Today as you reflect upon the past, may you know the pride of accomplishment . . . And tomorrow as you turn toward the future, may you know the warmth of friends, the beauty of life, and the joy of success.
Reflect On The Year '84-'85
And See If You Remember

— the first day of school and the disappointment you felt when you found out whose homeroom you were in!

— when you found yourself sitting beside your best friend's girl in English class and decided she wasn't half bad!

— when you had to kick your locker to open it and then wished you hadn't!

— when pep rallies were crazy, screaming exhibitions among classes!

— when Miss Cox won her 200th basketball game!

— when the cheerleaders weren't cheering!

— when winter coats, scarves, portable heaters, and hot chocolate weren't enough to keep you warm when the boiler went out!
— when the seniors decided to extend their free hours on Prom day and paid double time in D-Hall!

— when the football team lost to Beechwood and the State Championship!

— when the best part of the band trip was the bus ride!

— when Miss Woodford retired!

— when telephone calls were public listening!

— when Ernie was suppose to be the only one dismissed early from class!

— when chili was served every other Tuesday — regardless!
— when your lunch was bought at the bookstore and your table was the hall floor!
— when the Model Office was flooded and repairs took six weeks!
— when steak was served at the Academic Booster banquet — with no steak knives!
— when the track team had only five members — all who qualified for the regional meet!
— when the walls and lockers were orange/black instead of green!
— when academics overshadowed sports!
— when PHS beat cross-town rival in academics and basketball!
— when computers invaded PHS!
— when the senior trip was suppose to be to Kings Island!
— when Coke took on its new flavor!

Principal Homer Goins is shown congratulating and presenting Miss Clay with a gift of remembrance. At right Mr. Douglas Clay, the father of the queen, beams with joy. Miss Clay is flanked by the 1983 Queen, Miss Terri Shriver and her escort Mayor Doug Castle. Master Mathew McConnell and Miss Mary Beth Kearns served as crown and flower bearers.
The 1984 Homecoming Queen is the charming and vivacious Miss Carrie Clay. When asked what her initial reaction was when she heard her name called, “shocked” was her reply. “My next thought was how many good friends I have at Paris.”

It is not by accident that she has a lot of friends. Carrie is an honor student, who displays a liking for everyone she meets. Her wit, friendly smile and ability to get along with both students and faculty have earned her a spot in the hearts of all in the three short years she has been at P.H.S.

Carrie states that she “loves Paris High.” She is serving as a senior representative on the student council this year. She attends as many of the football and basketball games as possible. A job after school along with studying takes up most of her free time.

After graduation her plans are to attend Murray State University and major in finance and economics.

Congratulations Carrie and when you reflect back on your high school days, this is sure to be a most pleasant one.
Most Athletic — Tommy Skeen and Robin Redwine

Tommy and Robin have brought many accomplishments to our school's athletics. Tommy participates in football, basketball, and baseball; while Robin heads up the girls' basketball and tennis teams with outstanding statistics.

Wittiest — Myrin Roberts and Carrie Clay

Myrin and Carrie are known for their ability to create spontaneous laughter throughout the school day. Their ability to do this makes them popular with everyone.

Most Studious — Kirk Woosley and Beth Galloway

Kirk and Beth have always had their names on the faculty list and honor roll. Kirk is also involved with the Scholastic Challenge Team which requires much research and time. Beth has made straight "A's" during her high school career, which is an achievement in which she can be proud.

Most Talented — Reif Marler and Francine Smith

Reif and Francine are both members of the Paris High Band. Reif also displays his talent in art and athletics; while Francine can be heard singing with the Parisonnaires.
Who's Who

Best All Around — Bo Henry And Pamela Bass

Class Clowns — Timmy Rankin And Carla Lindsay

Carla and Timmy are at it again! With their bright smiles and cunning ways, they spread laughter throughout each classroom that they invade.

Best Hall Roamers — Mike Brady And Mary Clark

Mike and Mary can always be seen roaming the halls. Whether it's between or during classes they somehow have the knack for never being caught.

Most Likely To Succeed — Frank Whitney And Joy Mack

Success as defined by Webster is "the satisfactory accomplishment of something attempted." Regardless of what these two may set their minds to we are sure they will be successful in their endeavors.

Paraphrasing two forgotten authors:
— The man who thinks, reads, studies, and meditates has intelligence etched in his features, stamped on his brow, and gleaming from his eyes, reflections of a well spent life.
— The world is a mirror. Frown and it will return a scowl; smile and it will be friendly. May your reflections of Paris High be most pleasant.

It is the task of the Paris School System to help each of you cope with influences which serve to mold and determine your future. Your years at Paris High School are designed to prepare you for a better understanding of the educational opportunities available to you so that your future may be secured.

Mr. Lemuel E. Arnold

Director of Pupil Personnel

May your life reflect the positive attributes of knowledge, self-esteem, courage, citizenship, and genuine concern for others that you have learned as a student at Paris High. As your journey throughout life, set an example of one in whose footsteps you would have been proud to follow.

Miss Cox Honored By Staff

The 1985 Parisian dedicates its yearbook to Miss Janice Cox. Miss Cox is a supportive and dedicated faculty member who has been teaching at Paris High School for six years.

She received her Bachelor of Science and Home Economics Degree, Masters of Arts in Secondary Education, and Rank 1 in Secondary Schools at Eastern Kentucky University. She is originally from Pineville, Kentucky and now resides in Lexington. During the summer she enjoys reading, throwing darts, playing softball, and like all young ladies, getting a tan.

Over the past six years she has been very active with many school organizations: Junior Prom sponsor for six years, served on the Guidance Committee for four years, was Assistant Cheerleading sponsor for two years, and FHA sponsor for six years. Miss Cox teaches consumer education, general and comprehensive home economics, foods and parenthood. The FHA club is one of the largest on campus because of Miss Cox's ability to lead and get along with others. She expressed that her most exciting experience with FHA was taking her students to the state convention in Louisville during her second year. The FHA club sponsors many school projects such as, a Thanksgiving basket, promoting wholesome recreation, and a degree program where students build leadership.

Miss Cox states, "I feel extremely fortunate to be teaching at Paris High. Overall, the quality of faculty, administrators, and students is very high and I'm very proud to be a part of it!" Anyone can see how Miss Janice Cox feels about Paris High School because she always has a smile on her face. The yearbook staff salutes you, Miss Cox, for all of your hard work and dedication.

The past school year saw the retirement of one of Paris High School's most respected and loved educators, Miss Betsy Brooks Woodford. Miss Woodford had devoted 37 years to the school, in which time she taught English, French, Latin, and Spanish.

As we reflect upon our years with her, we recall the wit and humor, as well as the knowledge she bestowed upon us. Hers is an image that reminds us of the wonderful years we spend at Paris High School.
The Paris High Academic Challenge team, composed of Mike Hughes, Captain; Eric Chumbley, and Kirk Woosley, successfully completed its second year of existence as 8 of 52 teams to reach the quarter-final round in the "In The Know" competition, sponsored by WLEX-TV. On their way to this position, they defeated the teams of Casey County, Danville and Bourbon County. In KET's "Scholastic Challenge" competition, the team progressed to the second round by defeating Campbell and Jackson Counties but were defeated in the second round by Owensboro.

The team members, as well as the alternates, Henry Poston, Bryan Schietz, Reif Marler, and Mike Pack, spent many hours in preparation for this year's competition, and found their effort to pay off, not only in actual competition, but in mental and social growth.

The team was coached by Mrs. Mary Dickerson. The research assistant was Mrs. Leila Henry.

For the first time this year, the state of Kentucky was offered the charter for its schools to participate in the state Academic Decathlon on February 23, 1985, which would send the winning state team to national competition in Los Angeles, California, in June. Unlike the PHS Academic Challenge team which is chosen from grades 9-12, the Academic Decathlon team was selected from grades 11-12 only. The team consisted of 6 members, which included team members from three categories based on individual grade point averages. Paris High Varsity members, with a grade point average of 0.00-2.99, were Debbie Correll and Bryan Schietz. Scholastic members, with a grade point average of 3.00-3.74, were Reif Marler, and Kirk Woosley, and Honor members with a grade point average of 3.73-4.00, were Mike Pack and Eric Chumbley. Varsity alternates were Cheri Carpenter and Carla Lindsay; Scholastic alternates were Mike Hughes and Henry Poston, and the Honor alternate was Beth Galloway.

Competition involved six written tests in the areas of Economics, Language and Literature, Fine Arts, Mathematics, Science and Social Studies. The Paris High Academic Decathlon team performed exceedingly well, placing 18th of 50 teams statewide. The team was coached by Mrs. Mary Dickerson.
The officers are to be commended for their hard work and dedication to see that this new Academic Pride Booster Club succeed-
ed. The officers were; Sue McCracken, President; Marilyn Smart, Vice-President; Jane Lee Courtney, Secretary; and William Jones, Treasurer.

This year has seen the emergence of a new group that puts emphasis on grades and achieving at all lev-
els. The Academic Boosters have as their main objective to motivate students and to recognize those who show improved effort in school-related areas.

Students who brought their grades up one or more letters in a six week period were presented a coupon for a snack from the book-

store.

A student-faculty basketball game was enjoyed by all. The trivia contest was both educational and fun — to say nothing of the free lunch.

The Board of Education spon-
sored a banquet honoring those with a 3.0 or better grade point average. The Boosters provided medals and sweatshirts for the 3.0 to 3.7 students and blazers were presented to those who had a 3.8 to 4 average.

Henry Poston was presented a $100 U.S. Savings Bond by the Booster Club for being the senior who had shown the greatest im-

provement over the last four years.

Beth Galloway was honored with a $100 Bond for having a perfect 4.0 standing.

Mr. Goins is arranging the let-
tering for the new bulletin board which announced the honor roll students each six weeks. The honor roll board boast those with all A’s or ones with a 3.0 with no D’s or E’s.

The Beta Club is a non-secret achievement, service organization for senior high students. A scholastic standing of 3.2 or above is required for membership. In addition, a member must possess high qualities of character and leadership.

This year, the club under the guidance of Mrs. Roseberry stayed very busy. They cleaned up the senior courtyard, participated as guides for teachers on Parent Nights, and acted as ushers for Commencement and Baccalaurate. The club was responsible for maintaining the honor roll board each six weeks.

This year’s officers were: Reif Marler, president; Beth Galloway, vice-president; Robin Redwine, secretary, and Frank Whitney, treasurer.

Mike Pack, Eric Chumbley, Kirk Woosley, Kelly Yazell, Tommy Skeen Pam Bass, Robin Redwine, Kristie Gaunce, Carla Browning, Gloria Burns, Martina Henson, Mike Jones, Lee Ingram, Holli Steward, Reid Marler, Beth Galloway, Frank Whitney, Mrs. Roseberry
The new Beta members were inducted at a very impressive ceremony before the entire student body. They were Susan Kaufman, Becky Mitchell, Yvonne Cummins, Blaine Holman, Phillip Humphrey, Sean Marler, Deanna Wiseman, Debbie Correll, David Smart, Christine Bishop, Dana Coons and Lisa Casey. Mrs. Betty Jo Denton Heick, County Clerk, spoke to the assembly on the life and contributions to society of Edward Prichard.

Beta members Mike Pack, Eric Chumbley and Reif Marler were in charge of placing the names on the honor roll board.
This year’s Latin Club was comprised of Latin I and II classes. Despite the retirement of Miss Woodford, the Latin classes have continued their studies under Mr. Jim B. Jones.
These classes have been very active on projects such as translating Caesar and the Aeneid. They have
Miss Woodford Retires.

also studied sentence structure and the many viewpoints of Roman literature.

It has been an educational and challenging year for Latin students. All of these students should be congratulated and commended for their hard work.
The French Club, under the guidance of Mrs. Sharon Toadvine, did some very innovative projects this year.

During the Christmas season, they learned the words to some French Christmas carols and celebrated with mini yule cakes in the French tradition.

For Valentine's Day, they researched the love stories of some famous Frenchmen.

Before spring break in April, the students prepared French projects. Among those presented were posters, t-shirts with French slogans and various foods. One group (Mike Pack, Mark Crain, and Eric Chumbley) video-taped their preparation of Chocolate Mousse and presented "Gustave's Kitchen" to the class, along with the mousse.

Can you imagine French Christmas carols from this group!

Officers were: Mike Pack, vice-president; Mark Crain, treasurer; Lee Ingram, president and Derek Brooks, secretary.
The speech club, which is sponsored by Mrs. Toadvine, had a very successful year. Active participants in speech competition this year were Darnel Jones and Nancy Kaufman. The two competitors attended the Scott County Speech Tournament on October 20 and at that tournament, Darnel won first place for his reading of "I Will Not Go Back" by Milton Geiger in the poetry category. They also attended the Lexington Catholic Tournament on January 19. At that tournament, Nancy read "There Will Come Soft Rains" by Ray Bradbury in the prose category. Darnel told one of the Mother West Wind Stories, "Unc' Billy Possum," by Thornton Burgess, and won third place with his reading of "I Will Not Go Back." Darnell qualified for the state tournament in story telling. Nancy and Darnel are to be commended for their fine support to the speech program.

Darnel has the true spirit to perform at any function.

Nancy's enthusiasm for speech competition will be a great asset to the club next year.

Club members, Nancy Kaufman, Nancy McCracken, Shanda Harrell, Darnel Jones, Mike Wells, Sean Scott, and Mrs. Toadvine flash a snappy smile for our photographer.
"In my five years at PHS, I have been privileged to have 'good to excellent' newspaper staffs each year. This year, however, the staff has reached the plateau of 'superior'. They have achieved far beyond my expectations — both in class work and in journalistic competition," comments Mrs. Mary Dickerson, the papers advisor.

At the Mark of Excellence Competition at Western Kentucky, the Paris High Pride received many honors. Lee Ingram took first place in news writing and Max Castle received second place honors for sports coverage. Pamela Bass won third place for feature writing and the advertising department headed by Nancy Kaufman placed third also. Another honor came at the Eastern Kentucky Competition when the sports department took second place.

When you, the staff, reflect back on this year it will certainly be nothing but wonderful. Congratulations!

Pam, Lee and Max were honored with placings at the Mark of Excellence competition.

Pictured above is the sports department that took honors at the Eastern Kentucky competition.
Seated are page editors, Holly Ferrell, Debbie Correll, Mike Pack, Julie Gorey, Max Castle, Mike Hughes. Standing are assistant page editors, Henry Poston, Gae Estes, Lee Ingram, Mary Clark, Kevin Jones and Randy Turner.

Above is the main staff of the newspaper; Henry Poston, assistant editor; Holly Ferrell, editor; Mike Pack, business manager; Mike Hughes, assignment editor and Mrs. Mary Dickerson, advisor.
The 1985 Parisian staff has attacked a huge job this year with many deadlines that had to be met. There were pictures to be taken, rough drafts to be drawn up, articles to be written, and the final draft, which had to be rushed to the publishers before that dreadful due date. Yes, we were busy!

The staff hopes that you enjoy the 1985 Parisian and regrets that we cannot present a much larger, more colorful edition. But that, like all things, requires more money. We receive the money to publish our yearbook through subscriptions from ads and yearbook sales. So students, buy your book early so we can prepare one full of surprises next year.

Henry Poston above, and Darnel Jones below, proudly hold their regional trophies.
Once again the FBLA club was quite active with its activities for the school and community. This year FBLA achieved more than they thought was possible. They started out by having a super fundraising project, in which they sold Tom-Wat Showcases. They competed in the regional FBLA conference held at Northern Kentucky University. There were two winners, Henry Poston in Public Speaking and Darnel Jones in Impromptu Speaking. These two young men went to the state conference in Louisville. Both of them came back with 5th place trophies, which was a great honor.

FBLA and FHA had their annual Christmas party. The club honored the basketball teams with refreshments and flowers. They sponsored a food basket at Thanksgiving for a needy family. During FBLA week, they sponsored an art typing contest and gave giant Hershey kisses to the faculty.
The Paris High chapter of Future Homemakers of America celebrated its 6th affiliated year as the National FHA celebrated 45 years. With 41 dues paying members this year, FHA became the largest club at Paris High.

Because a major goal of FHA is to improve leadership ability and involve all members, a program of work was established to include a variety of activities throughout the year. These activities included officers training at the Region 15 Fall leadership conference at University of Kentucky; planned programs for the monthly meetings; acting as host/hostess for college/career night; purchased magazine subscriptions for the high school library; sponsored a Halloween dress-up day and contest; joined FBLA for a Christmas party; planned a variety of activities for FHA week in February that included selling giant Hersey kisses with proceeds going to UNICEF; attended the state FHA meeting in Louisville; contributed money to home economics department for purchase of needed supplies; planned a Degree workshop/pizza party for June 5; and as a final celebration for a great year, went to Kings Island on May 18. All in all, the FHA feels this year has been a very successful one and is planning for next year to be even better!

With flashing smiles and great anticipation, Dana and Holli wait to attend the state convention.

The officers are: Whitney Jones, parliamentarian; Pat Turpin, president; Lisa Duncan, recreation leader; Becky Mitchell, 1st vice-president; Ronnie Sparks, reporter; Rochell Johnson, historian; Livia Thomas, secretary; Sara Trumbo, 2nd vice-president; Yvonne Howard, treasurer; Robin Ramey, song leader.

The major purposes of the Student Council are to encourage better relationships among students and between students and the faculty; to provide a platform for student expression; to encourage standards of good citizenship; and to render services to the school and community.

It is composed of twelve members — the President, Vice-President and Student Council Representative of each level, grades 9 through 12. Council officers are; Tommy Skeen, president, Mike Pack, vice-president, and Shannon Roundtree, secretary-treasurer. Mrs. Leila Henry is the sponsor.

Activities during the year included decorating the school at Christmas; collecting food and money for the Community Food Store; operating a local phone center for the Cerebral Palsy Telethon; serving on the Cheerleaders Selection Committee and attending a public hearing on the needs of education in Kentucky sponsored by The Interim Joint Committee on Education of the Kentucky General Assembly at Harrison County High.

The Fellowship of Christian Athletes serves as a means of spreading the "Word" of Jesus Christ to coaches and athletes. The Paris High School Huddle meets twice a month to discuss and relate problems inherent in high school athletes to Christian doctrine. The non-denominational group attended the state convention in Lexington this past spring and will send at least two athletes this summer to camps. Robin Redwine and Tommy Skeen were nominated for athlete of the year and Tommy won the award at a banquet in May.

The Parisonnairies under the direction of Mr. Paul Franz have been busy entertaining this year. In December they presented a Christmas program at the Rotary Club and Lioness Club. At the Christmas Concert, Francine Smith sang a fabulous solo. They also participated in Baccalaureate where they sang "Riding the Sun" and "Greatest Love of All!"

Mr. Franz has done a super job while he has been here and we wish him luck in Michigan.
The Art Club has taken on a new look under their first year sponsor, Mrs. Wujcik. The club promoted an awareness of the arts by filling a showcase with students’ work. The Art Club traveled to Lexington in February to visit galleries and to an art museum in Cincinnati in the spring.

Chris Carpenter won $25 in the Regional competition for high school art students.

Under the leadership of President Macco Bishop, Vice-President James Long, Secretary Rayburn Nutter, and Treasurer Ronnie Scott, the Art Club had a very interesting and productive year.
We have always heard “the way to a man’s heart is through his stomach,” but the way to a woman’s heart is to make her something pretty. The Industrial Arts classes are learning to make both pretty and useful items. This year’s Crafts Show was very outstanding with winners in Advanced Woodworking and General Crafts being — 1st place — James Million and Robert Wilkerson, 2nd place — Darrell Rankin and Brent Chumbley, 3rd place — Jerry Purcell and Chris Scott. Mr. Bellinger, in his half year with the class, is to be commended for the work he has supervised.

The 1984 football season was a bit­ter-sweet one for the “Pride” of PHS. It was a year in which Coach Randy Reese and his Greyhounds lost the first game of the season since 1980, to AA power-house Mayfield. It was also a year in which the Hounds lost to cross-town rival Bourbon County for the first time in eight years. But this is only half the story of the 1984 Paris football squad.

1984 was also a year in which the Greyhounds brought home the dis­trict title for the fifth consecutive year and then won their fourth consecutive Regional title. It was a year in which the “Pride” received its revenge against the Russellville Panthers, by snapping their twenty-five game win­ning streak. Coach Reese and the Hounds went on to become runners­up in their third State Championship appearance in four years against the Beechwood Tigers.

Although they didn’t bring home the State Title, the 1984 senior squad has no reason to be ashamed. They end their high school careers with a record of 49-4, and numerous other accomplishments. There is no doubt that the 1984 PHS football squad upheld the school’s tradition of pride, sportsmanship, and competitiveness, and lived by the school’s motto, “Semper Cum Superbia.”

The 1984-85 PHS Basketball squad ended a very rewarding season in April of this year. They ended it with a near miss shot at the “Sweet-16.”

This season’s accomplishments encompassed such achievements as defeating cross-town rival Bourbon County three straight times, bringing home another district championship, and a trip to the regional finals against Mason County. In the finals we lost to Mason County in a heart-breaker, by two points in double overtime.

Behind the leadership of Coach Crain and a senior club including Raymond Jones, Bo Henry, Tommy Skeen, Myrin Roberts, and Terrence Brooks the team won 21 games this season. This is the best record the basketball team has had in a number of years.

PHS is very proud of this year’s team. If the senior leadership continues to be on the level of this year’s leadership, then in the next few years it may not be a “Sweet-16” near-miss, but it will be a reality. The state better beware, 1986 just may be the year of the “HOUND.”

## Ladyhounds Post Win In Two Tournaments

The 1984-85 Ladyhounds had what could be considered as a roller coaster season. For most of the season the Ladyhounds were inconsistent in their play, however, by the end of the season they were playing with both confidence and consistency. They ended their season with a disappointing over-time loss to Mason County in the regional semi-finals, making the team’s record 16-9.

The Ladyhounds proved they were number one by winning two tournaments this year, the Campbell County Christmas Tournament and the 37th District Tournament. Three players were named to the Campbell County all-tournament team. They were Debbie Correll, Beth Galloway, and Robin Redwine.

Another great accomplishment that the Ladyhounds made this year was giving Coach Judy Cox her 200th career victory. The win came against Bourbon County in the District Tournament.

The Ladyhounds are saying farewell to three seniors this year, Debbie Correll, Beth Galloway, and Robin Redwine.

This year's track team was small in number, they did an outstanding job. They represented Paris High School outstandingly. They competed all year against class AA and AAA schools. The goals for this year's team was to improve at each meet on times and distance, and to strive for their personal best. Each individual on this team did just that! Coach Bellinger and Coach Haddix would like to let the team know "We're proud of each and every one of you!" All members on the team will be returning next year and the coaches are looking forward to a GREAT year.

Beth Loses To Champion

The number one tennis player, Beth Galloway, made it into the final eight at the regional tournament where she was ousted by the eventual champion.

Other tennis players this year included Shanda Harrell, Lisa Casebier, Shelia Dodge, Kelly Vickers, Debbie Correll, and Joy Mack.

Joy Mack makes a super serve to gain her the No. 2 spot in girl's tennis this year.

The Junior Varsity team was made up of Malika Isaacs, Heather Pack, Michelle Goins, Holli Harrill, Nancy McCracken, Christy Hollon, Shannon Johnson, and Lisa Linville.
Above, enjoying a game of doubles is Kelly Vickers and Debbie Correll.

Myrin Roberts prepares to return the ball to one of his opponents. Myrin was 8-2 in 1985 singles matches, ranked fourth in the region and made it to the semifinals in tournament play.

Team members, posing at the net for our camera man, are Steve McWhorter, Tracey Miles, Mark Diamond, David Keding, Randy Turner and Myrin Roberts.
Baseball Season Ends With 14-6 Record

The 1985 Greyhound baseball team rounded up a successful season with a 14-6 record.

The Hound's season was highlighted with impressive wins over Bourbon Co. and Scott Co. where the Greyhounds pounded out a total of 43 hits and 30 runs.

Along with a successful season the graduation of four starting seniors will be sorely missed. Tommy Skeen, team leader in home runs with 6, runs batted in with 27; Scott Whitaker team leader in hits with 34, singles 23, stolen bases 18; Steve Hawkins team leader in batting average with a .505, triples 3; and Bo Henry who hit an impressive .526 with 1 home run.

The Hounds, in the first round of the district tournament gave the Harrison Co. Thorobreds a real "dog" fight to continue on in district play, but fell short 8-7.

Mark Richardson, Paul Little, Pete English, Tommy Skeen, Mike Luther, Shane Kendall, David Smart, Bill Hudnal, Scott Whitaker, Max Castle, Bo Henry, Phillip Miller, Steve Hawkins.
The golf team this year was both short on players and wins. David Henry led with a 39.95 average for 9 holes.

We hope for a better year in 1986.

Derek Brooks announced each senior and their date for the Grand March. Mike Pack, junior class president, waits to announce the king and queen finalist.
Friday, April 26 was a night many students will remember for a long time. The 1985 Prom went underway at 8:30 p.m. at the Southside Gymnasium.

The “Roaring 20’s” was the theme chosen by the junior class. Many unique ideas were brought together to add to the atmosphere of the fun, carefree period in time.

The band, The Usual Suspects, played for the festive occasion. They are a very outstanding Lexington band which has won the Decent Exposure Contest sponsored by the radio station WKQQ 98.

The final and most exciting part of the prom was the crowning of the king and queen, which were Donnie Turner and Carrie Clay. The two senior attendants chosen were Pamela Bass and Terrence Brooks.
The hideous face at the window (Bo Henry) keep the inns a-haunted.

Then Tom, a serviceman, (Henry Poston) takes refuge in the inn. Soon after his arrival, a mysterious young woman (Kristie Gaunce) appears, but she doesn't last long, no thanks to Flint (Mike Hughes).

Norma Corwin (De Anna Wiseman) explains her plans to spend the night alone in the haunted, deserted Inn of the Three Sisters, much to the disapproval of her business manager (Kirk Woosley) and her assistant (Gae Estes).

State Trooper (Sean Brady) and engineer (Myrin)

The nurse (Cheri Carpenter pronounces her patient, the mysterious young woman DEAD.)
remind them the inn is to be demolished the next morning.

The ghosts of the three sisters (Beth Gallo­way, Robin Redwine and Sherry Duncan) emerge from the fireplace as they do night after night for the re-enactment of the murder of Mary. Norma is horrified.

At left, Madame Lugosi (Carrie Clay) and her daughter (Mary Clark) come in from the storm and conduct a seance which ends in an attempted murder.

Conclusion — all these hilarious, haunting happenings are a joke, contrived by Ginny, the assistant, to convince her boss Norma that these events would make a TV series.

The technicians make lights flash, cause wind and thunder, and operate the curtain (Donnie Turner, Bryan Schietz, Kevin Jones, Mike Brady and Randy Turner).

After Norma goes to bed, two kidnappers (Debbie Correll and Frank Whitney) hide their victim (Suzy Wells) in the inn.

Sutton, an old prospector, (Reif Marler) searches in the cellar and sings "Home on the Range."

Is it the end of today?
Or the beginning of tomorrow?

We all see things differently.
Hope is despair. Promise is
futility. Defeat is triumph.
Problem is opportunity.

It’s all in the way you see yourself
and the world around you.

Attitude.

What you’ve gotten out of school
this year just might be a direct
reflection of what you’ve put into
it. The same certainly holds true
for next year.

In school, as in life,
you get back what you put in.

We’ve found it holds true in
business, too. That’s why.

At McDonald’s® we do it all for you.
