#### CHALLENGING YEARS

Our high school years are those "carefree" years that are filled with frustration as well as laughter. They are the years of trials that lead to growth.

In order to meet the challenges, the traditions of PHS provided the necessary growth and stability.

Time was spent both alone and with friends creating memories that will someday be "the best years of our lives."

From the challenges of high school came the satisfaction of an achievement learned through perserverence and determination.

From these achievements came the confidence to face the challenges of the future. Paris High School Paris, Kentucky

#### In Memoriam

There is no greater sorrow than to lose someone dear, but with every new tomorrow may we all find strength in prayer that will sustain us and give us understanding and peace of mind.

God saw fit to call Tina, her mother, two sisters and nephew home on December 26, 1985.

To dare, to take risks, to bear uncertainty, to endure tension — they are the essence of the play spirit which Tina possessed on the basketball floor.

She was a genuine friend who showed love and compassion to all with whom she came in contact.

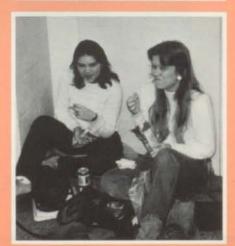

As the senior class turns toward memory lane, we will remember her thoughts, her smiles, her words, and her deeds. Our thoughts are echoed as a friend states, "I don't understand why what happened had to be, but my last words to you are, rest peacefully."

#### Senior Class Of '86

## President's Message

As graduation draws near, a smile can be seen on the faces of some Seniors, while others may be seen shedding tears. It is the realization that a long-tread path is about to end that evokes such emotional displays.

The path has been a winding one for each Senior, progressing from valley to mountain and back again, all the while teetering between fire and a foreboding precipice. This path now seems, at long last, to be short and true, but lo and behold, as the path shortens, it steepens! So, as fate would have it, the climb has just begun. How we fare along the way will determine the unique quality that sets us apart and, hopefully, above all the others. We have an excellent start, however, and we plan to succeed! May the future be bright for each of v.s.

May God bless the class of '86, and may He keep watch over all our endeav-

### P.H.S. Personnel

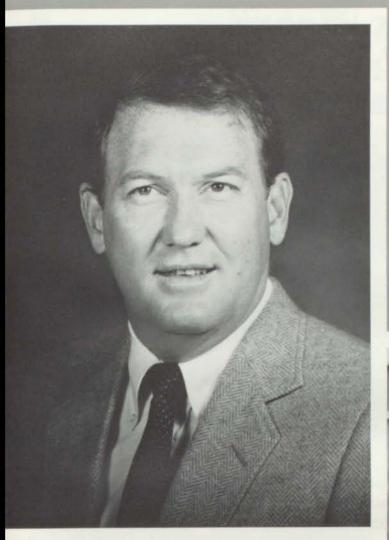

Because of Paris High School's low enrollment, the faculty spends a lot of time helping students individually. They teach enthusiastically even through the frustrations and problems of snow days and KEST monitoring. Teaching today is a challenge and our faculty dares to rise to every occasion.

### Staff Honors Mr. Crain With Dedication

1

Just one of his more intense moments.

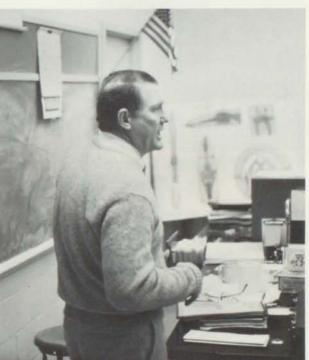

The <u>Parisian</u> Staff would like to dedicate its 1986 yearbook to an individual who is a supportive and dedicated faculty member who has devoted the last 8 years of his 23 to teaching at Paris High School.

Professionally he completed his BA degree at Huntington College, his Masters at Ball State University, and his Rank I in Administration at Morehead State University.

He is an excellent teacher both in the classroom and on the basketball court. He has accumulated a record of 132 wins and 93 losses for the basketball team.

His wit and sense of humor is unmatched in our school.

It is with sincere appreciation of the many hours of service to our school, students, and community, that we, the <u>Parisian Staff</u>, dedicate our 1986 yearbook to Mr. Mark Crain.

Quality in, quality out!

Ironic, that the space shuttle 'Challenger' should be consumed in fire while this fine class is preparing to spring upon the world in the 'Challenging Years' ahead. Christa McAuliffe, an educator, was pursuing the frontier of space. You, as students, are crossing the threshold of secondary education and embarking on your own quest for fulfillment. Your journey will be fraught with the challenges of uncertainty, despair, and weariness. Yet like the Phoenix, you must conquer those challenges and rise to the quality of life you desire. Diligence and determination will lift you to your star.

Mrs. Macie Lawson has been a most faithful and dedicated secretary in the superintendent's office of the Paris Independent School System for the past 23 years. She came here from Lewisburg in Logan County.

Upon her retirement in July, she plans to travel and spend more time with her volunteer work, which shows what a wonderful lady she is.

Everyone is wishing you a happy retirement future Mrs. Lawson!

Paris High School affords our students a sound secondary education for those willing to apply themselves. We are constantly upgrading our curriculum to meet the changing needs of students entering college and other vocational pursuits. All of this is enhanced by the devotion and dedication of a very professional staff devoted to excellence in education.

Mrs. Elizabeth Scott Rank I, University of Kentucky Counselor

The 1985-86 school year brought the resignation of Mrs. Elizabeth Scott, Paris High Schools counselor for 23 years. Mr. Goins commented that she was extremely helpful to the young people, and he feels it will be difficult to schedule and work without her.

She spent a lot of her time helping young people on a one-toone basis, which is the most effective. When asked what she will miss most about Paris High School, Mrs. Scott replied, "The children."

Well, Mrs. Scott, we hope that you have many fond memories of Paris High. You have truly been an excellent addition to our school.

## Paris High School Band

Mr. Phil Grigson Director

## Band Enjoys Busy Year

The Paris High School Band has been involved in many activities this past school year. For example, they participated in the football and basketball games, held three concerts, and attended KMEA Music Festival at the University of Kentucky, where they were rated an Excellent. The band is directed by Mr. Phil Grigson and although this is his first year, the band has shown much improvement.

The band officers are; for the freshman class, Amy Berry; for the sophomore class, Michelle Mann; for the junior class, Daina Coons; and for the senior class, Holly Steward.

The band has been working very diligently on fund raisers for the trip they hope to take sometime next year. They have held the annual turkey dinner, the auction, and a car wash. They have also sold numerous items such as cookies, fruit, calendars, and stuffed animals.

They participated in the Bicentennial celebration by combining with the Bourbon County band and marching in the parade. The band has competed in several marching contests and did very well, which they hope will continue in the future.

The Parisonnaires were busy as usual at Christmas this year. They had their regular program for the Lioness Club and the Rotary Club. This year they added the Methodist Church and Bourbon Heights to their schedule.

They always present a delightful program for the student body. Their last finale was the annual Christmas Concert. All the hard work at practice is recognizable in the superior programs that Mr. Grigson and the Parisonnaires present each year.

## Student Council Serves School

Working with the administration in an atmosphere of mutual accord, the Student Council dealt successfully with such student concerns as disciplinary actions, restroom problems, water fountain maintenance and Prom scheduling.

Assisting with Christmas decorating and cheerleader try-outs were among he school services rendered. Community oriented services included helping with and donating to the Blood Clinic in addition to the annual "Cash and Cans" project for the Community Food Store.

The three representatives from each grade level who comprise the Council have been commended by staff members and the administration for their helpful interest this school year. Mrs. Lelia Henry is Sponsor.

Mike Pack, President; Dana Coons, Secretary-Treasurer; and Chuck Redwine, Vice-President.

Paris High's academic team took on some new dimensions this year, as they went far beyond regular television competition on "Scholastic Challenge" and "In the Know."

The quick recall team, composed of Mike Pack, Mike Young, and team captain Eric Chumbley, dropped their opener on "Scholastic Challenge," and were 1-1 on "In the Know." The team also entered the Thoroughbred League and competed against several Lexington schools, George Rogers Clark, Madison Central, and Montgomery County. The team's number was increased by one in this format and that spot was ably filled by the team alternates, Sean Marler, Chris Jones, Chris Haney, Stephanie Trosper and Mike Jones. Though the team did not set the league on fire, they had a respectable beginning.

Eric Chumbley, Mike Young, Mike Pack, Mrs. Dickerson, Mrs. Henry, Stephanie Trosper, Mike Jones, Sean Marler, Chris Haney

But the program was expanded in many more directions. Again, Paris High sent a team to the Academic Decathlon to compete in various written exams, and again they finished high in the ranks.

#### Academics To The Front Please

In state-wide competition, the journalism department competed in the first Sweet 16 Academic Showcase. Holly Ferrell was a regional winner on feature writing, and she, Nancy Kaufman, Mike

Young, and Eric Chumbley were regional winners in advertising competition. All four were given overnight accommodations in Lexington and free tickets to two days at the basketball tournament.

Pictured at left are the winners and their proud parents: Nancy Kaufman, Holly Ferrell, Eric Chumbley, Mr. & Mrs. Chumbley, Dr. & Mrs. Ferrell, Mr. & Mrs. Young, and Mike Young.

A team also ventured to the first Governor's Cup District Competition, similar to the Academic Decathlon in which the quick recall team finished second, Mike Young took first in language arts competition; Stephanie Trosper finished third in English composition, and Sean Haight finished third in math.

All in all, the '85-86 academic season was fruitful for the Paris squad, and the team will miss its former coach, Mrs. Mary Dickerson as Mr. Jim Jones has taken the helm for 1986-87. Good luck to him and the team.

### Any Blood You Receive May Be A Beta's

The Paris Beta Club, founded in 1939, is one of the oldest in the state. Since its beginning, the sponsors and members have maintained high standards of academic achievement, character, loyalty and leadership.

The motto "We Lead by Serving Others" is a guide for their activities. The Betas have

helped their school by serving as ushers for commencement and baccalaureate, guides for open houses and special days, helpers in many assembly lines for programs, handbooks and brochures.

This year the Beta Club sponsored a visit by the Central Kentucky Blood Center and collected 30 pints of blood from the 35 people who volunteered.

This is the second year that the Betas have posted the names of the honor roll students on the large board on the first floor.

Yvonne Cummins, Lisa Casebier and Susan Kaufman attended the State Beta Club Convention accompanied by Mrs. Roseberry. Lee Ingram entered a portfolio of pictures in the photography contest and won second place.

It has been a good year for Betas, especially since they increased their membership by 24 this spring. For the induction ceremony speaker they had Mr. Russell Roberts, Paris High graduate, superintendent of Madison County schools and member of the State Beta Council.

The Latin Club is comprised of the Latin I and Latin II classes. The Latin I classes activities consist of memorizing words and their meaning, knowing, and understanding the cases, which essentially is an overall mastery of Latin fundamentals.

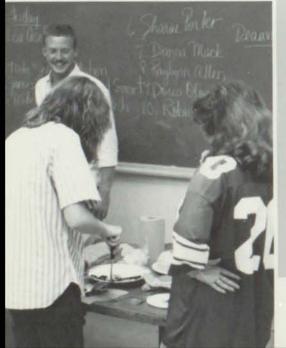

The Latin II activities consist of an application of the basic knowledge by translating stories and poems as well as well as writing papers about them. The activities of both Latin I and Latin II helps with the understanding of the English language.

#### French I & II

The French Club studied French culture throughout the year and our study was enhanced by the fact that some of the French Club members plan to travel to Europe in the summer. Some of the study of culture, which included French food projects, was geared toward preparing the students for their travel aboard.

## Service And Fun, Rolled Up In One

The Future Homemakers of America Club is dedicated to planning and carrying out activities that promote leadership, develop character and improve home and community life. In keeping with these goals, this year's FHA'ers participated in several worthwhile projects: In the fall, all officers attended a leadership conference on the Eastern Kentucky University campus and were treated to a complimentary football pass on

that afternoon; at Christmas, the FHA'ers and FBLA members continued the tradition of a joint holiday celebration; during the spring, they donated money to Bourbon Heights for the purpose of purchasing recreation materials, volunteered to help teachers after school and finally, ended the year with a trip to Kings Island.

All in all, a very successful year!

The Fellowship of Christian Athletes elected Mike Pack, Eric Chumbley, and Daina Coons as President, Vice-President, and Secretary-Treasurer respectively to begin the 1985-86 school year. The first meeting was highlighted by an inspiring report from Sharae Porter and Daina Coons as they reviewed their trip to the Summer National Conference at Black Mountain, North Carolina. In March the huddle groups from the University of Kentucky and Georgetown College shared their testimonies in a joint meeting with newly established huddles from Nicholas County and MMI high schools.

April Brought the Tom Landry banquet to Lexington and seven lucky members were fortunate enough to attend the meeting and hear this fantastic man talk about his relationship with God. Coaches Bellinger and Reese had the great fortune of escorting Coach Landry while he was in Lexington and gained some real insight into his life as a Christian Coach and shared this with the huddle.

Finally, the huddle wished their senior huddle members well as they treated them to a night of fun, bumps, and bruises as they traveled to the Lexington Ice Center for a night of falls and skating with emphasis on falls.

## Miss English Wins Title

Friday, September 27, was another page in the history of Paris High School as it was the 1985 Homecoming. The Hounds went up against Nicholas County and led 14-7 at halftime when the ceremonies began.

A hush came over the crowd as the procession onto the field ended. Mr. Goins handed the sealed envelope containing the name of the 1985 Homecoming Queen to Mr. Jones, the master of ceremo-

The band played a 5-second drumroll which seemed like eternity while everyone waited for the announcement. Finally, it was made and Miss Sherri English was crowned 1985 Homecoming Queen of Paris High.

Sherri is the daughter of Mr. and Mrs. Ron English. She has been a cheerleader for four years and belongs to the FBLA. Sherri plans to attend EKU

and major in Fashion Design.

Mr. Goins crowned Sherri, and was assisted by Mrs. Kay Clay who was escorted by her husband, Mr. Doug Clay. Mr. and Mrs. Clay are the parents of the late Carrie Clay who was the 1984 Homecoming Oueen.

Her senior court consisted of Holly Ferrell, Nan-

cy Kaufman, and Kim Woosley.

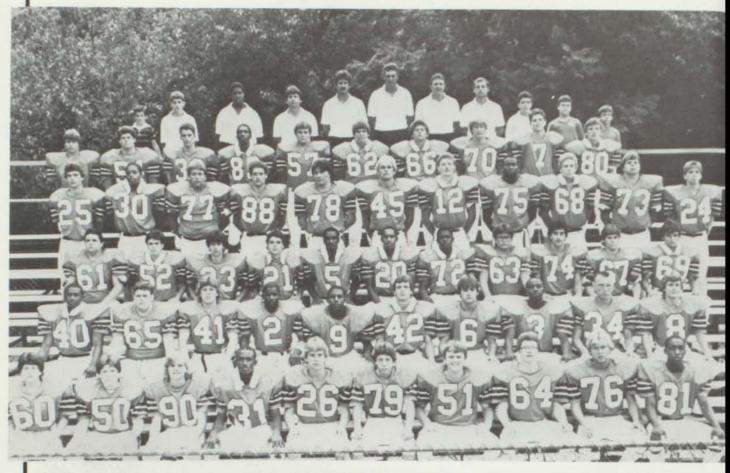

The Homecoming Dance was held at Southside gym following the game which Paris won 27-7.

#### LAST YEAR

The season came upon us But left to fast The underclassmen have 1, 2 or 3 more years This was the Seniors' last.

Never again will they wear the Greyhound uniform Of orange, black, and white Nor get to play for the Hounds On a Friday night.

The gridiron days have ended for us But we still have memories of the past The underclassmen have 1, 2 or 3 more years But I am a Senior and this was my last.

There goes Landrum with one of his 96 carries that earned him 614 yards rushing and this may have been one of his 5 TD runs while Chumbley and a host of Hounds help block the way.

The 1985-86 Greyhound basketball team was faced with the challenge of replacing four starters from the tenacious, Region 10 runner-up team from a year ago.

The first major challenge the Hounds faced was the confrontation with No. 1 Scott County. As the Cardinals stepped into Southside gymnasium they had no doubt of knowing they would be a part of

the biggest upset in the history of P.H.S. The cool play of the five new starters gleemed as well as the finale of Mark Allen Crain's last second shot.

As the season progressed the challenge grew tougher, the first game with rival Bourbon County proved sour, but the all "A" classic brought yet another challenge, that of class "A" dominance.

With the month of January near, and the tough part of the schedule to arise, the twin tower combination of Juniors Chuck Redwine and Clyde Marks combined to help pull the Hound through the month on top.

They ended the season with a 17-12 record.

The awards banquet saw the following honored: Mark Williams, Hustling Hound; Derek Brooks, most assists, most steals, best free throw percentage; Lanie Fomas, most improved; Clyde Marks, best field goal percentage, leading scorer; Lee Ingram, academic award; Chris Scott, manager; Mark Allen Crain, defensive award; Max Castle, most improved.

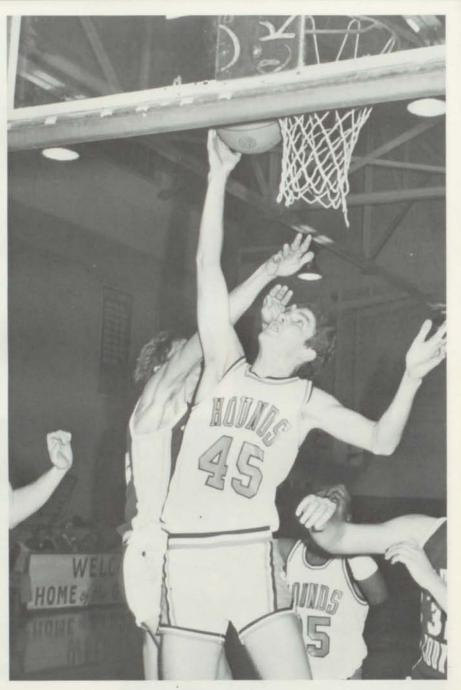

Junior Varsity awards went to: Chris Haney, free throw percentage; Larry Harris, field goal percentage, most rebound and leading scorer; James Marks, Chris Scott, manager, Mike Bannister, most steals and assists, and Sean Marler.

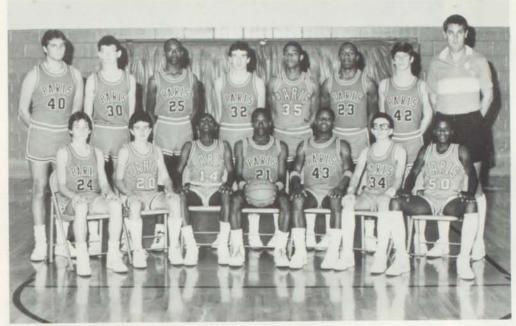

Freshmen awards went to: Lee Cunningham, 6th man award; Todd Hawkins, best free throw percentage, most assists; Bobby Mason, best field goal percentage and Myron Thomas, most rebounds and best field goal percentage.

#### Lady Hounds Meet The Challenge

Looking at the schedule and realizing the Lady Hounds would play six teams that might be "regional contenders" and realizing that Bourbon Co. and Harrison County would have stronger than usual teams, the challenge for the Lady Hounds was to become district and regional contenders.

The Lady Hounds were able to successfully meet these goals by recording a 13-10 record and spliting four games with Bourbon Co. and winning the only decision against Harrison County.

In the nine other games, the Lady

Hounds played against 10th region opponents, their record was 7-2.

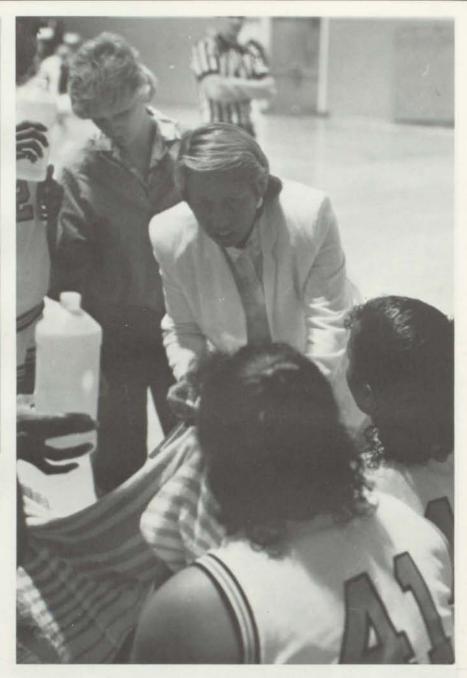

With the tragic loss of senior Lady Hound, Tina Hutsell, the team dedicated the season in her memory and pulled more strongly together to meet their goals.

The surprise of the season was

winning the Fillies New Year Tournament. The Lady Hounds defeated three very good teams and played with great intensity in the championship game, coming back from a 14 point deficit at halftime to overcome the challenge and prove themselves.

The Lady Hounds ended the season with a disappointing loss to Bourbon Co. in overtime during the 1st round of district tournament. It was a hard fought game with a heartbreaking loss. The Lady Hounds met the challenge, only to come up two points short

on a last second shot.

With four starters returning and key players from the bench, the Lady Hounds will meet the challenge again and have an even more successful season next year.

#### Tennis Looks To Have Brighter Future

The Paris High School boys' and girls' tennis teams, coached by Jeff Isaacs, experienced some very encouraging signs this year. Some decisive victories by the girls' team, along with some fine play at the regional made all the hard practice pay off. The teams were both very young but big in desire. The future looks bright

indeed

The boys' team was led by senior Mark Diamond and sophomore Steve McWhorter. Mark made it into the final round of eight in boys' singles during the regional.

The girls' team was led by sophomore Shanda Harrel and freshman Angela McWhorter. They, along with the doubles team of Shannon Johnson and Lisa Linville, made it into the final round of eight in girls' doubles. This meant that Paris High filled two of the top eight teams in girls' doubles.

The 1986 Greyhound baseball squad delt yet another fine season as they wrapped up another glorious 14-6 record behind the first year coaching of Wallis Brooks.

The Hounds had many fine performances. An early 7-4 victory over the Harrison Co. Thorobreds in the second game of the year was an undoubtable "feather in the cap" for the Greyhounds. With this victory the Hounds just let it roll, as they won their

next 5 out of 6 games, one being a fine, no hitter pitching performance of Junior, Pete English, over Knott Co. Central, along with an impressive win over Henry Clay. With these two games the Hounds became definite contenders,

With fine weather forcasted the Hounds met rival Bourbon County where the Greyhounds blanked the Colonels 11-5 behind the strike-out pitching performance of Max Castle. This too helped pace the Hounds through fine victories over Bryan Station, Lexington Catholic, as well as Scott County.

The Greyhound success rolled on as the Hounds advanced to the district finals after downing none other than rival Bourbon Co. This automatically projected the Hounds to the region, but fate struck as the Greyhounds met a tough Montgomery Co. squad.

David lays the wood to another one.

#### Prom Enjoyed By All

The Junior-Senior Prom held on the evening of April 18, was based on the Cinderella theme, "Til" the Stroke of Midnight."

Cinderella's glass slipper proved rewarding for senior Sherri English as she was crowned Queen and the handsome Greg Harp was crowned Prince.

The fairy godmothers of the prom, Carolyn Brannock, Janice Cox, Beverly Wujcik, and the galant king Larry Klinefelter, were the patient junior sponsors who helped the juniors coordinate their theme.

At the stroke of midnight, their formal attire did not turn into rags, and everyone left the Junior-Senior Prom hoping someday they would meet their "Prince" or "Cinderella."

2000 Paris By-Pass

When the theme "Challenges" was chosen for the 1986 yearbook no one could have conceived of the historic nature that it would eventually have.

With the tragic accident of the spaceship Challenger and the loss of a great educator, Christa McAuliffe our theme took on greater dimensions.

As the class of '86 prepares for its final walk in the halls of high school they can reflect on a most significant year in their lives.

At 8:00 o'clock on Thursday, May 29, 1986 a new challenge just began for 56 seniors.

seniors.
