## From the Director

It's hard to believe that it's been just over a year since my first day! I want to thank everyone who has supported and welcomed me with open arms through this first year. I have learned a lot about Paris, Bourbon County, and its people and am still learning more every day! I look forward to another great year of programming and partnerships with the community. Be sure to follow us on social media so that you can stay up to date on all the goings on at the Museum! I hope to see you around the Museum soon! — Best, Cheryl
