England

Dear Aunt Flora & folks,

I was glad to hear from you and I'm sorry I haven't answered sooner. But we are kept fairly busy whenever the weather is at all good. Thanks for the news about all the folks. I know Mother will never quit working Lord - She has always worked and would be lost without work.

I like the country over here very well. It gets chilly but hardly ever freezes. The people are very different from us. Especially their talk - it's so hard for me to understand them. We have a very good place to stay - We are staying in an old house built about 1600.

I'm getting along fine and have seen some action over Germany. I'll tell you all about it when I get back. I sure do like flying but it's hard work when in a war zone. Keep up the good work and keep us soldiers well supplied. I sure would enjoy some good ham or fried chicken now. Write when you can.

Raymond

Dear June,

I bet you are surprised to hear from me. I got your address from your Mother. She said she bet I never would write to you but I guess I'll show her.

Mother, Dad and I were out at the station tonight. We go out there real often. It's a nice place to loaf because you can see more people.

School will be starting next week and I feel so funny not going. In a way I would like to but I just hate to study. Of all the things I hate its studying
