The Parisian
1967
The 1967 Parisian
Paris High School
Paris, Kentucky
Foreword

We have encountered many challenges in our short preparatory school career. We have learned much and forgotten much but we have been strengthened by the challenge of learning. We know that this is not the end but only the beginning.

Now that we have passed this major milestone, we must seek out and conquer many more. Let us be able to say as the future brings its problems, its joys and sorrows—-

"If these so many years have passed, what then?
They had their pleasant memories and have set;
We who may first have faltered now are firm:
the frivolous moments bring but faint regret.
And now in forward gear for golden time,
Where does the map direct? Where do we go?
What project needs our skill, our time, our heart?
On what the riches of our lives bestow?
Though roads may wear, horizons have no ends:
to-day our challenge is the stars, my friends!"
Dedication

We, the Senior Class of 1967 dedicate this annual to our Principal, Mr. Paul E. Patrick. His guidance and leadership in this his first year of service as principal, have greatly developed the students' interest in academic and social affairs at Paris High. Mr. Patrick's support and enthusiasm in athletic endeavors have been proven by the successful year of the "Mighty Greyhounds."

Perhaps, the greatest contribution Mr. Patrick has made in the school year, '66-'67 is his influence upon a well-balanced student-teacher relationship. In Mr. Patrick's own words: "My door is always open, not only to you as a student, but also as a friend."

These people are responsible for this year's annual. They have worked very hard and enthusiastically to make possible this yearbook. It contains many memories that will be cherished after graduation.
The Art Club, with its talent and cooperative spirit, painted a mural in the Teacher's Lounge of the new Elementary School. Posters of school events were displayed in the hallways on special occasions. This spring the members took a bus trip to Cincinnati to visit the Art Museum and other places of interest, as they do each year. An added attraction this year was a trip in the Fall to the Bybee Pottery plant.
The Paris Beta Club is Paris High School's honor and service organization. All members must have at least a 3.2 standing and possess good character and leadership. This year the Beta Club really lived up to its motto "Let us lead by serving others." Among many projects, the Beta Club helped support the Red Cross Blood Program, and the United Cerebral Palsy fund. It co-sponsored College Night with the Bourbon County Beta Club. The fall induction was held at Lynnwood Farm and the spring induction was held in the Paris High School Library. The Beta Club also bought the sign for the front of the high school. Throughout the year, Beta Club students won many honors for themselves and the school.
FHA strives to work for good home and family life for all and to foster the development of creative leadership in home and community life. The officers for the 1966-1967 term were: Jo Lynn Williams, President; Marsha Alexander, Vice-President; Peggy Carpenter, Secretary; and Diana Burns, Treasurer.
The Romance languages add a great deal of "culture" and enthusiasm to the lives of those students who study French and Spanish. The sponsor of this club and also the instructor in these two classes, Miss Woodford, brightens each pupil's day by her "wide vocabulary" and interest in the education of her students.

The club consists of first and second year French and Spanish students. Their respective languages are always meaningful to the members of the classes, even after they leave good ole' Paris High.

President, Wayne Kendall

Vice-President, Patty Copeland

Secretary, Beth Worthington

Treasurer, G. G. Criswell
The Latin Club, under the direction of Miss McClintock, has presented many interesting programs during the year. Of course the highlight of the year came with the traditional Roman banquet. This included a buffet dinner, a skit by the Sophomores, and some very interesting films on Roman life.

OFFICERS

Suzy Davis, President

Paula Mitchell, Vice-President

Beth Worthington, Treasurer

Gayle Wells, Secretary
The National Forensic League is composed of speech students who have compiled at least twenty five points by participating in the various tournaments. This is an honor society and these students have worked hard to gain membership.

Speech Club

Our speech club has made a superior showing at the many meets it has attended this year. Many first place trophies and superior ratings have been carried home. This club is composed of students from the ninth to twelth grades. We should all be very proud of them.
The students look forward to the monthly publication of the school paper--The Paris Hi-Lites. Through the efforts of the staff, it has brought much enjoyment and pleasure to the school.
The Whoopers have done a lot under the supervision of their sponsor, Mr. Ryle, to stimulate school spirit at its various school athletic events. This club is open to all students wishing to take an active part in supporting our athletic program.

The officers for the 1966-1967 school term were: Sandra Jordan, President; Kathy Goode, Vice-President; Kathi Sadler, Secretary; Roger Morefield, Treasurer.

This year served as an interlude for the band, a period of recuperation from last year’s trip to Florida and preparation for next year’s trip to Florida. Even during this interlude, the band was plenty busy all year long. For the fourth straight year the bandsmen won first place in their division at the Fayette Lions Club Invitational Contest. At the Kentucky Marching Band Festival Paris won a superior, but at the State Music Contest, Paris, after thirteen consecutive years of superior ratings, under a new rating system only received an excellent.

All of the band’s activity was not along this line, as the band also sponsored an auction, a turkey dinner, a dance, and a picnic. The band has been working hard this year in order to have “fun in the sun” next year.

Two band members received high honors at the end of the year. Jimmy Lovell was chosen to travel to Europe with the Band of America, and Boardman Hough was chosen to become a member of the Central Kentucky Youth Orchestra.
The Parisianaires had a rather busy year, with several engagements during the year, especially around the Christmas season. The Parisianaires sang at the annual Christmas concert, at the Lion's Club Minstrel, and at the Baccalaureate for the senior class. This group was well balanced and deserved all the praise it was given for its efforts.

Choir

The choir, a much larger group than the Parisianaires, practiced during the year and sang several times. All of the members of the Parisianaires were also members of the choir, and a large number were also members of the band.

This year's senior class, in a spontaneous show of thoughtfulness and consideration, decided to devote its money and efforts towards something of lasting value to the school and its students. They were given the option of either taking a class trip or building a senior courtyard. Over two-thirds of the class voted to spend their time and money toward building the courtyard. On Tuesday April 25 with picks, shovels, and determination the seniors gathered and set out thirty shrubs and two trees. Later some concrete benches were added. Unfortunately the plaque did not arrive before school was out. Dedication of the courtyard was postponed until a later date.
