JUDICIAL CONTESTANTS

SILVER SAILS — After defeating Australia to bring the America's Cup back home in February, San Diego skipper Dennis Conner waves an American flag while clutching the silver cup at a parade in his hometown.

WINNING STREAK — West German Steffi Graf, 17, displays the French Tennis Open cup after she defeated top-seeded American opponent Martina Navratilova.

HOLLYWOOD LEGEND — Director and actor John Houston, 81, acted in 21 films and directed 41, including "The Maltese Falcon" and "The African Queen."
A LOOK BACK

at the people and events that made our year memorable.

Just like our forefathers who prepared the Constitution over 200 years ago, Paris High School, founded in 1894, stands tall with heritage, pride and patriotism. Trophies, ribbons, and news media records all substantiate the "Always with Excellence" motto both in academic and extra-curricular activities that Paris High boasts.

We, the students of Paris High, salute:

our school,
our teachers,
our administrators,
our parents,
our community,
for our education over the past 94 years!

At The People

And Events Of 1988
A good teacher and supportive staff are the best things that can be thrust into any situation at any time! They find life full of many trying and unusual situations.

Let’s look at this select group — they all are a composite of: Courage, Sympathy, Patience, Faith, Hope, and Love. The teachers spend twelve hours a day searching for truth and the other twelve searching for error.

These real teachers and staff are expected to have the energy of a harnessed volcano, the efficiency of a calculator, the memory of a computer, the understanding of a psychiatrist, and the diplomacy of an ambassador. Then, too, they must be “human”, always remembering — teaching is done by word, but mostly by precept and example!

They do not mind sniffles, squirmings, spills, stomach aches, sloth and sauciness. Neither do they disintegrate before tears, trifles, fights, futility, excuses, parents who spout, little boys who shout, and little girls who pout.

Best of all they are someone who like someone else’s children and still have enough strength left to go to meetings — faculty meetings, Inservice Days, departmental meetings, Booster Meetings, and ballgames. Yes, then there are church meetings, and on and on! Meetings, meetings, meetings! Remember, you may retire as a teacher or staff member, but one never retires from teaching.

To these indispensible, invincible, and nearly inexhaustible REAL PEOPLE we salute and say

THANK HEAVEN FOR TEACHERS AND STAFF!

“The Face On The Barroom

Seniors Present —

Two miners (Chris Haney and Brent Chumbley) are stranded along with Dusty Rhodes (Gerald Brown) in Annie’s (Holly Pate) Old Teller House.

Mrs. Van Cleve (Michelle Mann) and Little Gloria (Pam Franklin) are shocked by Jack Goodhart’s sad story.

Jack (Hutch Sherman) tells about the time that he was a “semi-successful” painter and was in love with Sweet.

Roderick now manages Madelaine’s career and enlists the help of Theda Swansong (Jennifer Cole) to give her singing lessons while he tries to get away from Fatima (Melinda Geddings.)

The can-can dancers (Stephanie Trosper, Jackie Kennon and Lynn Whitson) are the opening act for Madelaine’s debut.

The plot thickens as the Strange Lady (Angie Dykes) announces that she is the true heir to the New Teller House.

Jack revives and takes on Roderick in a “civilized” fight.

12/Senior Play
Jack's plans are disrupted when Bella Yukon (Holl Harrill) plies him with whiskey and gives him a kiss, just in time for evil Roderick Rodent (Chris Jones) to bring in Madelaine.

Madelaine's debut is a flop and Roderick proceeds with his plans for a faked marriage to Madelaine so he can get her property.

Madelaine is ready to sign everything over to Rodent until newly married Judge Fleesum (Brad Case) and Bella tell her the marriage was faked.

Roderick Rodent is defeated! Thus tells the story of "The Face on the Barroom Floor."

Stephanie is a cheerleader, a member of the Beta Club, French Club, Newspaper Staff, and has received many awards throughout her high school career.

After graduation, Stephanie plans to attend college, and major in English, then go on to Law School.

Congratulations Stephanie, and when you look back to your high school days, this will surely be one of your most highly regarded memories.

Student Council Helps Bring About Changes

The Student Council consisting of three representatives from each grade level and the sponsor, Mrs. Lelia Henry, met monthly to provide a platform for student expression and deal with student concerns.

To fulfill Council objectives of rendering service to the school and community, they helped with school Christmas-decorating, assisted with a cafeteria student opinion poll and collected funds for The United Way.

Mrs. Pochodzay speaks with Student Council about student opinion poll which resulted in the Vita Pup machine and fresh fruit served at lunch.

Student Council Members: Larry Harris, Lynn Whitson, Chris Haney, Todd Hawkins, Amy Berry, Joey Ray, Shawn Fomas, Clay Sturgeon, Yolanda Brown, Audra Harp, Michelle Gay, LeShun Steward.
Academic Team Worked Hard

The Paris High School Academic Team started out with approximately 20 members and dwindled down to 5. The team met in Mr. Roark's room every day at the last half of lunch hour to drill on questions. The team won four matches in the Thoroughbred League this season. The final team consisted of Chris Jones, Steve McWhorter, Christa Whitaker, Tammy Gay, and Bruce McDonald.
Artistic Endeavors Keep Members Busy

The Paris High Art Club had a busy year starting with an all day field trip to the Berea Arts & Crafts Fair. They watched artists and craftsmen display their work as well as demonstrate their artistic skills. Ball games were an essential part of their year with posters, banners, and face painting for all of the important football and basketball games.

Three students were chosen to participate in the Governor's Scholars Program in Louisville at the Center for the Arts. A portfolio review was part of the day's program as well as meeting other high school artists from all over the state of Kentucky. The entire art department participated in three exhibits: a mid year exhibit at the Fine Arts Center, an exhibit and field trip to the Kentucky All-State Exhibit at the University of Kentucky and a year's end exhibit at the Fine Arts Center.

They made their presence felt as a club this year and look forward to an even better year in the 1988-89 school year.

The Paris High School Parisonnaires had another outstanding year. During Christmas they performed at the Christmas concert and also at the Presbyterian Church. They ended their year with their performance at the Baccalaureate service for the Seniors. Their hard work was well represented in their excellent performances throughout the year.
Being in any one of the PHS bands, a member would have experienced quite an enjoyable year. The marching band attended four marching contests and came home with one first place trophy, two second place trophies, and one third place trophy. As part of the marching band, under the direction of a former UK drummer, Mr. Grigson, the percussion also won a first place trophy.

Then, after the football season was over and the contests in the past, the concert band started preparing for their successful season. In the spring, this band competed in a festival held at the UK Center for the Arts, where they received a superior rating and qualified for state competition held in May.

While the concert band practiced diligently, the jazz band also rehearsed for competition. During spring break, they traveled to Florida to win a third place trophy at the Festival of Music held at Sea World. Afterwards, they enjoyed three full days of sun and fun at Daytona Beach.
Fun Year For Band.

Adding a touch of class to this year's band are the following: Laura Florence, field commander, Amie Stocker, majorette, and Phil Grigson, instructor.
New Beta Members Inducted

Chris Haney and Nancy McCracken welcome induction speaker Dr. Wayne Bell, former president of the Lexington Theological Seminary. A reception was enjoyed by the parents and the Beta members after the ceremony.

A Challenge Issued

The Beta Club was a great asset to Paris High School this year. Not only did we participate in activities for our own pleasure such as the Christmas party, but we also participated in numerous activities to benefit the school and community. For example, the Beta Club helped with scheduling and registration, organized the blood drive, put up the honor board each six weeks and ushered during Baccalaureate and Commencement.

As the secretary of the '87-'88 Beta Club, I want to challenge the new officers to continue having a successful and active club. To the graduated seniors, I challenge you to keep reaching for the stars because you can achieve whatever your goal may be!

Jannette Courtney

Beta officers were: Stephanie Trosper, Vice-President; Lynn Whitson, Treasurer; Jannette Courtney, Secretary; and Chris Haney, President.
The French Club has been one of the active PHS organizations for the 1987-88 school year. The club is comprised of the French I and French II classes. French I students created some imaginative French projects. A full-sized French flag, a literary piece performed in French, a French comic strip and other creative works displayed the talent of the French I students. On the other hand, the expertise of the second year students was displayed solely in French cooking. The club rounded out the year with a festive French dinner.

Success Abounds

Although membership declined somewhat this year, the FHA Club had one of its most successful years. Some of the community service projects included providing a Thanksgiving dinner for a needy family, contributing food to the Community Food Basket and selling Buckle Hug Valentines for the Scholarship Project.

One of the highlights of the year was the FHA week celebration, February 7th through the 13th. Daily activities were planned that involved the FHA members as well as the entire school. These events included a red and white day, during which the members wore red and white clothing; a teacher appreciation day, teachers were presented with red and white carnations; member appreciation day, included a balloon send off and a 50's day with prizes awarded for best costumes.

Other projects during the year that provided services to the school was sponsoring a pep bus to the Richmond-Madison football game and purchasing magazine subscriptions for the library.

One of our goals the members enjoy working on most is to promote wholesome recreation. In order to achieve this goal we planned fun and exciting projects. Earlier this year we celebrated Christmas with a potluck dinner and party with the FBLA Club. During the second semester, other than FHA week fun, we journeyed to Kings Island, Ohio for a full day of food, fun, and frolic.

The 1987-88 school year's accomplishments for the FHA members culminated in the Spring Banquet where new officers were installed in a candlelight ceremony while family, friends, and faculty looked on.

All in all, FHA has been very successful in fulfilling its purposes this year and looks forward to greater success next year.
Service Club Will Be Missed

Sadly, due to lack of student interest, the Teens Who Care Club disbanded this year. After state support was withdrawn eight years ago, all other clubs statewide dissolved, leaving PHS the only school in the State to carry on. Over the years the club has done a lot to help the local community and the world community. Both will miss this service club.

Mr. Barrese and club members provided Halloween entertainment for the community children.
Vocational School

Auto mechanics, machine shop and nursing assistant programs are popular with the Paris High students who attend the Clark County Vocational School. This year, James Long, Ronnie Scott, Clinton Townsend, Jeff Whalen, Danny Correll, Lisa Turner, Paul Thornsburg, Michelle Woods, Jeff Vickers, Jeff Bailey and Rob Rhinesmith made the trip every day.

The Pride Excels

The 1987-88 journalism staff certainly added a little spice to the daily routine of PHS. First year students learned to write Feature, Sports, News and Editorial articles efficiently, and the second year students enhanced their style of writing and interviewing techniques. Together, these students effectively addressed student and faculty interests.

The Pride received a pat on the back when the staff photographer, Jessica Harrington, won second place in the Mark of Excellence Photography Contest sponsored by Western Kentucky University.

"The challenge to make a better yearbook for the student body awaits a new editor each year — and Editor Dana Himes met the challenge head-on," said sponsor Mrs. Richard. The 1988 staff tackled the theme idea, the scheduling of pictures, the dedication and meeting deadlines with enthusiasm. Securing enough money through ads and book sales is a monumental task. Each staff member wanted a superior book and met the challenge head-on.

A Busy Year For FBLA

The Future Business Leaders of America is an organization consisting of students participating in a business curriculum. The task of FBLA is to expose business students to the world of business and also introduce them to potential business careers.

The 1987-88 school year was an active and fulfilling one with the members participating in the following activities and events:

1. A membership campaign that saw 46 students from all four grade levels enroll in the organization.
2. Members participated in a Tom-Wat Fund-raising activity in which they sold over $4,000 worth of merchandise. The profit for the club was one-third of the total price. Shonia Harrell was the top sales person.
3. Our service project was in conjunction with the Lexington Division of the Salvation Army Street People Project. Members donated personal items to be distributed to the individuals who were in need.
4. Members participated in the Region 4 FBLA State Conference that was held in April at Northern Kentucky University.
5. Mr. Gerald Healy, owner of several area McDonald's Restaurants spoke to us during FBLA month activities.
6. Our chapter donated $25 to the FBLA State Scholarship Fund.

Future Business Leaders of America has had a successful year and hopes to have many more, thanks to its dedicated officers and members.
The P.H.S. Chess Team enjoyed a most successful first year. They placed third in the Madison Chess Invitational. The team registered a 2-4 record during the season playing Madison, Powell Co., and Nicholas Co. twice each.

By regional time they had improved so much they placed second in the Lexington Regional and second in the Richmond Regional out of eight teams. This was the largest regional ever held in the state of Kentucky.

John McFarland, Clay Sturgeon, and Robbie Arrowood qualified individually for the states.

To raise money for next year, the Chess Team sponsored the Talent Show this year.
President Ray Excells In Humorous Interpretation

The Paris High School Speech Club had an extremely successful year. They competed in nine tournaments, including the regional and state tournaments. The President, Joey Ray, won eight first place trophies and one second place trophy in humorous interpretation. Both he and Amy Berry qualified for the State Tournament through competing in the regionals. In the State meet Joey received the first place trophy in humorous interpretation. All speech members gained valuable experience and achieved points which go toward their National Forensic League Membership.

Ten speech students participated in a community service project for the second year. They furnished the voice for the talking Christmas tree at Ken's Super Value.

First Year Coach Leads Team To Quarter Finals

This season was one of change for the mighty orange and white. When Coach Reese left last spring, there was no hope in sight. Then out of Louisville we found a coach. Gruneisen was his name. And after all the dust cleared, things never were the same.

We learned a whole new system in the span of three short weeks. Running, passing, kicking, and our defense had no leaks. The seniors led the way as we powered through the season. Our first playoff birth in three years, and PRIDE was the reason.

We were breezing right along and getting better all the time. Going down to Russellville, this team was in its prime. We could taste playing in Louisville, we held destiny in our hands. Then it slipped away so quickly, this wasn’t in our plans.

Now it’s over for all the seniors, never to play here again. No more walks to Garrard Park as we prepared to win. Best of luck next year to the Juniors, Sophomores, and Freshmen too. And carry on that Greyhound PRIDE as we tried so hard to do.

— Chris Haney

Larry Harris led the team offensively with 1,682 total yards, for an average of 98 yards per carry. He scored 17 touchdowns, and led the team defensively with 102 solo tackles, 50 assists and 11 sacks.

Senior Chris Haney received the most academic player award at the Annual Awards Banquet.

Cheerleaders Have Winning On Their Mind

The Paris Varsity Cheerleaders of the 1987-88 season were a hardworking group that not only cheered on the football and basketball teams but also set their goals high in competition.

The year started off with attending the UCA Clinic in the summer. At this camp the squad won numerous ribbons and the trophy.

The squad's next conquest was the All "A" Classic Competition in Northern Kentucky. The squad came home with the 1st place over-all trophy, 1st place plain cheer, 2nd place optional cheer, and 2nd place pom-pom routine.

The highlight of the year was the 37th District Competition. Although the squad encountered numerous injuries and faced tough competition, they pulled through on top with the 1st place over-all trophy, best optional cheer, and best pom-pom routine. This qualified the squad to compete in the Regional Competition.

The soccer team, coached by Mr. Jim Jones, had a very successful season. Practices began on June 21st and progressed steadily throughout the year. Mr. Jones had this to say about his new team, "Fantastic first year. We were lucky to have so many athletically talented seniors on the team, considering they had no experience".

Apparently experience played no part in this year's season. The soccer team had a successful season despite its youth. This year's team members were reluctant to join the team because of this being the sport's first season, yet, they did very well.

Good luck to Coach Jones and his soccer team in the years to come!

Soccer/87
Freshman sensation Ashley Allen led the Paris High School softball team defensive unit during the past season. She led the team in assist and was second in put outs. She also pitched for the Ladyhounds. She was named the Best Defensive player on the team at the spring banquet.

Yolonda Brown finished the year as the second leading hitter on the squad. She also had more put outs on the defensive end. Brown was given the leadership award at the spring banquet.

Michele Jackson was the big gun for the first year Ladyhound softball team. Jackson led the team in hits, runs scored, singles, triples, home runs, on-base percentage and batting average. Jackson was honored as the Most Valuable Player and Best Offensive Player at the spring banquet.
Young Golfers Gain Experience

This year our golf team was very young. Our first five golfers consisted of a Junior (Steven Henry), two Sophomores (Clay Sturgeon, Wesley Tipton), a Freshman (Kevin Berryman), and two seventh graders (David Norman, Mike Whitson).

Even though we did not win as many matches as we would have liked, our scores improved as the year progressed. We were led by Steven Henry, who not only led us in scoring but also in years of experience. If the young men continue to work at their golf game the future of Paris High School golf looks very promising.

The Greyhounds opened its season with three returning starters from last season 26-5 squad. The Greyhounds opened the season short on experience on the mound and in the field.

Brett Eades, Will Brophy, Steve Quigley and Dusty Cummins were booked to replace some big shoes in the areas of hitting, fielding and pitching. Robert Puckett helped to shore up the pitching and Greg Earlywine added some punch in the line-up as a lead off hitter.

The final regular season found the Greyhounds standing at 9 wins and 44 losses. Brett Eades recorded a record of 6 wins and 2 losses. Brett also led the Hounds in hitting at 441 followed by Will Brophy at 415, Dusty Cummins at 410 and Greg Earlywine at an even 400. Robert Puckett led the Hounds with 5 home runs and 31 RBI's to lead the ball club.

The Hounds look to be very competitive next season with the loss of only three seniors. Best of luck to the senior Greyhounds Steve Quigley, Dusty Cummins and Bob Wagoner.

"Intense and enthusiastic describe Mike Copher. Given time, along with hard work, Mike will do well in the shot and discus."

"This is David Courtney's first year with track. With work and confidence, David will reach his goals."
"Brent Chumbley, for three years has lead the team in the shot put and discus. Brent holds the school record in both events. A fine young man and an all around good athlete, Brent will be sorely missed."

"Pure speed along with a never-give-in attitude has made Larry Harris one of the finest athletes to run track at P.H.S. Larry ran the 100m dash, 200m dash, 400m relay team and long jump."

"Tracy and T.J. show their championship form that earned them the respect of their opponents."

"Jim ran the 300m intermediate hurdles. A fine person and a good competitor, Jim represented Paris well this year."
The boys posed an impressive 8-1 record, by winning their last eight matches in a row. The boys improved on last year's 3-6 record. Their success was the result of hard work and dedication to a goal. Experience was also a major factor with the four seniors providing leadership and stability. This team will be remembered as one of Paris' most successful teams.

The Professions of Life

No matter which occupation you choose, there are some common denominators needed for all: honesty, integrity, dedication, pride in your work, and the courage to accept a challenge. These values are as necessary today as they were when this country was but a dream. For they are what made the dream come true. They are the professions of life.

We at McDonald's wish you success in life, as well as in the field of endeavor you choose.
