Use the included sources to consider some of the following questions as they relate to the below standard. These photos can also be used with the Primary Source Photo Analysis Worksheet.

K.C.KGO.1 Identify leaders in the local community, and explain their roles and responsibilities

K.H.KH.1 & 1.H.KH.1 Compare life in the past to life today in communities.

K.H.CH.1 Identify and describe how communities change over time.

1.E.KE.1 Identify and describe what goods and services are produced in different places and regions in Kentucky.

What is the role of a firefighter? How do they work to keep communities safe?

What makes a police officer or sheriff a leader? What might they need to know to do their job?

Why might a newspaperperson be considered a leader in a community?

What are the roles and responsibilities of teachers?

Using these photos can you identify ways in which life has changed? What used to exist, but no longer does? What still exists, but in a different way?

What kind of goods were produced in Bourbon County? Are they still produced?

What are some things people did for fun? How are the similar or different from what you do today?
