Saturday, it will be the 50th anniversary of the day when Col. James B. Leer, one of Millersburg's most distinguished citizens, was himself graduated from MMI. In recognition of this anniversary, Millersburg Mayor Edith Beeding last week issued a proclamation declaring May 16 to be "Jim Billy Leer Day" in Millersburg and calling on all citizens to honor Col. Leer for his contributions both to the community and the school.

THE ADVERTISER, MAY 13, 1981

Col. James B. Leer

In addition to being a long time member of the Board of Trustees including Chairman of the Board from 1972-76, he has been Chairman of the Development Program that was begun in 1974 and intensified in 1979 by the Matching Funds Program when an anonymous donor offered M.M.I. \$50,000 a year for five years if M.M.I. would raise \$100,00 a year for the same period.

After graduating from M.M.I., he spent one year at Berea College and four years at the United States Military Academy at West Point, graduating in 1936 with the commission of 2nd Lieutenant in the Infantry.

A third of these thirty years service was on overseas assignments in Hawaii, Guadalcanal, China, France, Germany, Saudi Arabia and England.

He was at Schofield Barracks in December 1941, went on to Guadalcanal as Commander of the 1st Battalion 35th Infantry and was serving in China at the end of World War II.

He was a member of the War Crimes Commission China, served in the Department of the Army Personnel and Operations General Staff positions, Army Advisory Group China, First Army and U. S. European Command, and was Regimental Commander of the 39th Infantry in Germany and at Ft. Carson, Colorado.

Col. Leer was also Chief of the Army Element United States Mission to Saudi Arabia, served as Information Officer at West Point and Continental Army Command and was Deputy Commander of XIV United States Army Corps when he retired in 1966.

His decorations include the Silver Star, the Combat Infantry Badge, the Bronze Star Medal, the Army Commendation Medal, the Legion of Merit and the Chinese Special Breast Order of Yun Hui.

In addition to his distinguished service to his country and his school, he has been very active in the Millersburg Rotary Club since he retired. He has held various offices, including that of President, and has been Chairman of various committees.
