Just like our forefathers who prepared the Constitution over 200 years ago, Paris High School, founded in 1894, stands tall with heritage, pride and patriotism.

Trophies, ilbbons, and news media records all substantiate the "Always with Excellence" motto both in academic and extra-curricular activities that Paris High boasts.

## Thank Heaven For Teachers And Staff

A good teacher and supportive staff are the best things that can be thrust into any situation at any time! They find life full of many trying and unusual situations.
Let's look at this select group - they all are a composite of: Courage, Sympathy, Patience, Faith, Hope, and Love. The teachers spend twelve hours a day searching for truth and the other twelve searching for error.

These real teachers and staff are expected to have the energy of a harnessed volcano, the efficiency of a calculator, the memory of a computer, the understanding of a psychiatrist, and the diplomacy of an ambassador. Then, too, they must be "human", always remembering - teaching is done by word, but mostly by precept and example!

They do not mind sniffles, squirmings, spills, stomach aches, sloth and sauciness. Neither do they disintegrate before tears, trifles, fights, futility, excuses, parents who spout, little boys who shout, and little girls who pout.

Best of all they are someone who like someone else's children and still have enough strength left to go to meetings - faculty meetings, Inservice Days, departmental meetings, Booster Meetings, and ballgames. Yes, then there are church meetings, and on and on! Meetings, meetings, meetings! Remember, you may retire as a teacher or staff member, but one never retires from teaching.

To these indispensible, invincible, and nearly inexhaustible REAL PEOPLE we salute and say

THANK HEAVEN FOR TEACHERS AND STAFFI

## Student Council Helps Bring About Changes

The Student Council consisting of three representatives from each grade level and the sponsor, Mrs. Lelia Henry, met monthly to provide a platform for student expression and deal with student concerns.

To fulfill Council objecives of rendering service to the school and community, they helped with school Christmas decorating, assisted with a cafeteria student opinion poll and collected funds for The United Way.

## Academic Team Worked Hard

The Paris Migh School Academic Team started out with approximately 20 members and dwindled down to 5. The tearn met in Mr. Roark's room every day at the last half of lunch hour to drill on questions. The team won in first round of

Channet 18 's in The know. The team won four matches in the Thoroughbred League this season. The final team consisted of Chris Jones. Steve McWhorter, Christa Whitaker, Tammy Gay, and Bruce McDonald.

## Artistic Endeavors Keep Members Busy

The Paris High Art Club had a busy year starting with an all day field trip to the Berea Arts \& Crafts Fair. They watched artists and craftsmen display their work as well as demonstrate their artistic skills. Ballgames were an essential part of their year with posters, banners, and face painting for all of the important football and bas-

Three students were chosen to participate in the Governor's Scholars Program in Loulsville at the Center for the Arts. A portfolio review was part of the day's program as well as meeting other high school artists from all over the state of Kentucky. The entire art department participated
in three exhibits: a mid year exhibit at the Fine Arts Center, an exhibit and field trip to the Kentucky All-State Exhibit at the University of Kentucky and a year's end exhibit of the Fine Arts Center.

They made their presence felt as a club this year and look forward to an even better year in the 1988-89 school year.

## Successful And

Being in any one of the PHS bands, a member would have experienced quite an enjoyful year. The marching band attended four marching contests and came home with one first place trophy. two second place trophies, and one third place trophy. As part of the marching band, under the direction of a former UK drummer, Mr. Grigson. the percussion also won a first place trophy.
Then, after the football season was over and the contests in the past, the concert band started preparing for their successful season. In the spring, this band competed in a festival held at the UK Center for the Arts, where they received a superior rating and qualified for state competition held in May.

While the concert band practiced diligently. the jazz band also rehearsed for competition. During spring break, they traveled to Florida to win a third place trophy at the Festival of Music held at Sea World. Afterwards, they enjoyed three full days of sun and fun at Daytona Beach.

## A Challenge Issued

The Beta Club was a great asset to Paris High School this year. Not only did we participate in activities for our own pleasure such as the Christmas party, but we also participated in numerous activities to benefif the school and community. For example, the Beta Club helped with scheduling and registration, organized the blood drive, put up the honor board each six weeks and ushered during Baccalaureate and Commencement.

As the secretary of the '87-'88 Beta Club. I want to challenge the new officers to continue having a successful and acfive club. To the graduated seniors, I challenge you to keep reaching for the stars because you can achieve whatever your goal may bel

The French Club has been one of the active PHS organizations for the 1987-88 school year. The club is comprised of the French 1 and French II classes. French I students created some imaginative French projects. A fullscaled Fiench flag, a literary piece performed in French, a French comic strip and other creative works displayed the talent of the French I students. On the other hand, the expertise of the second year students was displayed solely in French cooking. The club rounded out the year with a festive French dinner.

## Success Abounds

Although membership declined somewhat this year, the FHA Club had one of its most successful years. Some of the community service projects included providing a Thanksgiving dinner for a needy family. contributing food to the Community Food Basket and selling Buckle Hug Valentines for the Scholarship Project.

One of the highlights of the year was the FHA week celebration, February 7th through the 13th. Daly activities were planned that invaived the FHA members as well as the entire school. These events included a red and white day, during which the members wore red and white clothing: a teacher appreciation day. teachers were presented with red and white camations; member appreciation day, included a balloon send off and a 50 's day with prizes awarded for best cosfumes.
Other projects during the year that provided services to the school was sponsoring a pep bus to the Richmond-Madison football game and purchasing magazine subscriptions for the library.

One of our goals the members enjoy working on most is to promote wholesome recreation. In order to achieve this goal we planned fun and exciting projects. Earlier this year we celebrated Christmas with a potluck dinner and party with the FBLA Club. During the second semester, other than FHA week fun, we journeyed to Kings Istand. Ohio for a full day of food, fun, and frolic.

The 1987-88 school year's accomplishments for the FHA members culminated in the Spring Banquet where new officers were installed in a candlelight ceremony while family, friends, and faculty looked on.

All in all, FHA has been very successful in fulfiling its purposes this year and looks forward to greater success next year.

## Service Club Will Be Missed

Sadly, due to lack of student interest, the Teens Who Care Club disbanded this year. After state support was withdrawn eight years ago, all other clubs statewide dissolved, leaving PHS the only school in the state to cary on. Over the years the club has done a lot to help the local community and the world community. Both will miss this service club.

Mr. Barrese and club members provided Halloween entertainment for the community children.

Auto mechanics, machine shop and nursing assistant programs are popular with the Paris High students who attend the Clark County Vocational School. ## The Pride Excels

The 1987-88 journalism staff certainly added a litfle spice to the daily routine of PHS. First year students learned to write Feature, Sports, News and Editorial articles efficiently, and the second year students enhanced their style of writing and interviewing techniques. Together, these students effectively addressed student and faculty interests.

The Pride received a pat on the back when the staff photographer, Jessica Harrington, won second place in the Mark of Excellence Photography Contest sponsored by Western Kentucky University.

## Staff Meets "Superior" Challenge Head-On

"The challenge to make a better yearbook for the student body awalts a new edlitor each year - and Editor Dana Himes met the challenge head-on." said sponsor Mrs. Richard. The 1988 staff tackled the theme idea, the scheduling of pictures, the dedication and meeting deadlines with enthusiasm. Securing enough money through ads and book sales is a monumental task. Each staff member wanted a superior book and met the challenge head-on.

Chess On The Move At P.H.S.

The P.H.S. Chess Team enjoyed a most successful first year. They placed third in the Madison Chess Invitational. The team registered a $2-4$ record during the season playing Madison, Powell Co., and Nicholas Co. twice each.
By regional time they had improved so much they placed second in the Lexington Regional and second in the Richmond Regional out of eight teams. This was the largest regional ever held in the state of Kentucky.

John McFarland, Clay Sturgeon, and Robble Arrowood qualified individually for the states.
To raise money for next year, the Chess Team sponsored the Talent Show this year.

The Paris High School Speech Club had an extremely successful year. They competed in nine tournaments, including the regional and state tournaments. The President, Joey Ray, won eight first place trophies and one second place trophy in humorous interpretation. Both he and Amy Berry qualified for the State Tournament through competing in the regionals. In the State meet Joey received
the first place trophy in humorous interpretation.

All speech members gained valuable experience and achieved points which go toward their National Forensic teague Membership.

Ten speech students participated in a community service project for the second year. They furnished the voice for the talking Christmas tree at Ken's Super Value.

## First Year Coach Leads Team To Quarter Finals

This season was one of change for the mighty orange and white When Coach Reese left last spring, there was no hope in sight Then out of Louisville we found a coach. Grunelsen was his name And after all the dust cleared, things never were the same.

We learned a whole new system in the span of three short weeks Running, passing. kicking and our defense had no leaks. The seniors led the way as we powered through the season Our first playoff birth in three years, and PRIDE was the reason.

We were breezing right along and getting better all the time Going down to Russellville, this tearn was in its prime We could taste playing in Loulsville, we held destiny in our hands Then it slipped away so quickly. this wasn't in our plans.

Now it's over for all the seniors, never to play here again No more walks to Garrard Park as we prepared to win Best of luck next year to the Juniors. Sophomores, and Freshmen too And carry on that Greyhound PRIDE as we tried so hard to do.

## Cheerleaders Have Winning On Their Mind

The Paris Varsity Cheerleaders of the 1987-88 season were a hardworking group that not only cheered on the football and basketball teams but also set their goals high in competition.
The year started off with attending the UCA Clinic in the summer. At this camp the squad won numerous ribbons and the trophy.
The squad's next conquest was the All "A" Classic Competition in Northern Kentucky. The squad came home with the 1st place over-all trophy, 1st place plain cheer, 2nd place optional cheer, and 2nd place pom-pon routine.
The highlight of the year was the 37 th District Competition. Although the squad encountered numerous injuries and faced tough competition, they pulled through on top with the 1st place over-all trophy, best optional cheer, and best pompon routine. This qualified the squad to compete in the Regional Competition. son, Holli Harrill.

Shanda Harrell tied the school record of 11 assists and Ashley Allen tied the free throw percentage ( $100 \%$ ) in one game. Ashley set a new record with six 3-point shots in one game. There were 83 three-point shots this season.

Michele Jackson took honors as having the best field goal percentage and being the leading scorer.
Senior Helen Shriver won the Hustin' Hound award. Coach Connie Appelman and team are to be commended for a fine season.

## Soccer Kicks Off First Season

The soccer team, coached by Mr. Jim Jones, had a very successful season. Practices began on June 21st and progressed steadily throughout the year. Mr. Jones had this to say about his new team, "Fantastic first year. We were lucky to have so many athletically talented seniors on the team, considering they had no experience"

Apparently experience played no part in this year's season. The soccer team had a successful season despite its youth. This year's team members were reluctant to join the team because of this being the sport's first season, yet, they did very well.

Good luck to Coach Jones and his soccer team in the years to comel

Yolonda Brown finished the year as the second leading hitter on the squad. She also had more put outs on the defensive end. Brown was given the leadership award at the spring banquet.

Michele Jackson was the big gun for the first year Ladyhound softball team. Jackson led the team in hits, runs scored, singles, triples, home runs, on-base percentage and batting average. Jackson was honored as the Most Valuable Player and Best Offensive Player at the spring banquet.

## Young Golfers Gain Experience

This year our golf team was very young. Our first five golfers consisted of a Junior (Steven Henry). two Sophomores (Clay Sturgeon, Wesley Tipton), a Freshman (Kevin Berryman), and two seventh graders (David Norman, Mike Whitson).

Even though we did not win as many matches as we would have liked, our scores improved as the year progressed. We were led by Steven Henry, who not only led us in scoring but also in years of experience. If the young men continue to work at their golf game the future of Paris High School golf looks very promising.

## Young Talent Had Big Shoes To Fill

The Greyhounds opened its season with three returning starters from last season 26-5 squad. The Greyhounds opened the season short on experience on the mound and in the field.

Brett Eades, Will Brophy, Steve Quigley and Dusty Cummins were booked to replace some big shoes in the areas of hitting, fielding and pitching. Robert Puckett
helped to shore up the pitching and Greg Earlywine added some punch in the line-up as a lead off hitter.

The final regular season found the Greyhounds standing at 9 wins and 14 losses. Brett Eades recorded a record of 6 wins and 2 losses. Brett also led the Hounds in hitting at 441 followed by Will Brophy at 415, Dusty Cummins at

410 and Greg Earlywine at an even 400. Robert Puckett led the Hounds with 5 home runs and 31 RBl's to lead the ball club.
The Hounds look to be very competitive next season with the loss of only three seniors. Best of luck to the senior Greyhounds Steve Quigley, Dusty Cummins and Bob Wagoner.

"Intense and enthusiastic describe Mike Copher. Given time, along with hard work, Mike will do well in the shot and discus."

"This is David Courtney's first year with track. With work and confidence, David will reach his goals."

## The Coach

"Brent Chumbley, for three years has lead the team in the shot put and discus. Brent holds the school record in both events. A fine young man and an all around good athlete, Brent will be souly missed.

"Pure speed along with a never-give-in attitude has made Larry Harris one of the finest athletes to run track at P.H.S. Larry ran the 100 m dash. 200 m dash, 400 m relay team and long jump."

"Tracy and T.J. show their championship form that earned them the respect of their opponents."
"Jim ran the 300m intermediate hurdies. A fine person and a good competitor. Jim represented Paris well this year."

The boys posed an impressive $8-1$ record, by winning their last eight matches in a row. The boys improved on last year's 3-6 record. Their success was the result of hard work and dedication to a goal. Experience was also a major factor with the four seniors providing leadership and stability. This team will be remembered as one of Paris' most successful teams.
