Foreword

When our school days come to their close, we pause to look back upon the friends and the happiness we have had. Our last year has been one filled with many experiences which we shall never forget. The joys, the sorrows, the fun, and the hard work - these are all parts of our memories. In the 1962 COLONEL we have tried to preserve for you through pictures these wonderful memories of Bourbon County High School.

Dedication

The yearbook staff takes pleasure in dedicating the 1961-1962 volume of THE COLONEL to the first football team to wear the colors of Bourbon County High.

The team, by their courage, hard work, and perseverance, made 1961 a memorable year for the school.

That was a wonderful line
you handed me, George.
Telling me how beautiful
I am and everything.

I think
you're just
the sweetest
thing.

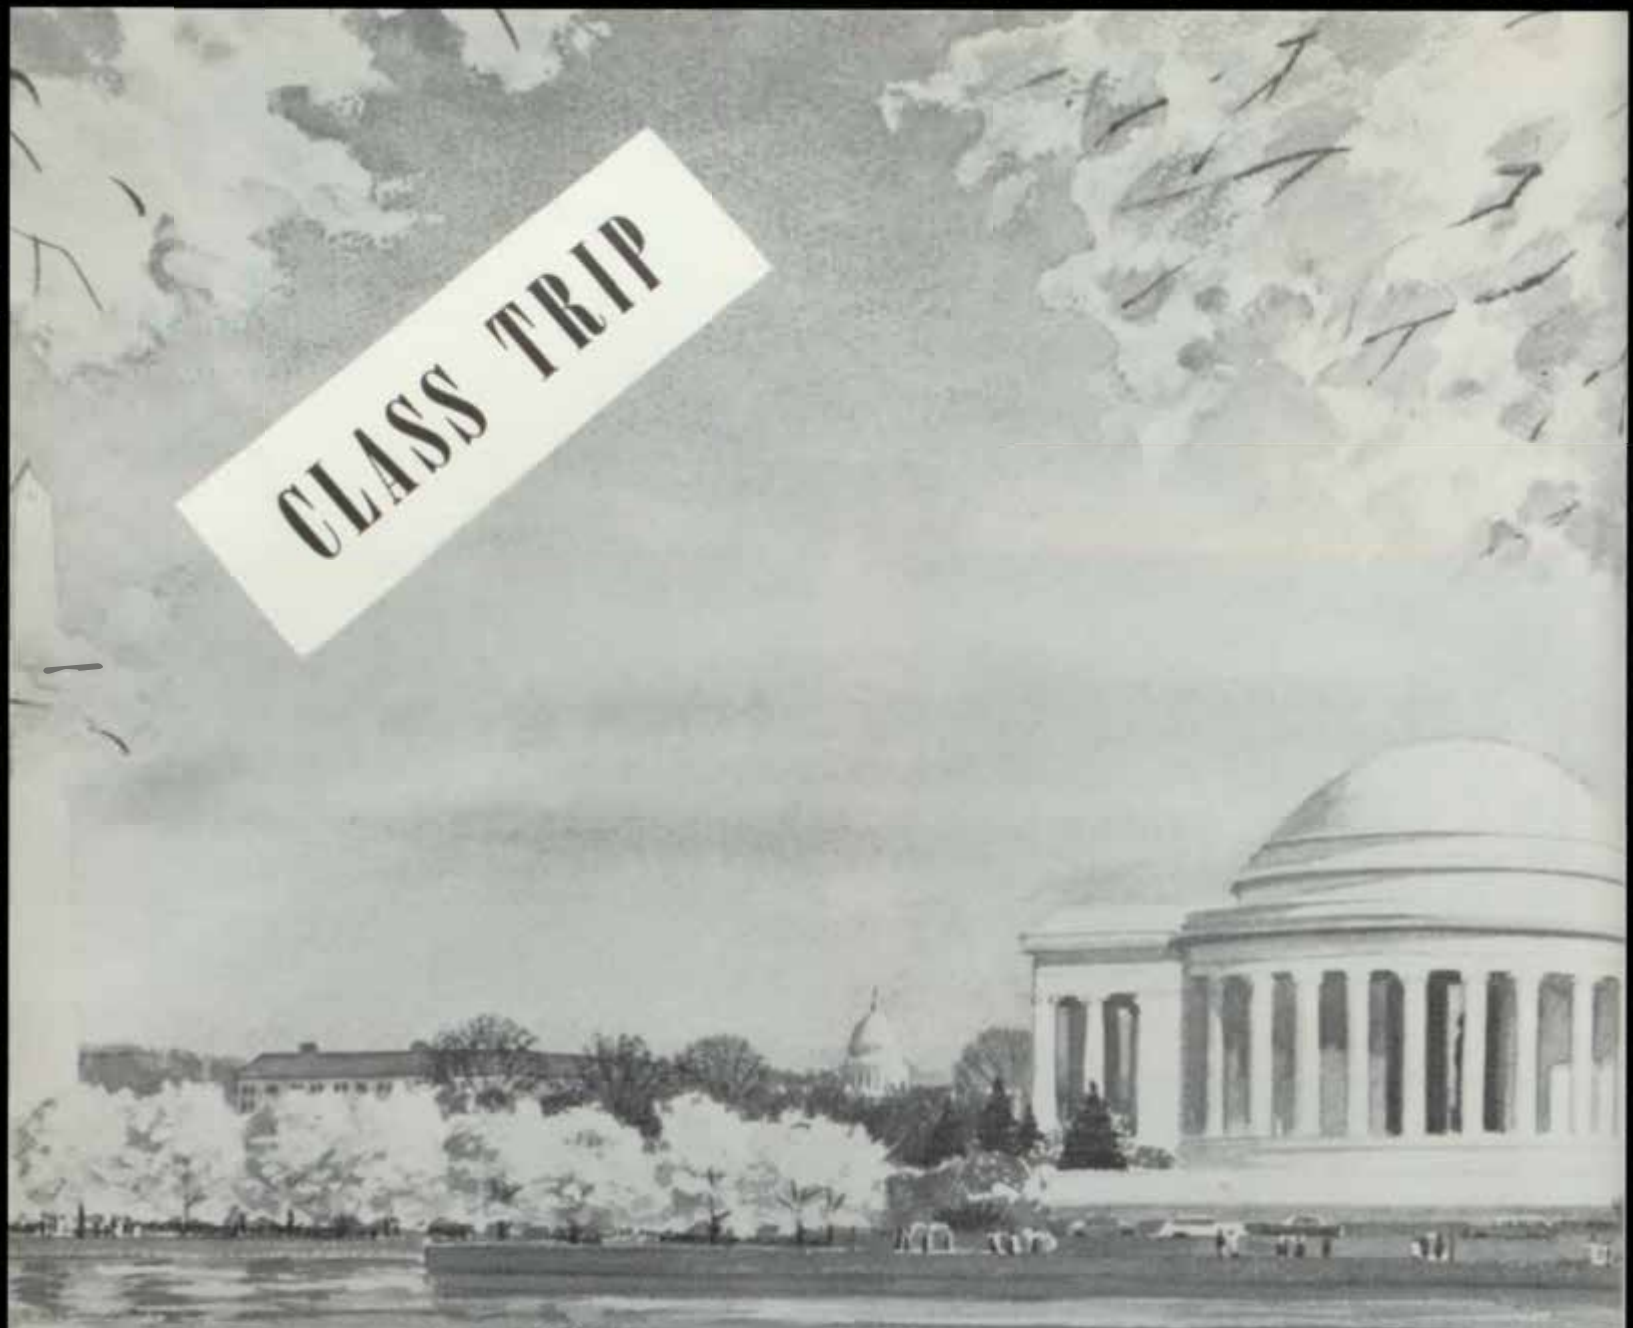

First of all, the fact is
clear that all three of
you have been in this

ACTIVITIES

Student Council

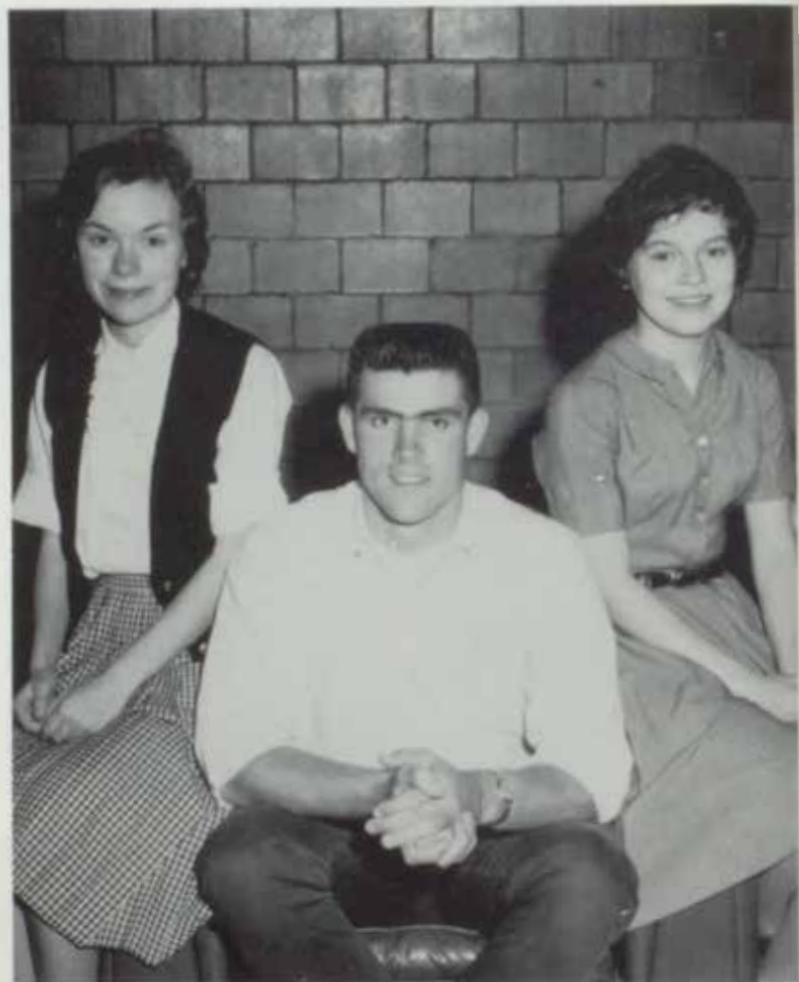

The student government of Bourbon County High School is composed of three officers, elected by a secret vote of the student body and one representative from each home room.

It is the custom to elect the president from the senior class, the vice-president from the junior class, and the sophomore class furnishes the secretary.

This group serves as a liaison between the administration, faculty and student body. Through the council and its members, students become informed concerning problems which arise and plans for the future improvement of our school.

Beta Club

In October of 1961, the Beta Club of Bourbon County High School organized for the year's work. During the early fall, plans were made for the State Beta Convention. Twelve delegates from our Beta Club attended the Convention in Louisville in December. Billie Joyce Lizer, state Beta secretary, presided at the secretaries' meeting on Saturday morning and served as secretary of the entire convention.

In February the chapter was in charge of the installation services for the new junior Beta Club in Clintonville Elementary School.

The largest number of initiates, thirty-three, to be accepted into membership in our chapter was initiated in April.

With the ideals, achievement, character, and leadership, foremost in our minds, we have endeavored to live up to our motto, "Let us lead by serving others."

The Bourbon County High School chapter of the Future Business Leaders of America is affiliated with both the state and national organizations. The organization upholds the idea that each individual member of society should be self-supporting, and it strives to encourage all members to prepare themselves for a useful occupation. The group encourages every young person to become actively interested in better social, political, community, and family life.

Football

Enthusiasm, desire, cooperation, and the determination to learn and do well prevailed in the camp of the Colonels in the fall of 1961. With fifty stalwart would-be champions Coach Cotton Correll set forth to produce the first football team to don the maroon and gold for Bourbon County High School.

After a successful start against Mercer County High School, Uncle Sam decided that the reserves, including Coach Correll, should go to Fort Chaffee, Arkansas for a tour of duty. The loss of our coach in the beginning of the first season was quite a blow, but Coach Barlow proved to be a capable replacement.

The Colonels finished the season with a 50-50 record, an enviable one for any beginning team. The squad boasted seven seniors who received letters and jackets. With thirty-two returning varsity men and a large number of freshman players, we are looking forward to another banner year in '62.
