

COLONEL

THE 1972 COLONEL

In 1968 a group of scared freshmen entered Bourbon County High School. At this same time, a man who at times may have been as scared as we took over the awesome job of principal of Bourbon County High School.

This man, Jack Clifford, has gently but sternly nudged us through four long and difficult years. Now, as seniors, we look with respect and affection upon the man who has played such a large part in our lives in these past four years.

It is with this respect and affection in mind that we proudly dedicate the 1972 edition of the Bourbon County High School Yearbook to our principal and friend, Jack Clifford.

The contents is written, edited, and produced by journalism students and the paper staff who have had a year of journalistic training. Although Le Petit Colonel does give students practical training in journalism, this is not the primary purpose.
