Foreword

The student himself is the master key, not his teachers, family, or friends. If he utilizes all his God-given gifts - his own talents, abilities, and determination - he can successfully unlock the doors for a bright and productive future.

Superintendent

James P. Melton

Much progress has been made during the short time Mr. Melton has served as superintendent of the Bourbon County school system. Included in his accomplishments are the completion of an extensive building program, integration of grades one through twelve, and the merging of the county high schools.

Under his direction the elementary schools have been awarded a standard rating and the high school has attained a comprehensive accreditation. His alert and sympathetic interest in the students and his co-workers and his loyalty and devotion to duty merit the esteem of the entire community.

Among the most coveted elective offices in our school are those of the Student Council. According to the by-laws of the organization, the president, vice president, and secretary-treasurer are elected in that order from the senior, junior, and sophomore classes. Other members of the Council include a representative from each homeroom.

The Student Council serves a worthwhile purpose in that it furnishes a student voice in some phases of the policy-making of the school. Students, faculty, and principal work together on many important issues.

Beta Club

The Beta Club opened the year acting as hosts to the visitors who came to the Open House for the new addition of Bourbon High.

The remainder of 1963-1964 was a very busy period, with Betas inducting new junior Beta Clubs at North Middletown School and later at Center Hill School.

The latter part of the year found Betas at the State convention in Louisville, participating in skits and electing new state officers.

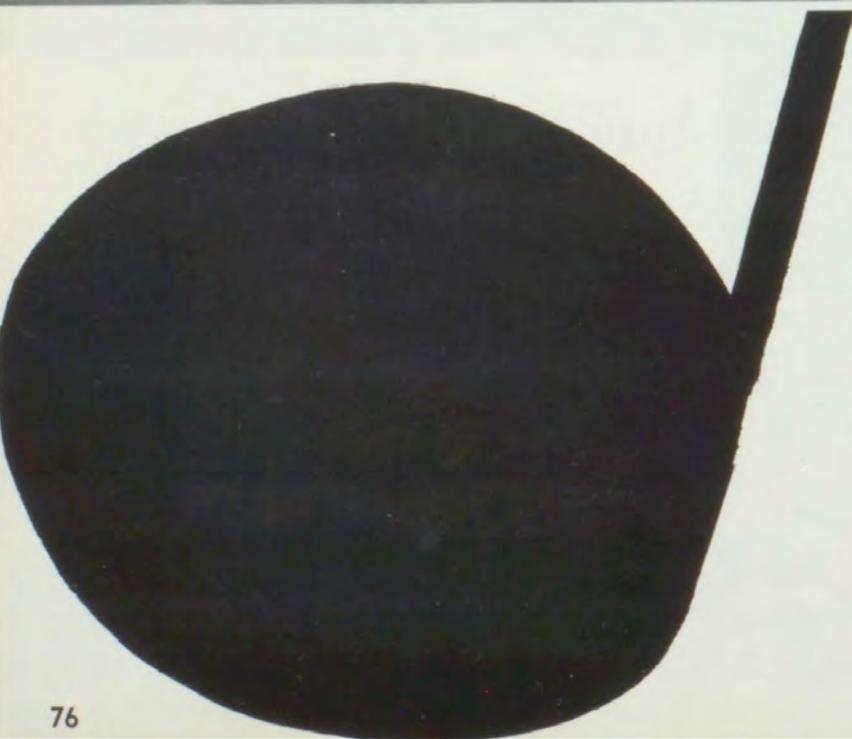

Since the beginning of 1964 we have donated to such funds as the Kennedy Library Fund and the Girl's Welfare Fund. We completed our year with a picnic at the Cane Ridge Meeting House.

Guided by Miss Belle Brent Ward, the Romance Language Club has enabled students to become more familiar with the people, customs, and culture of the French and Spanish speaking countries.

The Latin Club, under the direction of Miss Ann Talbott, strives each year to keep alive interest in the Latin language. The addition of the new language laboratory has aided in this promotion.

The over-all goal of FHA is to help individuals improve personal, family and community living, now and in the future. This year the FHA held a Sadie Hawkins dance, gave baskets of food to less fortunate families for Thanksgiving, purchased a stereo hi-fi for use by the school and community, and bestowed honorary membership on James Melton, superintendent of Bourbon County schools.

 THE NATIONAL ORGANIZATION FOR BOYS STUDYING VOCATIONAL AGRICULTURE

During the past year, the Bourbon County Chapter Future Farmers of America has completed many outstanding projects and reached many goals. The club sponsored a program through which less fortunate families received baskets of food for Thanksgiving. The chapter sent a delegation to the National F.F.A. Convention in Kansas City, Missouri. Attending were Alan Royse, Glenn Johnson, Ronald Mefford, Marvin Swartz, Carl Yazell, and Mr. Martin Cross. Claude Berry was named Star Farmer of the year. The soil judging team came in first place at the District contest. Rankin Carter was elected President of the District for the 1964-65 year.

Librarian Assistants

A library that serves 750 students must be staffed by more than one person. For this purpose Mrs. Dorsey has selected thirty-five members of the B. C. H. S. student body to help in the operation of the library. These students shelve books, work at the circulation desk, aid students in using the library, and compile essential records.

Journalism

Le Petit Colonel

Le Petit Colonel is the first printed newspaper in the history of Bourbon County High School. The name of the paper was selected by the journalism class and a faculty committee. Le Petit Colonel was chosen because of Bourbon County's French heritage.

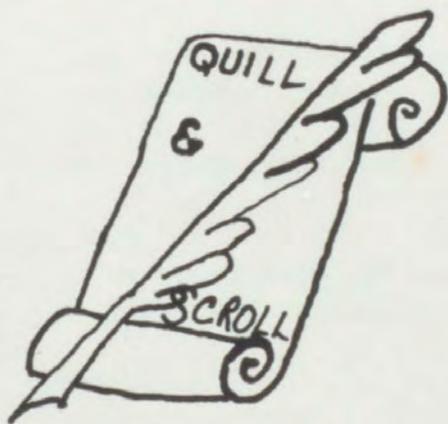

The 1963-1964 issues are the results of the journalism class of twenty members which comprise the paper staff.

The purposes of Le Petit Colonel are to keep students, parents, teachers, alumni, and friends informed about events at Bourbon County High School, and to provide a medium through which students and staff members may express their opinions about school policies and school needs.

Le Petit Colonel is a member of the Kentucky High School Press Association, the National High School Press Association, and Quill and Scroll.

Quill and Scroll

Quill and Scroll is an international honorary society for high school journalists. To become a member, one must be in the upper third of the Junior or Senior class and must have done commendable work on one of Bourbon County High School's two publications . . . Le Petit Colonel and The Colonel.

Sponsor of this organization is Mrs. Milton Traylor.
