BOOK ONLINE, BY
PHONE, OR EMAIL

Talavera Tile (4-8)

Students will learn about the importance of talavera tiles by examining their history and origins from Mexico. By identifying aspects of symmetry and color, students will create their own design incorporating decorative and functional design techniques.

Appalachian Quilts (2-5)

Manipulate tangram shapes and discover how they merge into traditional Appalachian quilt designs. Create and name your own paper quilt.

New! Bourbon County Then & Now (4-8)

Using photos of historic Paris/Bourbon County, students will compare & contrast what life was like for people in the past. Students will create their own cabinet card & write a caption for their photo.
